### 8. Brief writeup (200-300 words) about the activity conducted:

We celebrated international tiger day on 27<sup>th</sup> July 2023. On this occasion we organized events to raise awareness among Amityans and support the cause of tiger conservation which plays a critical role in promoting a global system for protecting the natural habitats of the tiger. We conducted three activities i.e., Wildlife Poster Competition, Wildlife Quiz Competition and guest lecture by Dr. Kaushik Banerjee Senior Scientist, National Tiger Conservation Authority (NTCA), Govt of India. Event wise information are given below:

1. **Wildlife Poster Competition:** The theme for the wildlife poster competition was “ In-situ Conservation of Tiger”. 55 students from different institutions of Amity University, Noida participated in the poster competition and drew posters within the theme. Some students participated alone while other students participated in a group to make the posters. They included different aspects of tiger conservation i.e., habitat, prey, and poaching.

2. **Wildlife Quiz competition:** Likewise, the poster competition total 55 students from different intuitions of Amity university, participated in the Quiz competition. In the quiz competition a total of 20 objective questions were asked and each question had four options to choose the correct answer. During quiz competition 45 seconds were provided to answer each question. The faculty co-coordinator displayed every question on the whiteboard and participant answers the questions and marked the appropriate option on the Quiz competition sheet.

**3: Guest Lecture:** On the occasion of International Tiger days 2023, Dr. Kaushik Banerjee senior Scientist from National Tiger Conservation authority, delivered a lecture on “50 Years of Tiger conservation in India”. He highlighted the effort of the National Tiger Conservation Authority after the establishment of Tiger Project in 1973. He discussed how Government, Scientific institutions and NGOs work together to protect the tiger in India. He also discussed the day and night patrolling by frontline staff of Forest departments. At the end of his talk several students of the Bachelors and master’s program (Mr. Prajwal, Mr. Ashutosh, Mr. Yatharth, Ms. Natasha, Ms. Aesha) interacted with Dr. Banerjee and discussed several National issues for Tiger conservation.

At the end of program Dr. Janmejy from AIFW facilitated by Amity University Memento and Dr. Ajay Gave vote of Thanks.

**Evaluation of the poster and quiz competition:**

Evaluation of the wildlife poster and quiz competitions were done by experts. Judges evaluated the posters, based theme for the competition i.e., in situ conservation of the Tiger.
