

Guidelines for Competition		
1.	Name of Competition	“Lens for Nature”
2.	Host Institute	Amity Institute of Environmental Sciences and Amity Institute of Forestry and Wildlife
3.	Brief Description of Competition	<p>The "Lens for Nature: Capturing Environmental Essence" photography competition is an engaging and visually captivating event that invites students from Natural Resources and Environmental Sciences, as well as photography enthusiasts, to showcase their artistic prowess through the lens. This competition encourages participants to explore the intersection of art and environmental awareness by capturing the intrinsic beauty of nature and the pressing issues related to environmental conservation.</p> <p>Participants are tasked with using their photography skills to tell a story, convey a message, or evoke emotions related to the natural world. The emphasis is on highlighting the essence of the environment, from landscapes and wildlife to the impact of human activities on ecosystems. The competition promotes the idea that visual storytelling can be a powerful tool in raising awareness about environmental issues and fostering a deeper connection with nature</p>
