Important Guidelines for Authors/Delegates

Technical Guidelines

- The paper should be a minimum of 8 to 10 pages. An additional charge of Rs. 1000/- per page will apply for any pages beyond the 10-page. The maximum page limit is 12 pages.
- Incorporate all the suggestions as suggested by the reviewers (if any), in the Camera Ready Paper.
- It is planned to publish the peer reviewed and selected papers of conference as proceedings with Springer in their prestigious “Lecture Notes in Electrical Engineering” series (<https://www.springer.com/series/7818>).
- For detailed instructions for author and editors of conference proceedings, kindly visit the following link: <https://www.springer.com/us/authors-editors/conference-proceedings>. Select papers from the conference will be published by Springer as a proceedings book volume.

Registration Guidelines

- Each paper, in order to be published in the conference proceedings and final program, requires at least one author to be registered.
- If multiple authors of a paper wish to attain separate certificates, separate registration is mandatory for each author under the category “Co-Author Additional Certificate”.
- If an author has got more than one accepted paper, each paper has to be registered separately.
- This is obligatory to present the paper during conference
- Digital Certificate will be provided to the author registered for the online mode.
- Only registered authors can participate in the conference and present their papers.
- In case the registered author is unable to present the paper, another co-author can present (With prior intimation). In such cases a certificate and registration kit will be provided to the presenter only.
- For registration, only full time scholars and students will be considered as student. Students should send the scanned copy of the Identity Card along with the registration form.

No Refund Policy

1. Once registration has been done, no amount will be refunded under any circumstances.
2. No refund will be given if paper has been cancelled due to plagiarism at any level.
3. No refund will be given if paper has been registered and not presented in the conference.
4. No refund will be given if paper has been rejected by publisher at any stage.
5. Springer will conduct quality checks on the accepted papers and only papers that pass these checks will be published.
6. Abstracts/extended abstracts and short papers (less than 4 pages) are not considered for publication.(SCOPUS INDEXED)

I on behalf of all my co-authors confirm that no third-party material has been used in the manuscript.

I on behalf of all my co-authors would submit duly signed permission for any third-party content if found to be used in the manuscript.

I hereby confirm that I have read all the above-mentioned policies/guidelines for registration in confluence2026.
