Call for Papers for Special Session on
“Recent Trends in Artificial Intelligence and Image Analytics”

Session Chairs
Prof. (Dr.) Laxmi Ahuja, Dr. Sarika Jain
Amity University Uttar Pradesh, Noida, India
lahuja@amity.edu, sjain@amity.edu

Theme of the Special Session:
Artificial Intelligence in its latest form has emerged out Machine learning (ML) as a widely accepted application. Machine Learning together with the usage of statistical techniques is an interdisciplinary field. The resultant algorithm enables software applications in predicting the outcomes accurately. Data science, on the other hand, employs computer science disciplines like mathematics and statistics and incorporates techniques like data mining, cluster analysis, visualization, and of course machine learning.

Machine learning and artificial intelligence (AI) technology has already been in use to power image analytics. The social landscape grows increasingly visual by the day. Such images help organic reach, or may point to influential partnerships anyone can use to extend that reach even further.

The theme of this session is based on the recent tools, trends and applications of Artificial Intelligence and Image Analytics in various sectors, say it, health, education, cyber, software industry, automobiles and various others.

Topics of Interest: We invite original (un-published) research contributions based on the above mentioned theme including following topics but not limited to:
- Using Image Analytics for various applications
- Recent trends in Image Processing
- Recent trends in Artificial Intelligence
- Machine Learning
- Data Warehouse and Data Mining
- Search Engine Optimization
- Image Analysis
- Applications of Artificial Intelligence and Machine Learning
- Algorithm design for above areas
- Numerical solution to the above mentioned areas

Paper Submission Process
- While submitting your paper you are requested to select “Recent Trends in Artificial Intelligence and Image Analytics” as topic.
- Submit your paper (in pdf format) at https://www.amity.edu/aiit/icrito2020/index.html with a copy of the paper to lahuja@amity.edu and sjain@amity.edu with Paper Id mentioned in the subject line.
