INTEGRATING ART AND CRAFT ACROSS CURRICULUM:	<p>It is important for a teacher to believe in her own creative strength to be able to nurture this skill in her children. The workshop will introduce the teacher to a variety of techniques that can easily be introduced in her class. We will also go on to creating simple yet effective teaching aids to support lessons in a class. Teaching aids are an integral component in any classroom. They support in illustrating or reinforcing a skill or concept and by presenting information in a new and exciting way</p> <p>During and post this workshop, teachers will be able to:</p> <p>Evaluate: The need and importance of art and craft integration to make lessons visually impactful and engaging.</p> <p>Understand: How to nurture the creativity of children and weave art into curriculum areas.</p> <p>Learn: Various art and craft techniques- printing and pasting, craft work and construction, craft activities using nature and support children to represent their own ideas, thoughts and feelings through imaginative ways.</p> <p>Plan: Art and craft activities to enhance fine motor skills, nurture creativity, develop problem solving and refine social skills of children.</p>	<p>2 day workshop</p> <p>5 hours per day every Saturday</p> <p>Cost: Rs.200 per hour/ per Teacher.</p> <p>@ Rs. 2000 * per teacher for entire module.</p> <p>(* Art supplies to be provided by the school)</p>
