Presents

ALL INDIA INTER-INSTITUTIONAL ONLINE QUIZ COMPETITION

9th May 2020

Theme: Covid-19: Challenge for Young Scientists of India!

During the time of lockdown due to COVID19 pandemic, we hope all of you and your families are keeping healthy and safe, and are taking full precautions to protect yourselves from the disease.

Amity Universe accomplishes its vision and mission of by keeping high spirits and providing enlightenment to the education world by proactively imparting online education and learning for students. In the same context we are organizing “All India Online Quiz Competition” on most recent and important Theme- “Covid-19: Challenge for Young Scientists of India!” for organizations/institutions from all over India, in order to get their students involved in constructive learning and healthy competition during this time of COVID19 pandemic.

As we are aware and thorough that; Currently the treatment of Covid-19 is the biggest challenge for the whole Healthcare system. No doubt, we are proud of our Research Capital, particularly in terms of intellectuals, but definitely the Young scientists of India must try on war footing against Covid-19.

This competition is an initiative to bring all budding scientists on a common platform to get sufficiently motivated and join the War against Corona’.
