**Amity University** is a research driven University which offers higher education in diverse field from Engineering, Management, Life Sciences, Applied Science and the like. Amity University provides quality platform for research in field of Academics. The campus is organizing 2<sup>nd</sup> International Conference on Intelligent Engineering and Management on 28<sup>th</sup> – 30<sup>th</sup> April 2021.

This Conference includes many topics which were deeply deliberated and which brewed new ideas. Thus, giving rise to new avenues for researcher. We aim to take those concepts further to derive fresh hypothesis and arrive at the logical deductions. The participation of scientist from across the globe was very encouraging in our last conferences organized in India. This time we are anticipating even larger congregation from more diverse domains as we are reaching out too many eminent philosophers, thinkers and academicians from scientist fraternity.

## **Sub-themes (but not limited to):**

- Ubiquitous Computing
- Networking Ad-hoc networks
- Software Engineering & Information System
