

WORKSHOP ON RORSCACH INKBLOT TEST

INTRODUCTION: - Amity Institute of Behavioural Health and Allied Sciences is organizing Two Days Workshop on The Rorschach Inkblot Technique (Exner's system of interpretation). Exner's system is the most comprehensive and easily applicable system of interpreting a Rorschach protocol. It is the latest system and it is most popular amongst various systems of interpretation both at teaching institutions in Clinical Psychology and at hospitals/clinics as well as with practicing mental health professionals. Learning to administer, score and interpret Rorschach Inkblot Technique by Exner's system will be an asset to the mental health professionals both the upcoming as well as practicing professionals.

DURATION AND VENUE: - The duration of the workshop will be for two days i.e. on 24th and 25th January 2008 (from 10.00am-4.00pm). The venue will be AIBHAS, C-Block, III Floor, AMITY UNIVERSITY, Sec-125, Noida, UP.

ELIGIBILITY:-The following candidates will be eligible to attend the workshop:-

- Undergraduate students of psychology
- Postgraduate students of psychology
- M.Phil and PhD Students of psychology
- Mental health professionals (psychiatrists and clinical psychologists)
- Teachers and academicians in psychology

FEES: - The fees for the workshop will be Rs. 1500/- for 2 days which will include catering, workshop bag and photocopy of materials etc.

SCHEDULE:-The topics to be covered will be:-

First Day: 24th January 2008

- The Rorschach Inkblot Technique : the concept, description, significance and its uses and functions
