Responsibilities of The Ethical Compliance Committee

- There is an office for ethical compliance within Amity University Maharashtra, with a designated officials to oversight on ethical matters across the institution. The Ethical Compliance Committee is dealing with the employees' diversity, honesty, respect, and fairness issues. All issues reported to the committee are handled with the proper care and confidentiality.
- Committee takes care that all the stakeholders of the organization are committed to maintain the diversity in the organization from the inclusiveness of the employees from the various states of the nation. The university also encourages the Adjunct Professors from the different countries. Similarly, the student's admission is welcomed from the various parts of the nation as well as the international students. The diversity of the students is also observed with reference to the different religion, caste, languages, and community.
- Committee ensures that, the honesty in the work culture is the basic value at the university. Honesty in terms of the work, financial matters, and the readiness to solve the various issues aligned with the organizational long-term goals are inculcated in the daily working environment. The same value of honesty is also imbibed into the students during their studies and educated to be honest in the future career or the business established by them.
- Committee ensures that, all employees are educated and committed to respect other colleague maybe from the other gender, other cast, religion, community, and with different geographical backgrounds. Similarly, all students are also trained and counselled to respect their classmates and other students studying in the university. The university is having zero tolerance to the ragging activity at the campus.
- Ethical Compliance Committee takes care that, all employees are time-to-time oriented to understand the legal aspects and organizational policy on the ethical
