Amity University is research driven University which offers higher education in diverse field from Engineering, Management, Life Sciences, Applied Science and the like. Amity University provides quality platform for research in field of Academics. The campus is organizing International Conference on Technological Advancements and Innovations on $23^{rd} – 25^{th}$ February 2022.

This Conference includes many topics which were deeply deliberated, and which brewed new ideas. Thus, giving rise to new avenues for researcher. We aim to take those concepts further to derive fresh hypothesis and arrive at the logical deductions. The participation of scientist from across the globe was very encouraging in our last conferences organized in India. This time we are anticipating even larger congregation from more diverse domains as we are reaching out too many eminent philosophers, thinkers and academicians from scientist fraternity.

Sub-themes *(but not limited to)*:

- Automation System
- Data Analytics
- Machine Learning
- Intelligent Systems
- Natural Language Processing
- Fuzzy Systems and Fuzzers
- Computational Intelligence
- Big Data, Intelligence Information Processing
- Applied Soft Computing and Fuzzy Logic and Artificial Neural Networks

Note: It is a mandatory requirement that all papers submitted for this session must be e-mailed to drbhhartisharmaa@gmail.com along with EasyChair submission.
