INTRODUCTION

The pace of change has become blisteringly fast. There is technology in everything and everywhere. Every now and then a new technology pops up in the market. Computer Science and Information Technology have a profound influence on all the branches of science, engineering & management as well. Recent technological advances in computing, software and hardware and our dependence on various digital infrastructures have increased the need to reconsider various issues.

Confluence 2013—“The Next Generation Information Technology Summit” is the 4th International Conference focusing on Mega Trends of IT – Social, Mobile, Analytics and Cloud. It is a two-day event jointly hosted by Amity School of Engineering & Technology and EMC Corporation. The event is dedicated to technical symposia, tutorial and workshop sessions. Technical symposia include oral and poster presentation of research papers grouped into parallel tracks. Workshops, tutorials, Keynote talks by experts and panel discussions are also included in the program schedule of the conference.

Confluence 2013 will be held at Amity University Uttar Pradesh, Noida Campus on 26th - 27th September, 2013.

OBJECTIVES

The idea of the conference is to bring the scholars, scientists, industrialists from all over the world in the IT industry to a common platform and achieve the following:

- Compliance designed to empower information technology professionals and students in order to make them understand smart technological trends.
- To offer a strong combination of educational content, a dynamic exhibition of technology providers, and peer networking to IT professionals, so that they can investigate and discover transformative technologies and ideas to put to work across their own domains.
- To get familiar with new challenges, trends and opportunities emerging in Business Intelligence and analytics.
- To identify organization’s adaptability and capability to harness new solutions.

CALL FOR PAPERS

Instruction for Authors:

- Original papers based on theoretical or experimental work related to the below mentioned sub-themes are solicited for presentation in the conference. Simultaneous submissions (papers already submitted to other conferences/journals) are not allowed.
- All papers must follow strict formatting instructions available at: http://amity.edu/gpetpow/conference2013
- Please do not submit plagiarized papers.
- The total length of the paper must not exceed six A4 size pages including bibliography and appendices. Paper must be submitted in PDF format.
- All the papers will be submitted through on-line paper submission process (Easy chair submission system). Authors are requested to follow paper submission link on website (www.easychair.org/account/signin.cgi?conf=conference2013)

COVERAGE

Authors are invited to submit original technical papers in any of the following topics but not limited to:

- Ad hoc and Sensor Networks
- Advance Methods for Data Acquisition
- Algorithms & Techniques
- Artificial Intelligence and Soft Computing
- Autonomic Computing
- Big Data
- Biomedical Engineering and Bioinformatics
- Broadband Communication
- CDMA, TDMA and FDMA air interface
- Circuit Modeling and Scientific Computing
- Cloud Computing, Cloud Security, Privacy and Compliance Challenges
- Communications and Control
- Component based Development
- Computer Architecture and Real Time Systems
- Computer Systems and Networks
- Control Engineering
- Data Communications, Networking and Interconnection Technologies
- Data Optimization
- Distributed & Parallel Systems
- Distributed Architectures and Mechanisms
- E-Learning, E-Commerce, E-Society, E-Business and E-Government
- Electronics Devices / Systems
- Embedded Systems
- Emerging Trends in Information Systems
- Evolutionary Algorithm
- Experiences with Existing Cloud Infrastructure, Services and Uses
- Fuzzy Logic and Circuit Designs
- Game Theory and Wireless Networks
- Geographic Information Systems
- Green Computing
- Green ICT and Clouds - Theory, practice and experiences
- Grid and Cluster Computing
- Health Informatics
- Human Computer Interaction
- Image Processing
- Information and Knowledge Management
- Information Systems & Applications
- Internet and Web Technologies
- Knowledge Discovery and Data Mining
- Mobile and Ubiquitous Computing
- Mobile Computing
- Modeling and Simulation
- Multimedia Applications
- Natural Language Processing
- Network Security & Cryptography
- Numerical Analysis and Circuits
- Operating Systems
- Optical / Quantum Computing
- Pattern Recognition
- Peer-to-Peer (P2P) Systems
- Pervasive Computing
- Real-Time Analysis
- Reliability Engineering and Fault Tolerance
- Remote Sensing & GIS
- Satellite and Space Communications
- Scientific Computing
- Semantic Web
- Service-Oriented Architecture
- Signal Processing
- Software Architecture for Scientific Computing
- Software Engineering and Testing
- Software Security & Risk Management
- Virtual and Overlay Networks
- VLSI / Embedded Systems and CAD/CAM
- Voice and Video Communications Systems
- Web and Internet Computing
- Web Engineering
- Web Mining
- WiMAX
- Wireless Communication
- Wireless Sensor Networks

SPECIAL FEATURES

The presented and registered FULL/SHORT Papers will be published in the IET Digital library and IEEE Xplore.

Best Paper Award: The award for best research paper will be given in the concluding award ceremony of 4th International Conference Conference 2013 - The Next Generation Information Technology Summit.
**WHO SHOULD ATTEND?**

Industry Professionals, Academicians, Students, Research Scientists & Scholars and Consultants may attend the summit.

---

**ACCOMMODATION**

Accommodation can be arranged in the Amity Guest House/ nearby as per the availability, on payment basis for which the organizers shall provide necessary assistance, if informed well in advance on first-come-first-serve basis.

---

**REGISTRATION**

Registration amount includes registration kit, high tea and lunch for both days. Traveling and stay during the conference is not included in the registration fee. Registration fee is non-refundable. Registration fee can be paid online or by draft in favour of “Amity University Uttar Pradesh” payable at Noida.

---

**IMPORTANT DATES**

- Paper Submission deadline: 15th June 2013
- Notification of Acceptance: 30th June 2013
- Camera ready
  - Paper Submission Deadline: 20th July 2013
- Last Date of Registration: 20th July 2013

---

**AWARDS & RECOGNITION**

1. Best Paper Award = 20,000 INR / 500 USD
2. Best Poster Award = 10,000 INR / 250 USD
3. Best Doctorate Award = 50,000 INR / 1000 USD
4. Industry Awards to the trend setter companies in respective domain by leveraging Information Technology.

---

**IMPORTANT**

**COPYRIGHT FORM**: In order to publish paper in the conference proceeding, the authors are required to submit a signed copyright form for each accepted paper during registration.
Patrons

Patron-in-Chief
Dr. (Mrs.) Balvinder Shula,
Acting Vice Chancellor, Amity University Uttar Pradesh, India

Patron
Prof. (Dr.) K. M. Soni,
Deputy Director & Head, Amity School of Engineering & Technology,
Amity University Uttar Pradesh, India

General Chairs
Prof. (Dr.) Abhay Bansal,
HoD (CSE), Amity School of Engineering & Technology,
Amity University Uttar Pradesh, India

Ms. Nidhi Sareen,
Acting HoD (IT), Amity School of Engineering & Technology,
Amity University Uttar Pradesh, India

General Co-Chairs
Ms. Sapna Sinha, Assistant Professor, ASET, AUUP, India,
Mr. Abhishek Singh, Assistant Professor, ASET, AUUP, India,
Ms. Anchal Garg, Assistant Professor, ASET, AUUP, India

Technical Program Committee

Dr. Abder Koucha, Universite de Technologie deBelfort Montbéliard, France
Dr. Ahmed Abdelgawad, Central Michigan University, Michigan, USA
Dr. Ajay Rana, Director, ATP, AUUP
Dr. Anupam Agrawal, IIIT Allahabad, India
Dr. Ashutosh Gupta, NIP Patel HIndu University, Varanasi, India
Dr. E. K. Sharma, IITR, Gruh India
Dr. Deepali Singh, Professor, ABV-IMT, Gwalior
Dr. Deepak Malhotra, Director, IISER
Dr. Dilip Kumar Yadav, IIT, Jodhpur
Dr. Dilip Shama, GLA University, Mathura, India
Dr. Imra J. Rastogi, Chouda University, Hungary
Dr. Isolub Akubor, University of Aveiro, Portugal
Dr. J.S. Sodhi, Asst. Vice President, ARCS Data Systems
Dr. Jacob Engvards, University of Twente, The Netherlands
Dr. Kashi S. Seem, King Saud University
Dr. Lalit K. Awasthi, Director, ABV Govt. Institute of Engg. & Tech.,
Fringinar, Shimla, India
Dr. U. Jiyun, Donghua University, Shanghai, China
Dr. Lingfong Wang, University of Toledo, USA
Dr. Nandini Mittal, ASET, New Delhi, India
Dr. Manivannan Balaji, CSMCIT, Shillong, India
Dr. Mauricio Alegria, IEI, Lisbon, Portugal
Dr. Sunil Kumar Khatri, Director, AIT, AUUP
Dr. V. R. Singh, IEEE Delhi Section, India
Dr. Valentina E. Balas, Aurea University of Iasi, Romania
Dr. Valerio Scardamaglia, Mediterranean University of Reggio Calabria, Reggio Calabria
Dr. Vihnoo Agarwal, Accenture Technology Labs India
Dr. Vinay Rishik, NIP Patel Hindu University, Bareilly, India
Prof. Manoj Wast, IIMT, Allahabad, India
Mr. Mohit Gauri, Co-Founder & CEO, Think Knowledge Solutions LLC, USA
Prof. Jozef Juher, Technical University of Kosice, Slovakia

International Advisory Committee

Dr. Longling Cao, Professor, Advanced Analytic Institute University of Technology, Sydney, Australia
Dr. Wu-Yain Hwang, Professor, National Central University Jhongli City, Taoyuan, Taiwan
Dr. Fradeep Khoda, Chancellor, UC San Diego, USA
Dr. John Mendling, Professor, University of Information Business, Vienna, Austria
Dr. Graham Kendall, Dunford Professor of Computer Science, The University of Nottingham Malaysia Campus, Malaysia
Dr. Matteo Savino, Professor, University of Sannio, Italy
Dr. Kathryn E. Steege, Professor, University of Texas at Dallas, Richardson, Texas
Dr. Shyam Kumar Gupta, Professor, IIT Delhi
Dr. Fami Sadiq, Professor, University of Birmingham, Birmingham, UK
Dr. S. R. Singh, Professor, IIT Kanpur, India
Dr. Fuhua Cheng, Professor, University of Kentucky, Lexington, United Kingdom
Dr. Cristian C. Calude, Professor, University of Auckland, New Zealand
Dr. Ishwar K. Sethi, Professor, Oakland University, Michigan, USA
Dr. Christopher Turner, Cranfield University, Bedfordshire, UK
Dr. Ajoy K. Ray, Vice Chancellor, Bengal Engineering and Science University
Dr. S. R. Ilaa, Vice Chancellor, Manipal University, Manipal, India
Dr. Ram Pratap, Director, Indian Institute of Technology Delhi
Dr. Surendra Pal, President, IETE
Dr. E. K. Murthy, Executive Director, CDAC, India
Dr. Faisal Gupta, Senior Technical Director, National Informatics Center, New Delhi
Dr. Mohan K. Kandallalli, Professor, National University of Singapore, Singapore
Dr. Akhil Kumar, Professor of Information Systems, Penn State University, USA
Dr. Himanshu Pratap, Operation Director, HCL Technologies Ltd, Noida
Dr. Arunava Banerjee, University of Florida, Florida, USA
Dr. Mukesh Mohania, IBM Research Labs, Gurgaon
Dr. Alfredo Vaccarelli, Professor, University of Santiago, Chile

Organizing Committee

International Collaboration Chair
Dr. A. L. H. Rao, Professor, ASET, AUUP, India

Financial Affairs Chair
Dr. Sarika Jain, Assistant Professor, ASET, AUUP, India

Publication Chair
Mr. Sanjay Kumar Dubey, Assistant Professor, ASET, AUUP, India

Registration Chair
Ms. Parul Kataria, Assistant Professor, ASET, AUUP, India

Local Arrangement Chair
Mr. Rana Majumder, Assistant Professor, ASET, AUUP, India

Event Management Chair
Ms. Seema Sharma, Assistant Professor, ASET, AUUP, India

Technical Sessions Chair
Mr. Naresh Narayan, Assistant Professor, ASET, AUUP, India

Publicity Chair
Mr. Arun Prakash Agarwal, Assistant Professor, ASET, AUUP, India

Sponsorship Chair
Ms. Seema Rawat, Assistant Professor, ASET, AUUP, India
Ms. Shalini Seth, Assistant Professor, ASET, AUUP, India

Media Management Chair
Ms. Sandeep Gupta, Assistant Professor, ASET, AUUP, India

Industry Award Chair
Mr. Arun Prakash Agarwal, Assistant Professor, ASET, AUUP, India

Poster Session Chair
Mr. Abhishek Singh, Assistant Professor, ASET, AUUP, India
Amity University Uttar Pradesh, Noida, India is a leading education provider in India with 29 campuses across India and offers 240 programmes. It has more than 4,000 faculty and 95,000 students studying in various disciplines from undergraduate to Post-Doctoral levels. Its campuses are spread across National and International locations with campuses in London, New York, Singapore, San Francisco, Dubai, Romania, Taiwan and Mauritius.

Amity University has to its credit prestigious National and International recognitions and accreditations which are the testimony of Amity's adherence to global standards. It has received the ACBSP (USA), a global business accreditation for management degrees. Amity University Uttar Pradesh, Noida which became the first Indian University to become the IET’s Academic Partner, and to receive the prestigious IET UK Accreditation for its B.Tech programmes, is accredited with Grade 'A' by National Assessment and Accreditation Council (NAAC) India.

Amity has provided 5,000 on campus placements this year 2012 and over 47,000 placements over the years. Distinguished academicians of Amity comprise of leading professionals from corporate world, researchers and scientists who have filed over 400 patents, authored over 250 books and published 3,000 papers.

Amity has Research Collaboration and Partnership with 80 Global Universities. Because of the extensive research focus, Amity has also been recognized as “Scientific and Industrial Research Organization” by the Ministry of Science and Technology, Government of India.

Amity School of Engineering and Technology (ASET), one of the pioneer institutions in the field of Engineering, Research and Technology, organizing its 4th International Conference: Conference 2013 - The Next Generation Information Technology Summit on the theme S.M.A.C. (Social, Mobile, Analytics, and Cloud), Conference 2013 intends to bring together professionals, academicians, industry experts, researchers and enthusiasts to discuss various emerging trends and innovations, share research results and new directions in the field of next generation technologies. This technical conference aims at providing a platform for industry and academia for sharing advancements in research and development in upcoming areas of Information Technology.
