

Virtual Student Exchange Program

Virtual Student Exchange Program was organized by Amity Business School in collaboration with **‘The University of Winchester, United Kingdom’**. The student exchange program focused on sharing knowledge about sustainability, enhancing students’ understanding of each other’s cultures and ultimately improving the overall personality of students and helping them become future leaders. The inauguration of the program took place on 18th January 2021.

A total of 30 hours of the program were conducted and closing ceremony was held on 23rd February, 2021. This program is under UKIERI – Study in India virtual mobility program and funded by British Council and Ministry of Education, Government of India.
