PROGRAMME OVERVIEW

The Doctor of Business Administration (DBA) at Amity Mauritius is a prestigious doctoral programme designed for accomplished professionals who aspire to transform organisations, influence strategy, and contribute original knowledge with real-world impact. This programme goes beyond theory-empowering you to research, innovate, and lead in today's complex global business environment.

AIMS & OBJECTIVES

- **Designed for Senior Executives & Leaders:** Balance doctoral study with professional commitments through a flexible, structured research model
- **Practice-Oriented Doctorate:** Solve real organisational and industry challenges through applied, high-impact research
- **Expert Supervision & Mentorship:** Work closely with experienced scholars and industry experts throughout your doctoral journey
- **Career & Thought Leadership Advancement:** Enhance your credibility for board-level roles, consulting, academia, policy-making, and executive leadership

Programme Highlights

- Executive-focused doctoral pathway
- Strong foundation in research methodology and writing research articles in the first year
- Individualised academic supervision as from 2nd year
- Doctoral seminars and colloquia
- Opportunities for publication in journals and international conference presentations

Research Focus Areas

- Strategic Management & Business Transformation
- Leadership & Organisational Behaviour
- Finance, Accounting & FinTech
- Marketing Strategy & Consumer Insights
- Human Resource Management & Talent Development
- Entrepreneurship, Innovation & Digital Business
- Sustainability, ESG & Corporate Governance

Who Is This Programme For?

- Managers
- Business owners and entrepreneurs
- Consultants and industry specialists
- Academics seeking a professional doctorate
- Policymakers and development professionals

Eligibility

- Master's degree
- Relevant senior-level professional or managerial experience
