

Club Name: E- Connect Club

About The Club:-

We aim to establish a coding culture on the campus, reaching every student who is passionate about learning. We conduct coding competitions, seminars, and disparate activities to appraise students who are interested in coding / Development/ Cybercity. The club not only focuses on coding but also on logical, analytical, and problem-solving skills. Our Club also provides great opportunity to all the students learn, build the great network, and explore domain of coding industry. We also conduct guest lectures inviting speakers to guide the students and share their knowledge with us.
