ABOUT THE SESSION:

A Panel Discussion session was organised on 30th July, 2022 to help students interact and engage with industry and alumni on the theme- “Future Job Roles and Skill requirements in the ever-evolving fashion industry and expectations from young fashion professionals”

It is generally observed that students have a lot of queries related to their career progression. They want to know regarding the opportunities available in the industry and how to enter their chosen field of career. The session was an awareness session to inform students about the job roles that are now available due to the changed scenario that has resulted due to Covid 19 and Industry 4.0. They were also informed about the skills and competencies that are most important for working in the industry. Interaction with industry/alumni helped them in understanding how they can prepare better for roles in the industry

Major points discussed:

- 1) Journeys of all the panellists
- 2) Their college experience
- 3) Importance of learning new skills and softwares
- 4) Research work
- 5) Importance of internships
- 6) Starting own venture
- 7) Upcoming careers
- 8) Keeping up with fashion trends
- 9) Career options in retail
- 10) Continuous skill upgradation
- 11) Resolving doubts and queries
