## **HEALTHY FOOD CHOICES**

### **Healthy and affordable food choices in the year 2022.**

Amity University cafeterias not only serve the best of menus but are also proficient in giving them the best of prices to enable the students to get the ideal choices at the most competitive rates.

Amity University has a body “**Cafeteria Management Committee**” whose meetings are held periodically to monitor the quality and prices.

The Committee includes all Cafeterias representatives, Administration reps, Amity Faculty, QAE staff and feedback is also obtained through Amizone from the students through their suggestions an all-round perspective of the quality of food is obtained.

QAE submits periodic feedback to all concerned to bring up the routine quality and required checks in the existing system.
