

AMITY INSTITUTE OF APPLIED SCIENCES

Event 2: VOYNET FEST

"exploring science beyond the limits"

1. Brief description of the event:

The plan is to have enriching and fruitful discussion on the latest advancements in science and technology. This event will be conducted in hybrid mode (online and offline) to invite participation of science enthusiasts from across the globe.

The event will have two rounds:

Qualifying Round: In the first round, some scientific video clips will be shown to the participants, and they will be required to guess the scientific phenomena employed in that clip. Shortlisted candidates will be promoted to the next round.

Final round: The second round will be an extempore round on the topics related to recent innovations in science and technology. The participants will have to express their views on it for 2-5 minutes.

2. Eligibility: UG and PG students, University /Institute Identity Card is mandatory.

3. Registration Fee: NIL

4. Date and Time of Event: 25th March 2022 @ 4 PM Onwards

5. Logistics Required: Basic internet, MS Teams app & computer is required.
