About Amity

The Amity University is premier Institution of higher education and has been established by an act of State Legislature and recognized by University Grants Commission (UGC), New Delhi, India.

About Institute

Amity Institute of Forensic Sciences, Amity University Uttar Pradesh, Noida, India is a leading premier institute dedicated to nation service. It offers higher education in forensic sciences at three programmes levels: UG-B.Sc.(Hons.) Forensic Science, PG-M.Sc. (Forensic Science) and Doctorate-Ph.D. (Forensic Science), all the courses aim to instill in students professional acumen, skills and capabilities to deal with different areas of life.

The institute is committed to impart education in an extensive Flipped mode encompassing four quadrant approach of Interactive Classroom Teaching. "Amity Institute of Forensic Sciences" an institute of Amity University came into existence by an act under the Amity University (Uttar Pradesh) Act, 2005 and it has also been listed under 'Educational Institutions' in the U.P. Govt. website (<http://www.upgov.nic.in/>). Its main aim is to conduct important professional courses that can ensure employment to passing-out students.. In addition a number of short term training programmes are being offered by the institute. The institute has organized International and National conferences, workshops, seminars and Quiz competitions.

Objective

- To sensitize researchers and students in forensic science and allied sciences research and promote innovation amongst all.

About Mission Shakti

Mission Shakti is an initiative by Govt. of Uttar Pradesh for strengthening Women in state by safeguarding them and sensitizing police and society about their security and interests. Amity University step forward to join the initiative by Hon'ble Chief Minister by organizing a comprehensive discussion by experts on strengthening forensic science in embattling women safety.

Crime against women and children are major challenge to fight with. Despite prodigious efforts, number of cases are on rise. Forensic science is an astute science with an immense potential in thwarting crime. There is an urgent need to unearth all possible prospects and join hands to counterattack this evil and weed it out from our society.
