

## FOUNDER PRESIDENT'S MESSAGE

With the eighth edition of the Amity International Model United Nations (AMIMUN'19) from Friday, the 18th January to Sunday, the 20th January, 2019, Amity aims to consolidate AMIMUN's worldwide recognition and its status as one of the top MUNs across the continent with the participation of delegates from across the world.

With our belief in harnessing excellence in the field of innovative education, whilst keeping the holistic approach intact, Amity strives to make AMIMUN'19 an experience that will uphold the mission of encouraging students to pursue futuristic frontiers with ideas that will change the world. The teaching philosophy of Amity particularly focuses on values and sanskars and also importantly, the understanding for close cross-cultural nuances. We believe that with such ideals, students will truly be able to pursue the path of complete development and grow to become the best example of themselves.

It is my belief that by encouraging students to organize and participate in such events, we push the boundaries of creativity and innovation, and help them in thinking out of the box. At AMIMUN'19, they will participate as diplomats representing members of the United Nations, and simulate various committees, agencies, specific organs, and programmes of United Nations. By immersing their minds in an environment full of ideas pertaining to real issues that the world faces today, students will get a unique opportunity to become familiar with global concerns and the working of the United Nations. Delegates attempt to resolve regional and international problems in a powerful yet engaging manner through this entire process of debate and negotiations.

All participants, from India as well as from diverse regions of the globe such as Indonesia, Russia, Uzbekistan, Nepal, Cameroon, Morocco, Taiwan, South Africa, Bangladesh, and Canada, will find AMIMUN'19 to be a convention where their unique talents and capabilities will contribute towards their professional growth, and would be important for learning that they are capable of creating a world where everyone can lead prosperous and fulfilling lives.

AMIMUN'19 will be a platform for the growth of the youth. As the leaders of tomorrow unite at this conference, they will hone their skills in leadership, teamwork, expository and persuasive writing, debating and negotiations, and learn the significance of these skills for personal development and a successful future.

I convey my appreciation to Dr. Alpana Kakkar, Chairperson, AMIMUN '19 & Deputy Dean, AUUP and the excellent team consisting of its diligent members: Ms. Deviena Srivastava, Secretary General, AMIMUN'19, Mr. Yash Bhati, Director General, AMIMUN'19, Mr. Sreerag Marar, Chef de Cabinet, AMIMUN'19, and the ever-supportive Organizing Committee and students. I also compliment Dr. Balvinder Shukla, Vice Chancellor, AUUP, for all her support and guidance to make this event successful. Further, the continuous guidance and path-showing advice from our visionary Chancellor, Dr. Atul Chauhan has been greatly motivating and inspiring for ensuring the success of AMIMUN '19.

I welcome all the participants and wish them a pleasant stay at our campus. I am confident that they will cherish the uniqueness of this experience of the Amity Universe as they participate in AMIMUN'19.

I wish AMIMUN'19 a great success.

(Dr. Ashok K. Chauhan)  
Founder President, Ritnand Balved Education Foundation (RBEF)  
(The Foundation of Amity Institutions and the  
sponsoring Body of Amity Universities)
