ABOUT TECHPHILIA 4.0

The Amity Institute of Information Technology, Amity University Patna, is happy to host the first edition of its Annual Technology Fest “Techphilia 4.0”, to be held on Friday, 30th October 2020 – 31st October 2020. The event will give opportunity to many more students to learn, compete and gain exposure with a tinge of enjoyment. This year 4 online events are planned with a dream to make it a platform for a Grand Technological Extravaganza. We are excited to welcome all the Tech-Savvy students throughout the globe and hope to make it an unforgettable experience for each one of them.

- After registering participants should click on this link to join the telegram group:
<https://t.me/techphiliaCodingCompaup2020>
- About the Competition: There will be two rounds in this contest
Round 1: Error Detection (20 Minutes -20 Question)
Round 2: Code Writing (40 Minutes - 02 Questions)
- All submissions will be checked through a plagiarism detector. Any case of code plagiarism will disqualify the participant from the contest.
- This contest is for individuals only.
- Participants are ranked by score. If two participants have the same score, the tie is broken by the time at which the user finishes the first correct submission of the last challenge solved.
- Code directly from our platform, which supports more than 10 languages.
- The decision of judges to select the winners will be final.
- Each challenge has a pre-determined score.
- A participant's score depends on the number of test cases a participant's code submission successfully passes.
- If a participant submits more than one solution per challenge, then the participant's score will reflect the highest score achieved. In a game challenge, the participant's score will reflect the last code submission.

ABOUT AMITY UNIVERSITY PATNA

Amity University Patna is a part of 25-years old, leading Amity Education Group of India set up with a vision to contribute to nation-building through education and beyond where currently more than 1,70,000 students are pursuing 300 programmes across campuses in India and abroad. With an ever-expanding network of the globally benchmarked Amity Group of Institutions, this group now includes 10 Universities, 25 schools and preschools and it has campuses in as many as 10 countries.

Amity University Patna is yet another landmark project by Amity Education Group to revolutionize the Indian higher education sector by providing globally benchmarked, research and employment-oriented education. Amity University Patna is the youngest addition with a vision to contribute to nation building through education. It presently offers various UG and PG programmes like MBA, MCA, B.Tech, B.B.A, B.C.A, B.Com, B.A (English, Psychology), BJMC, etc. Located in the heart of the city at Bailey Road Patna, the transit campus is a 15 minutes' drive from airport and 25 minutes from railway station.

Amity Institute of Information Technology (AIIT), Amity University Patna is one of the most prestigious and a reputed institute in Patna in the state of Bihar, India. It is preferred by many locals as well as students all over the country. In fact, considering its growth statistics, it is one of the fastest growing institutes in Patna, Bihar.
