ABOUT ICSS'2024

Amity University is organising its 1st International Conference on Social Sciences (ICSS) 2024 on the theme Navigating Social Landscapes: Exploring Contemporary Issues in the Social Sciences from 5th March 2024 to 6th March 2024, Amity Institute of Social Sciences, Noida.

The International Conference on Social Sciences (ICSS 2024) is a crucial platform designed to bring together a diverse group of scholars, researchers, practitioners, and policymakers. This collaborative forum aims to explore in-depth the complex and ever-changing areas of social phenomena that shape our interconnected world. Given the constantly shifting global landscape, there is an increasing recognition of the critical need to comprehend and effectively address multifaceted challenges embedded within the social sciences.

The conference is a beacon for fostering positive societal change by facilitating in-depth discussions, sharing cutting-edge research, and promoting interdisciplinary collaborations. Scholars converge to explore emerging theories, methodologies, and empirical findings that contribute to a nuanced understanding of complex social issues. As the world grapples with unprecedented transformations, the conference provides a space for dialogue on innovative solutions and strategies that transcend disciplinary boundaries.

The conference emphasises the significance of synthesising insights from multiple viewpoints to build comprehensive approaches to modern societal

challenges in the pursuit of knowledge dissemination. Ultimately, these events serve as catalysts for constructive change, influencing the direction social sciences will take in the future and encouraging a shared commitment to creating a more knowledgeable, just, and resilient global community.
