

FLUTE - 2025

The 3rd Biennial International Symposium on Fluids and Thermal Engineering

Theme: **Innovations and Future Directions in Renewable Energy Harvesting and Sustainable Thermal Systems.**

Titltle of Your Paper

Name of Paper Presenter

Affiliation of Paper Presenter like
Department of Mechanical
Engineering, Amity University Noida

Paper ID:

Outline of the Presentation

- Introduction (if applicable)
- Literature Review (if applicable)
- Problem Statement (if applicable)
- Methodology
- Results and Discussion
- Conclusion
- References

Important criterion for making PPT:

- Total presentation time is 15 min
- 10 min for presentation and 5 min Q/A
- Maximum slides not more

Criterion of Best Paper Award:

- Preferred Slide number is 15
- Quality of Slides
- Quality of Oral Presentation
- Novelty of the work
- Response of the Q/A during presentation
