## ALUMNI SPEAK

Alumni are the best brand ambassadors for any educational institution. On that count, Amity is fortunate to have some of the most effective brand ambassadors.

Amity has an ever-growing base who are currently pursuing fast track careers with blue-chip companies in India and abroad. Their success in corporate arena is an eloquent testimony to their skills, ability and hard work, as well as to the quality and rigor of business education at Amity University Rajasthan.

I have completed my Master of Business Administration from Amity University Rajasthan. Amity has been a great contributor to the development of my personality. The entire faculty of Amity Business School department left no stone unturned to strengthen and help me achieve this success at the starting point of my career. My two years at Amity have been the most wonderful experience where I established my leadership, communication, time management, teamwork skills and have been able to groom myself in an impressive manner. The best thing about Amity Business School is that it not only helps the students to gain knowledge academically but also in a practical manner through various business school events, guest lectures, industrial visits, and the live projects. I would especially like to thank CRC department for helping us throughout the journey of grooming ourselves and paving a path for us through which we were able to choose the best choice for our future. I feel lucky and proud to be a part of Amity University.

**Divya Johnson**, MBA Finance & Marketing (2018-2020), Client Service Associate, S&P Global

Amity is indeed an abode of amazing learning experiences. Being a part of the university for 2 years, I have groomed myself into a better individual, both academically and personally. My mentors helped me in identifying my strengths and provided ample opportunities to refine my inner self as well. I recommend everyone to be a part of this adventure and enrich yourselves.

**Deepanshu Sharma**, MA Tourism and Travel Management (2018-2020)  
Sales & Business Development Executive, Thrillophilia

I am currently working as PMO ANALYST in Diebold Nixdorf India Private Limited, where I got the opportunity to intern through Corporate Resource Centre and converted into a full-time employee. The university guided me in achieving my career path and groomed me professionally. My experience with Amity University Rajasthan has been great and the same helped me in evolving my career path and overall personality.

**Ishita Rao**, MBA HR & Marketing (2018-2020), PMO Analyst, Diebold Nixdorf

My journey with Amity University was extremely wholesome along with my experience with CRC. I was given various opportunities to enhance my skills and knowledge with practical experience. Our faculties at CRC have always made extra efforts to provide us with the best internships and made sure that we, as students, get maximum practical exposure. I got the chance to intern with companies like Genesis BCW, Dentsu Aegis Network and am currently working with Deloitte USI. I will always be grateful to my University and faculty members for giving me the stage to grow in such a wonderful way.

**Apoorva Sharma**, BA Journalism & Mass Communication (2017-2020)  
Associate Analyst, Deloitte

### ALUMNI SPEAK

I believe that it was a wise decision by me to take admission in Amity University Rajasthan. The campus life in itself was a great 4-year journey. Talking about the faculties, even the highest of the authorities had been always ready to help on grounds to make things go with the flow. The environment-friendly campus has always helped me to focus on healthy living. To all those dreaming of learning with fun and enthusiasm, I would happily recommend the university.

**Prayas Mittal**, B.Tech CSE (2015-2019), Senior Software Developer, Selekt.in

Amity University has always believed in helping and guiding its students

and it was no different during the placement season. My four years at Amity University have been excellent and a memory to cherish for a lifetime. It gave me an opportunity to meet different kind of people and learn a number of things. I have received a great support from faculties and placement cell (CRC). Our placement administration executives guided and encouraged us at each step thereby helping me secure my placement at IBM.

**GaddeVenkatalaxmi Sai Durga**, B.Tech CSE (2015-2019), Associate System Engineer, IBM

My experience as a student at Amity law school, AUR Jaipur prepared me well for the legal industry by providing the required exposure in the field and legal knowledge. The curriculum prepared me for a demanding career.

**Amyshi Raghuvanshi** , BA LLB (2015-2020), Intern,FHS Law, Abu Dhabi, UAE

My experience with AUR has been commendable. I have literally grown in that institution as I was a teenager when I joined the university and passed out as a fully matured person. Whatever I am today, AUR has a huge role to play in it, not just professionally but also personally. It has given me a wider perspective in life and meet so many kinds of people from all parts of the country. Every institution has its pros and cons, but we are very critical when we are there in the institution. It is only after we pass out, we realize and appreciate the good things of the institution. So, the overall experience of Amity has been enriching and promising.

**Sheetal Chauhan**, B.A. LLB (2012-2017), Faculty, Amity University Madhya Pradesh

I am thankful to all the faculty and CRC members of AUR for their continuous efforts and support. Apart from excellent academic experience, I also gained the benefits of being in close contact with my Mentor and Coordinator. I cherish every moment spent at AUR. My graduation (2012- 2016) at AUR has been a very interesting and awesome journey.

**Amit Yadav**, B.Tech Biotech (2012-2016), Sr Executive, Biological

### ALUMNI SPEAK

Today, when I look back at the time I spent at Amity, I can proudly say that it helped me grow and evolve not only professionally, but on a personal level as well. During my time of study at the university, I worked with a diverse peer group of students, with different interests and ambitions in life. With Prof. (Dr.) Jitendra Singh at helm of affairs, and some very learned faculty members to interact with, the environment was highly vibrant and overall a very engaging & stimulating learning experience. In addition to the subject knowledge gained, I was able to acquire and strengthen my interactive skills while at Amity. From being a self-contained teenager, ready to shrink into a shell to becoming a confident individual, I owe a great deal to my Alma Mater. I shall forever be grateful.

**Pulkit Mathur**, B.Arch (2012-2017), Junior Project Manager, AECOM (Netherlands)

My experience in Amity University was tremendous. I found the course curriculum to be very challenging but rewarding. My degree in BBA LLB provided an ideal blend of practical legal knowledge and perfect business understanding. I had many professors in the college who inspired my best efforts and who helped me influentially to shape my professional life.

**Pratham Purwar**, BBA LLB (2010-2015), Legal Counsel (APAC), DSV Air and Sea Private Limited

Like every other college aspirant, I joined Amity with hope to achieve good education, but never expected to receive so much in plenty besides unparalleled quality education. When I passed out, not only became an engineer, but was transformed completely into an individual with realistic knowledge, leadership skills and organizational abilities.

**Sumeet Sharma**, B.Tech Biotech (2010-2014),  
Asst. Manager - Water Treatment & Env. Engg., Organica Biotech

My time at Amity truly changed who I am and who I still want to become professionally and personally. Being a part of the second batch of B.Tech biotechnology at Amity gave me robust confidence. The culture at AUR fostered the sharing of ideas, critical discussions, and collaboration among students and faculty across a wide range of interests. What I loved about the AIB faculty was that they always entertained new ideas no matter where they came from; even if, and especially when, they were challenging to their own work. But I did not only learn from them. I learned equally much from my fellow batch mates of both biotechnology and non-biotechnology background, some of whom have become my forever friends! Currently, I am working as an assistant manager at IQVIA, a global healthcare consulting firm. I am involved in developing strong, innovative, and sustainable solutions against complicated healthcare problems. I can say, without a doubt, that my time at Amity has significantly contributed in making me who I am today.

**Divya Vasvani**, B.Tech Biotech (2008-2012), Consultant, IQVIA

**Shaik Mohammed Wazid**, B. Tech Civil ( 2012-2016), Risk Investigator, Amazon India

Through this mail, I, Anushree Rastogi student of BCA, take the opportunity to express my gratitude and thanks for the guidance and support bestowed upon me by the faculties of AUR. The faculties have always been there to solve my queries and for motivating me at every step. It is because of the blessings of the faculties that I could qualify in such big companies, viz., CAPGEMINI, DELOITTE and TCS , to start my career with. Amity provided a wide arena of the field and thus I get to learn something new with every subject. Supportive faculty, beautiful campus, quality education, real world experiences and amazing friends. Its everything one needs from a college and a network developed for life. What amazes me is the plethora of extra curricular activities that the Institute offers hence compelling every student to explore and pursue his/her extra talents. The Institute manages both the areas extremely well and a student always finds himself in a pool of never ending opportunities, be it technical or non-technical.
