

International Conference on Efficient Solar Power Generation and Energy Harvesting

An Industry – Academia Meet

February 12th – 14th, 2019

Organized by

Amity Institute for Advanced Research and Studies (Materials & Devices),
Amity Institute of Renewable and Alternative Energy,
Amity University UP, Noida, INDIA

Amity University Uttar Pradesh, Noida, INDIA, is organizing the International Conference on 'Efficient Solar Power Generation and Energy Harvesting' (*An Industry – Academia Meet*) from 12th - 14th February, 2019 at Amity University, Noida.

The conference will provide an excellent platform for bridging the gaps between academia & industry. This will be a forum for discussion and networking for academicians, researchers, professionals, administrators, educational leaders, industry representatives and business leaders. Participants will include Eminent Scientists, Professors, Technocrats and Students from various parts of the world, and a must-attend event for the Solar Energy Industries to hear about future infrastructure project plans and government strategies.

It is our pleasure to cordially invite you to the conference and share your research, innovations and ideas...

Kindly submit your Abstract...
