Amity Universe since its inception has stressed upon the importance of human values and has followed its motto *“Where modernity blends with traditions”* with true spirit. From many years, we have been celebrating Amity Human Value Quarter (AHVQ) to spread awareness about the richness and significance of human values.

As a part of Amity Human Value Quarter (AHVQ) celebrations this year, we at Amity Institute of Education, New Delhi have chosen to strengthen the presence and importance of Sanskrit language in our society. Sanskrit is one of the ancient languages of India and it is important to familiarize oneself with Sanskrit if one has to understand the growth of Indian civilization and cultural heritage of India. The essence and beauty of this language lies in the Nine Emotions or Moods of the human mind and body known as the Navrasa.

With these thoughts in mind, we at Amity Institute of Education, Saket, New Delhi under the visionary guidance of our Founder President, Dr. Ashok K. Chauhan, have organized a competition based on Navrasa of Sanskrit language for students of class VII to X on the below mentioned theme to celebrate AHVQ this year as well.

*“Bhavnayo ke Rang, Navrasa ke Sang Jiwan me Utaarey hum, Sanskrit ke Sang”*
