

# **Global Forensic Innovation Congress (GFIC-2026)**

Theme: “Shaping the Future of Forensics in Digital Era”

16–18 December 2026

## **Accommodation Guidelines for Participants**

Accommodation facilities will be available for outstation participants visiting from outside the Delhi-NCR region, subject to availability. The organizing committee intends to provide accommodation through one of the following options:

- University/College Hostel
- University Guest House
- Nearby Hotel Accommodation (if available)

The exact accommodation allotment will depend upon availability, category of registration, and administrative approval. Detailed information regarding accommodation allocation, charges (if applicable), and check-in procedures will be communicated to registered participants in due course.

Participants who wish to arrange their own stay are free to do so. However, all expenses related to self-arranged accommodation, local transport, and associated services shall be borne by the participants themselves.

### **Important Instructions**

1. Accommodation requests must be indicated at the time of registration.
2. Limited accommodation is available and will be allotted on a first-come, first-served basis.
3. The organizing committee reserves the right to modify accommodation arrangements depending on availability and institutional requirements.
4. Any damage to hostel/guest house/hotel property during the stay shall be the sole responsibility of the participant concerned.
5. Participants are advised to carry valid photo identification proof during check-in.

6. Requests for special accommodation preferences cannot be guaranteed but will be considered wherever feasible.
7. Accommodation support will primarily be extended to delegates, invited speakers, resource persons, and participants traveling from outside Delhi-NCR.
