Rang Do Apne Sapne Asian Paints Ke Sath

ATTRACTED.

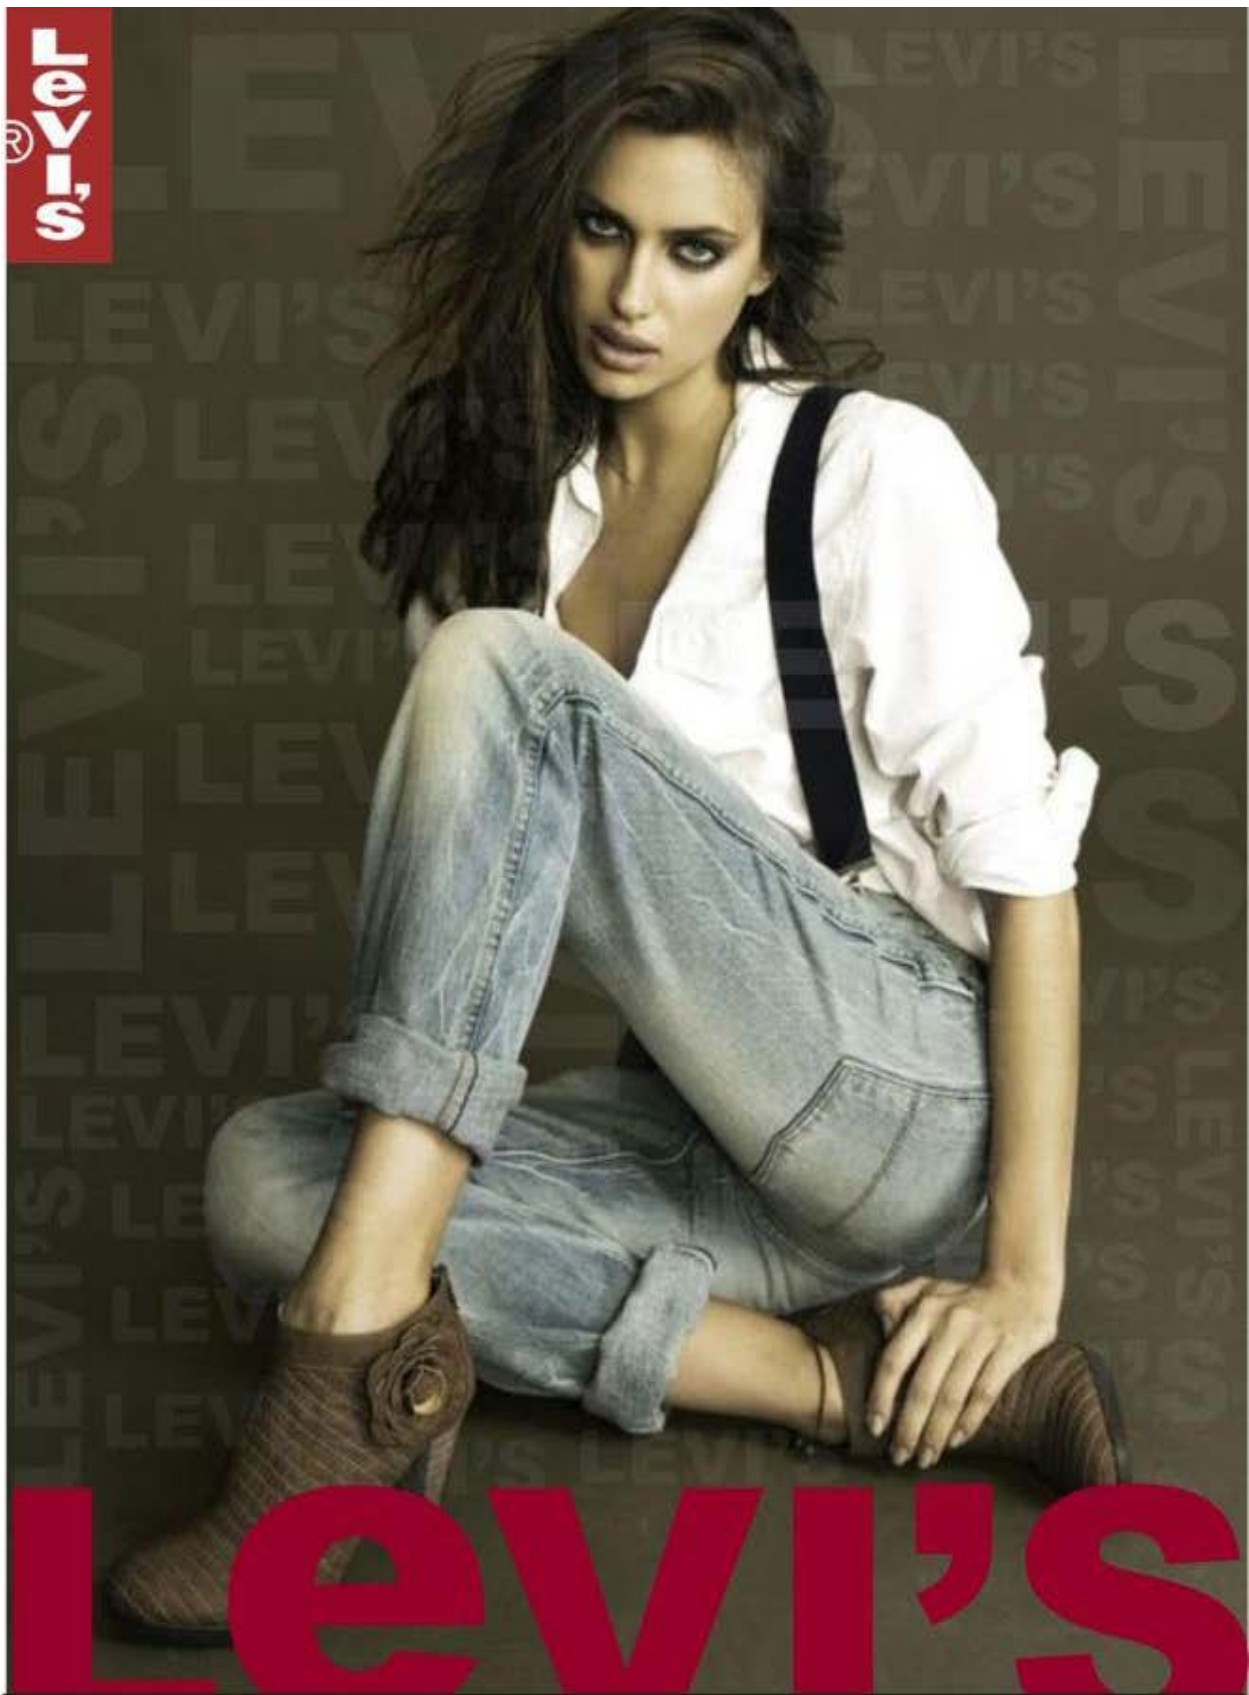

As a part of our continuing process to reinvent ourselves we have new identity that signifies further commitments we would like makes to our costumers. The logo represents our continuing partnership with outcosomers to find new way to spark their imagination & help them decorate better.

One thing has remained constant, is our steadfast commitment to being truly **GREEN!**

We have been making rapid strides here, and as a leader in the paint industry would like to offer Best-in-Class, truly Green products. We had started this journey with the 'Lead & heavy Metal Free Guarantee' about 4 years ago, and now we are moving on to a more complete Green Assurance in all our Best-in-Class products, which is truly all encompassing. We would therefore like to our assurance of this continuing commitment by providing you with Green Assurance promise of a beautiful home that conforms to true Green standards.

Let's fight against

CORRUPTION

Fighting corruption requires more than tools and programs it requires role models who inspire the people to fight against corruption. Transparency international's integrity awards highlight the role model who have demonstrated a commitment to their values and beliefs by their courageous actions. Integrity awards winners provide a sense of hope and empowerment They demonstrate that it is possible for ordinary people to do extra things. Integrity awards winners the heros of the fight against corruption.
