The guests emphasized on importance of Digital Wellbeing of Women and development made so far in the field.

A panel Discussion was also held on the above theme moderated by Prof. (Dr.) Shefali Raizada, Addl. Director, Amity Law School, Noida with distinguished guests Smt. Deepti Rawat Bharadwaj, National General Secretary, Women's Wing, BJP and Ms. Reema Kundu, DGM, India Engineers Limited.

#### *Introduction:*

The rapid advancement of technology has brought about unprecedented opportunities for societal progress, and yet, a persistent gender gap persists in the digital realm. To address this, a panel discussion on "Empowering Women in the Digital World" is proposed. This event aims to shed light on the challenges women face in the digital space and explore strategies to foster inclusivity, leadership, and innovation for women in the digital era.

#### *Objectives:*

1. **Highlighting Challenges:** Identify and analyze the specific barriers and challenges that hinder women's full participation in the digital world.
2. **Showcasing Success Stories:** Share inspiring stories of women who have excelled in various facets of the digital landscape, serving as role models for aspiring professionals.
3. **Advocacy for Inclusive Policies:** Discuss policy frameworks and initiatives that can promote equal opportunities and create a conducive environment for women in the digital sector.
4. **Skill Development and Mentorship:** Explore avenues for skill-building and mentorship programs that empower women to excel in digital careers and entrepreneurship.

#### *Outcomes:*

- Increased awareness of the challenges and opportunities for women in the digital world.
- Concrete strategies and recommendations for promoting gender inclusivity in digital spaces.

- Inspiration and motivation for women to pursue and excel in digital careers and entrepreneurship.

**Conclusion:**

The panel discussion on "Empowering Women in the Digital World" aimed to foster a constructive dialogue on how we can collectively work towards a more inclusive and equitable digital landscape. By addressing the challenges and celebrating the successes of women in the digital realm, we aspire to create a future where every woman has the opportunity to thrive and lead in the digital world.
