Theme	THEME 1 - Novel Foods and Novel Food Ingredients		
1st Position	Aditi Sachdeva, Nakul Kumar Bhatia, Prabhat Kumar Singh, Priya Tyagi, Abhay Tiwari, Garima Chouhan	Sharda University, Greater Noida	Edible Seeds of Artocarpus lakoocha as Sustainable Option for Nutraceuticals
2nd Position	Neha Gupta and Anamika Mehta	Sharda University, Greater Noida	Himalayan Gem “Rhododendron arboreum” a potential novel ingredient

Theme	THEME 2 - Valorization of Food By-products		
1st Position	Tanisha Shrivastav, Shreya Jain and Saleem Siddiqui	Sharda University, Greater Noida	Valorization of flowers of Mahua (<i>Madhuca longifolia</i>) for food use
2nd Position (Tied)	Shivani Kohli	Sharda University, Greater Noida	Valorization of waste fruit for producing biofuel (bioethanol) by fermentation and distillation
2nd Position (Tied)	Nikita Singh	Sharda University, Greater Noida	Utilization of fruit waste (banana peels) for synthesis of polymeric film

Theme	THEME 3 - Food for Health and Well Being		
1st Position	Nabam Kuttu, Gunjana Deka, SaziluPul, Himjyoti Dutta	Mizoram University, Aizawl	Development of frozen fried strips from elephant foot yam
2nd Position	Manya Gupta, Mayuri Rastogi	Sharda University	Bioelectrical Impedance Analysis as a prognostic tool of nutrition status analysis

Theme	THEME 5 - Millets - Magical Sustainable Crops		
1st Position	Shreya Jain, Tanisha Shrivastav and Anamika Mehta	Sharda University, Greater Noida	Beneficial effects of fermented foods and beverages developed from millets

Theme	THEME 6 & 7 - Food Regulations and Policies & Food Safety		
1st Position	Sarushi Rastogi, Vasudha Sharma, Vinita Kumari, Farhan Jalees Ahmad	MRIIRS	Colorimetric Detection of Oxytocin in Bottle Gourd Using Cysteamine Functionalized Gold Nanoparticle (Cys-AuNPs)
2nd Position	Aakanksha Yadav, Charu Gupta, Girish Sharma, and Neetu Singh	AIOA	Phytochemical Screening, Antimicrobial and Antioxidant Activity of Processed and Unprocessed Root Extracts of Asparagus racemosus against Plant Pathogens
3rd Position	Tamanna Hussain ¹ , Geetanjali Raikwar ¹ , Arjun Sharma ¹ , Praveen Dahiya ¹ , Sumedha Mohan ^{1*}	AIOA	Effect of Plant Essential Oils on Xanthomonas campestris

Theme	THEME 8 - Sustainable Food Production		
1st Position	Saransh Sahu and Neetu Singh	Amity university	Performance of sustainable IPM components on plant growth parameters and yield of cauliflower
2nd Position	Dr. Archana Singh; Dr. Fazil Hassan	Noida International University U.P Greater Noida	Farmer friendly IPM Module for sustainable production of okra: A success story
3rd Position	Harsha Sejwal, Praveen Dahiya, Sumedha Mohan	Amity University, Noida	Application of fly ash in agriculture: A strategic perspective

Theme	THEME 9, 10 & 11 - Food in Conflict Zone & Emergencies, Exploiting New Interfaces in Food Science and Nutrition & Biodiversity in Foods		
1st Position	Ashutosh Bhushan	Amity University Noida	Food in Conflict zone & Emergencies
