

**AMITY  
UNIVERSITY**

# **CALL FOR PAPER**

## **Special Session on**

***“Advanced and Emerging Applications in Computer  
Sciences and Engineering”***

in

**International Conference**

on

**Technological Advancements and Innovation**

**(ICTAI-2021)**

**3<sup>rd</sup>–5<sup>th</sup> November 2021**

at

**Amity University, Tashkent Campus**

**Technically Co-Sponsored by**

All accepted & presented papers of the Conference by duly registered authors, will be submitted to [IEEE Xplore](#) Digital Library for Inclusion.

## **Session Chair:**

**Dr. Arun Pratap Srivastava, Dr. Raj Gaurang Tiwari**

### **Important Weblinks:**

- To visit Conference Website, [click here](#)
- For Research Paper/ Article/ Manuscript Submission, [click here](#)  
Research Paper/ Article/ Manuscript will be submitted through [EasyChair](#) only.  
If you don't have [EasyChair](#) account, please [create](#) one.
- To view special session details, [click here](#)
- To view Instruction to Authors, [click here](#)  
Please adhere to “Instruction to Authors” while submitting the manuscript.

## **Important Dates:**

Paper Submission Deadline:	12 October 2021
Notification of Acceptance:	15 October 2021
Camera Ready Paper Submission Deadline:	20 October 2021
Last Date of Registration:	18 October 2021
Conference Date:	10 – 12 November 2021

**Amity University** is a research driven University which offers higher education in diverse field from Engineering, Management, Life Sciences, Applied Science and the like. Amity University provides quality platform for research in field of Academics. The campus is organizing International Conference on Technological Advancements and Innovations on 3<sup>rd</sup>– 5<sup>th</sup> November 2021.

This Conference includes many topics which were deeply deliberated and which brewed new ideas. Thus, giving rise to new avenues for researcher. We aim to take those concepts further to derive fresh hypothesis and arrive at the logical deductions. The participation of scientist from across the globe was very encouraging in our last conferences organized in India. This time we are anticipating even larger congregation from more diverse domains as we are reaching out too many eminent philosophers, thinkers and academicians from scientist fraternity.

### **Sub-themes (*but not limited to*):**

- Internet of Things.
- Artificial Intelligence.
- Machine Learning.
- Big Data and Data Analytics.
- Scientific Visualization.
- Computer Graphics.
- Geometric Modelling.
- Pattern Recognition.
- Image Processing.

**Note:** It is a mandatory requirement that all papers submitted for this session must be e-mailed to [apsvgi@gmail.com](mailto:apsvgi@gmail.com) along with [EasyChair](#) submission.
