

Workshop on “Building Innovative Leaders in Higher Education”

Amity Business School organized a Workshop on the theme “**Building Innovative Leaders in Higher Education**” for Faculty members of Management Domain on 28th March, 2024 from 2.15 pm to 4.30 pm at F-2 Seminar Hall.

The Workshop was conducted by Mr. Rajiv Narang. He is the Founder & Managing Director of Erehwon Innovation Consulting and he has over the last 30 years led the company in becoming the world’s leading Innovation Consulting firm. Recognised as India’s Innovation thought leader, Mr. Rajiv was part of the National Planning Commission Panel to recommend India’s Innovation strategy. With his unparalleled insight into business, social and public service innovation, he has inspired leaders and organizations across cultures and across the world in adopting Orbit-Shifting Innovation.

In his address during the workshop, Mr. Rajiv Narang spoke on Industry expectations and how to make students industry ready:

- Traits to be focussed are Creativity, Innovative mindset, Curiosity, Solution seeking.
- ‘Generative’ culture is needed to encourage initiative and is an important component for success.
- The blockages in our mindset and how we can overcome to be more innovative.
- Ways to generate ideas and find solutions and how same can be taught in classes.

The workshop included various activities and had the active engagement of all the participants.

A total of 40 Faculty members including Research Scholars attended and benefited from the workshop.

Dr. Puja Sareen, Professor, ABS coordinated the workshop.
