Offline

Faculty Coordinator: Mr. Swapan Bhandary

No. of students participating: 01

Objectives of the event:

1. The event increases students' understanding of the Art Camp, its purpose, and its impact on artists.
2. Students can express their views and ideas creatively through art.
3. It encourages a sense of global responsibility and engagement among young minds.
4. The event can stimulate critical thinking about artistic challenges and potential solutions.

Achieved Outcomes

1. This event has successfully aware the students about its role and purpose for the artistic world.
2. Through this student have shown their creativity and ideas for making this event successful.
3. It also develops critical thinking about the artistic challenge and potential solutions for the issues related to our artistic journey.

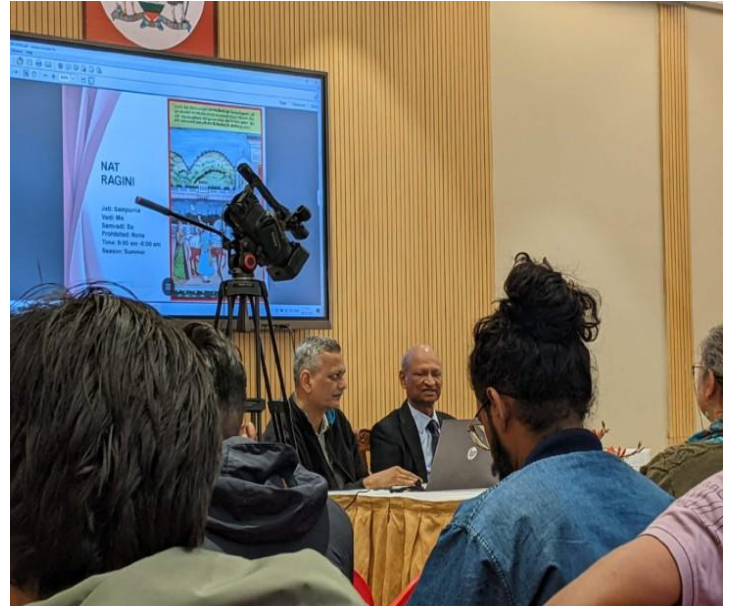

Description of the Event: National Art Camp and Exhibition organized by Camel Art Foundation

Students have been given the topic “landscape painting” Based on themes students have to show their creativity and ideas in the form of a painting (manual).

1. Students of different institutes participated in the Art Camp from 07<sup>th</sup> December to 11<sup>th</sup> December 2023. They made different paintings based on nearby landscape, later were shown during the Art walk. The participants get to interact with great artists, mentors and different art aspirants. We had the opportunity to witness art lectures where we get to know about painting methods and materials. There was the workshop on Miniature painting and watercolor painting by the artist Tilak Gitai and Vishwanath Sable.
2. Painting made by the student of Amity School of Fine Art::

### 3. Pictures of the event:

A Memento was presented to the participating student and to the institute.
