

HOME STAY PLAY Guidelines

1. The team must have a unique name as a Theatre group.
2. The team should comprise of 3-5 actors, where one actor plays only one character each
3. **THEMES:**
 - a) Love in the time of Corona (This theme is not only limited to romantic love. Love in any form or for any one. There are no parameters of love here.)
 - b) Social Animals: Mental health during a quarantine
4. The concept or story can be adapted or inspired from an existing play or can be done with an entirely original concept.
5. The time limit is 5-8 mins.
6. No special effects through editing should be done, other than joining the shots and basic color correction.
7. Camera must be static.
8. The performance must be done indoor and there has to be only one actor in one frame.
9. No bar on the usage of sound effects.
10. Usage of vulgar language must be avoided.
11. Along with the final video, submit a unified map of the locale within which all the events of the play take place. It will serve as the ground plan of the performance. To be clear, this is not a ground plan of individual spaces from where the actors are shooting, but a map of the location where the action takes place.
12. There must be one slide in the beginning giving an intro of the team, consisting of the following-
 - Team Name
 - Name of University or Institute
 - Theme Chosen and Play Title
