3.	Intro to Networking & Cybersecurity	Webinar	13th Aug 2021	Online-MS Team	110

#1 Webinar on " Intro to Networking & Cybersecurity", and our keynote lecture speaker Mr. [Charles Carmakal](#) talked about it.

Charles Carmakal, SVP and CTO, is one of FireEye Mandiant's leading incident response experts. He oversees a team that has helped over a thousand organizations respond to complex security breaches orchestrated by foreign governments, organized criminals, and political hacktivists. Mr. Carmakal has 20 years of experience helping organizations become more resilient to cyber-attacks. Mr. Carmakal has conducted television and print interviews by media organizations including 60 Minutes, CNBC, Wall Street Journal, Reuters, Bloomberg, New York Times, Washington Post, NBC News, and Fox Business.
