

Visit of Delegation from Norwegian University of Science and Technology, Norway to AUUP

Delegates from Norwegian University of Science and Technology visited Amity University Uttar Pradesh on 27th January, 2025 for collaboration. The delegation comprised of following:

- **Dr. Øystein Widding**, Founder & Professor, NTNU's School of Entrepreneurship
- **Dr. Vivek Sinha**, Innovation Manager, Department of Industrial Economics and Technology Management in the Faculty of Economics and Management, NTNU
- **Ms. Elisabeth Strand Vigtel**, Counsellor for Science, Technology and Higher Education Innovation Norway, Royal Norwegian Embassy, New Delhi
- **Ms. Eirin Fossberg**, Norwegian Entrepreneur

The meeting was attended by Dr. B.K. Murthy, Dean (Translational Research and Entrepreneurship Development), Dr. Garima Agarwal, Associate Professor, ACED, and Faculty members of ABS - Dr. Ramesh Kr. Bagla, Professor, Dr. Lakhwinder Kaur Dhillon, Associate Professor Dr. Vinamra Jain, Associate Professor.

Agenda for the discussion with the team :

- Collaboration for entrepreneurial ecosystem development.
- Focus on the research areas in the field of entrepreneurship.
- Student exchange and faculty development programmes.
- Opportunities in Entrepreneurship and Innovation

Learning & Operation Outcomes :

- Strengthened partnerships aimed at fostering a robust entrepreneurial ecosystem through shared knowledge, resources, and initiatives.
- Enhanced emphasis on research and innovation in the field of entrepreneurship to address real-world challenges and explore emerging opportunities.
- Establishment of exchange programs for students and professional development initiatives for faculty to promote cross-cultural learning and skill enhancement
- Identification and expansion of opportunities for students and professionals to engage in entrepreneurial and innovative ventures on a global scale.
