Professor & Dean, Faculty of Science and Information Technology, Daffodil International University, Bangladesh Akhter.hossain@diu.edu.bd

Dr H. S. Sharma

Professor & Vice Chancellor, Himalayan University, Arunachal Pradesh

Theme of the Special Session

Aim of this special session is to provide exposure for presenting and publishing of the research work in the area of AI based applications, IoT and Security. The objectives of this session can be represented as:

- 1. To provide latest innovation and knowledge sharing on AI, IoT and their various applications in different areas with their security.
- 2. To provide international platform for idea exchange among researchers and scholars.
- 3. To publish the research papers in the international proceeding and journals.
- 4. To explore the future research opportunities and open problems.

Topics of Interest:

We invite original (un-published) research contributions based on the above-mentioned theme including following topics but not limited to:

- Data Security
- Internet of things and its applications
- Internet of every things and its applications in different areas
- Artificial Intelligence and control systems
- Emerging Technologies in Data Engineering
- Statistical Modeling and Learning
- Big data management and Intelligent systems
- Mathematical Modeling and simulations
- Data Modeling

Important Dates

Last date for receiving full paper	15/02/2024
Email notification of paper acceptance	20/02/2024
Last date for receiving camera-ready paper	25/02/2024
Last date of registration (Early Bird)	20/02/2024
Last date of registration (With Late Fee)	10/03/2024

Program Committee
