

SDG 4::

Promoting Quality Education through Student Engagement with Public learning opportunities and sharing of resources with Industry and outside.

At Amity University Rajasthan, all the Online webinars are open to Public Participation without any Registration Charges and some of the Webinars include Certification on the Topic. The university goes beyond academic excellence to Nurture Talent and organizes several academic and non-academic activities for the overall development of the students. An agreement is in place with Nutryqube Food Products LLP, for research and growth.

Education Outreach Activities.

Vocational Trainings/Workshops conducted at Amity University Rajasthan, open to General Public. The University has introduced higher-order skill development programmes as per national requirement in the areas of information communication technology (ICT), good laboratory practices, and good manufacturing practices in various fields. The students of the University undergo industry training in the semester as prescribed in the syllabi to learn skills recommended by NSDC in respective areas/ programmes. The University organizes various programmes related to Knowledge sharing along with the Industry for everyone in the University and general Public.

Dedicated Gender Cell and Committee for Equal Opportunity.

Amity University having a dedicated Presiding Officer for Gender Cell and Cell to promote equal opportunity. A students handbook also provides information regarding every activity and support available within the University irrespective of Caste/Gender/Religion/Ethnicity/Disability or Immigration status.

आकाशीय बिजली सुरक्षा-जागरूकता कार्यक्रम

उन्नत भारत अभियान सेल, एमिटी यूनिवर्सिटी राजस्थान एवं भारत मौसम विज्ञान सोसायटी,(IMS) जयपुर चैप्टर के सहयोग से 8 अगस्त 2021 को सुबह 11.00 बजे कांट गांव में एवं 12.30 बजे जयचंदपुरा गांव में आकाशीय बिजली से सुरक्षा जागरूकता पर एक सामुदायिक कार्यक्रम आयोजित किया गया।

यूबीए संयोजक डॉ मनोज कुमार ने बताया कि हर साल आकाशीय बिजली गिरने से कई लोगो की जान जाती है। अभी हाल ही में राजस्थान के कई हिस्सों में बिजली गिरने की अलग-अलग घटनाओं में सात बच्चों सहित 20 लोगों की मौत हो गई और 21 लोग घायल हो गए. इनमें 12 व्यक्तियों की मौत जयपुर में आमेर किले के वाच टावर पर बिजली गिरने से हुई। इसलिए स्थानीय लोगों को बिजली गिरने से पहले रखी गई सावधानियों के साथ-साथ बिजली गिरने के दौरान और बाद में उचित आश्रय लेने के विषय पर शिक्षित करने के लिए इस कार्यक्रम का आयोजन किया गया।

भारत मौसम विज्ञान सोसायटी, जयपुर चैप्टर के सचिव डॉ पीवीएस राजू ने कार्यक्रम में उपस्थित सभी लोगो को आकाशीय बिजली के बारे में जानकारी देते हुए जागरूक किया। उन्होंने कहा कि एनसीआरबी के द्वारा पिछले साल सितंबर में जारी रिपोर्ट के अनुसार वर्ष 2019 में देश में बिजली गिरने से करीब तीन हजार लोगों की मौत हो गई। इसमें कहा गया था कि प्राकृतिक आपदाओं में सबसे ज्यादा जनहानि इसी से होती है।

कार्यक्रम के मुख्य वक्ता डॉ अखिलेश मिश्रा थे जिन्होंने संबधित विषय के बारे में जानकारी दी एवं सरकार के द्वारा चलाये गए विभिन्न एप्स जैसे की मेधदूत, रेन अलार्मिंग, दामिनी आदि के बारे में जानकारी दी। उन्होने किसानो को इन एप्स के फायदों के बारे में बताया। साथ ही में आकाशीय बिजली से सुरक्षा हेतु वहां पर उपस्थित लोगो को पेम्पलेट्स भी दिए गए।

रजिस्ट्रार डॉ नितिन भारद्वाज ने फैकल्टी एवं समस्त स्टाफ को गाँव में जागरूकता कार्यक्रम आयोजित करने के लिए धन्यवाद दिया एवं कार्यक्रम के अंतर्गत दिए गए निर्देशों की पालना के लिए गाँव वालों से अपील की। इस कार्यक्रम में विश्वविद्यालय के डॉ विनोद सिंह गौर, श्री अमित चौरसिया, श्री विनोद शर्मा आदि उपस्थित रहे।

Lightening Safety Awareness Program

In collaboration with India Meteorological Society, (IMS) Jaipur Chapter, Unnat Bharat Abhiyan Cell of Amity University Rajasthan organized a community awareness program on Lightening Safety on 8th August 2021 at 11.00 am in Kant village and at 12.30 am in Jaichandpura village.

UBA Convenor Dr Manoj Kumar said that every year many people die due to lightning. Recently, 20 people including seven children were killed and 21 were injured in separate incidents of lightning in several parts of Rajasthan. Of these, 12 people died due to lightning on the watch tower of Amer Fort in Jaipur. Hence, this program was organized to educate the local people on the precautions to be taken before lightning as well as to take proper shelter during and after the lightning strike.

The keynote speaker of the program was Dr. Akhilesh Mishra who gave information about the related topic and various apps run by the government like Meghadoot, Rain Alarming, Damini etc. He told the farmers about the benefits of these apps. Along with this, pamphlets were also given to the people present there for protection from lightning.

Registrar Dr. Nitin Bhardwaj thanked the faculty and all the staff for organizing awareness programs in the village and appealed to the villagers to follow the instructions given under the

programme. Dr. Vinod Singh Gaur, Mr. Amit Chaurasia, Mr. Vinod Sharma etc. were present in this program.

Strategies & Policies on Equal Access Opportunities:

Amity university Rajasthan is constituted under University Grants Commission (UGC) by Government of India and legislated with state of Rajasthan as state private university, we are committed to provide best in class academic experience to produce future ready students. Our academic and general governance is transparent to all its stakeholders and also ensures it's reach to all categories of the society.

SC/ST and OBC : Although, the University does not have any specific strategy focused on SC/ST and OBC students, the students from these categories are encouraged to apply and take advantage of merit-cum-means scholarship.

Women: In various scholarships, the University has provided 20-30% scholarships to the female students. Apart from this, the University has separate and exclusive girls hostel for female students with female staff.

Persons with varied disabilities: Provisions of elevators, ramps, toilets, parking exclusively for persons with varied disability have been catered for.

Economically weaker sections: For the social and economically weaker sections, the University has introduced merit cum-means scholarship for deserving students who are academically good, but financially weak. Outstanding achievers in sports and other extracurricular activities Outstanding achievers in sports and extra-curricular activities are given due weight age in personal interview based on the participation level.

A Committee is constituted to oversee and suggest the implementation of Equal Access Policy. The University also has a Gender Cell in place since 2018 with a presiding office and representative from Faculties, Staff and Students of the University.
