

# CONVOCATION

---

## VISION

“ To be the most preferred global university for providing value-based quality education in a research driven innovative environment that continuously adapts to meet the evolving needs for sustainable nation building. ”

---

## Message by the Founder President

It is my obsession, junoon, and one of the missions of my life that the potential of each one of my students and alumni develops to the fullest. It is always my continuous endeavor to look for new findings, gather experiences and do research to fulfill my above dream.

My dear alumni, I wish to share with you, that if I have achieved any success in my professional career, entrepreneurial career and personal life, it is all because of my uncompromising urge to attain the highest success in whatever I pursue.

You, my dear alumni, have been my students for many years; have taken breath in an environment, in the air, which has given you the utmost urge to have distinguished identity in your professional/ entrepreneurial and personal career.

It is very easy to reach to the pinnacle of success-for that, you have to dream big, dream with open eyes and make a roadmap to reach such great heights. That is all. But one thing, while pursuing your mission and goal, you should not deter from your path, no matter, whatever challenges, adversities and difficulties come in your way.

I am confident that having the genes of your worthy grandparents and parents and other noble senior blood relations and having inherited their values and sanskars and this coupled with education of Amity, where the power of Brahmastra "Behavioral Science" has been instilled in you, I am sure each one of my alumni would make a success story and thus, would become pride for their family, for Amity and for the whole nation and would contribute tremendously in making India a Superpower.

My blessings would always remain with you and your family.

**Dr. Ashok K. Chauhan**

Founder President,  
Ritnand Balved Education Foundation (RBEF)

## Message by the Chancellor

It gives me great pleasure to congratulate the students of Amity University Patna who are graduating as part of the Class of 2023. A convocation is one of the milestones in life one never forgets, and I am sure you will share the immense feeling of pride and happiness with us and all your family members, friends and colleagues.

As an Amitian never forget the great sacrifices your family and faculty have made to give you the best possible education. It is now your responsibility to do your best possible to give back to society and make them all proud. I express my sincere appreciation to all the faculty and staff of Amity University, for assisting you on your educational and life journey during these defining years, and for continuing to make this University a place of excellence and fine achievements.

We are here because of the vision that our Founder President Dr. Ashok K. Chauhan had and the passion and junoon with which he has brought together the best people and led them to ensure that Amity offers transformational education to brilliant young achievers who will go further to improve society.

Today, as you receive your degree, you will hold in your hands the key to the door of your future professional success. As future leaders, I trust that the leadership qualities that you demonstrate will reflect the values that you have nurtured during your years at Amity. These values not only ascribe to the highest levels of academic distinction but also inspire you to follow a lifelong pursuit of excellence. They also make you a better human being, rendering selfless services to your Country, society and humanity.

Congratulations once again. Always remember we are family for life. I look forward to meeting you in the future and sharing the stories of your success and happiness. We are always there for you.

## Message by the Sr. Vice President, Amity Education Group

We started our exciting journey in 2017 when we laid the foundation of Amity University Patna, with the blessings of our Hon'ble Founder President, Dr. Ashok K. Chauhan and Respected Chancellor, Dr. Atul Chauhan. It is a matter of esteem, privilege and honor for Amity Education Group to participate in the progressive development of Patna, through development of sprawling campus of Amity University within the vibrant and prestigious city of Patna.

Amity University Patna promises to provide an academic environment favorable to higher learning with a focus on acquisition of domain knowledge, professional skills and nurture an attitude conducive to entrepreneurship, employability, and career progression. The journey was successful because of the overwhelming support and faith of the parents, beloved students, faculty members, colleagues, and government authorities. I sincerely acknowledge and thank those who believed in us. All have played a vital part in celebrating our achievements today.

Convocation ceremony is a special day in the academic life of students as after years of hard work and dedication, they get their hard-earned education degrees. It gives me immense pleasure and pride to share this momentous occasion with you, your family, your mentors and your faculty.

Today is a special day, as you will receive your degrees. Your achievement is testimony to your hard work and dedication. As an Amitian, always acknowledge the sacrifices made by your family to give you world class education and array of opportunities.

Our Hon'ble Founder President Dr. Ashok K. Chauhan has always envisioned excellence, perseverance and dedication in field of higher education. His passion and junoon has inspired us to maintain the highest standards of education and take Amity University Patna to pinnacle of success. We expect all of you to take his vision forward and bring positive changes in the society.

Brand "AMITY" has set new milestone in the field of higher education under the guidance of our exemplary and dynamic leader Dr. Atul Chauhan. His farsightedness, unparalleled visionary guidance and strategic approach has enhanced the image of the brand not only in India but also globally. Always remember, even if you have become alumni today, but you are part of your extended Amity family. Amity is and will always be proud of you.

**U. Ramachandran**

## Message by the Vice Chancellor

It is with great pleasure and pride that I extend my warmest congratulations to each and every one of you on this momentous occasion of the convocation for Class of 2023. Today marks a significant milestone in your journey - a culmination of years of dedication, perseverance, and hard work.

I am privileged to witness the transformative power of education firsthand. Your achievements stand as a testament to your unwavering commitment to excellence, and I have every confidence that you will continue to make remarkable contributions to society.

This convocation is not just a celebration of academic success, but also a testament to the values of integrity, leadership, and innovation that we strive to instill in every student. As you step out into the world, equipped with knowledge and skills, I urge you to embrace the challenges that lie ahead with courage and determination.

The vision of Hon'ble Founder President Sir and Hon'ble Chancellor sir is our guiding light towards making success stories out of every student, and this day marks another important day in our constant pursuit towards achieving the same.

Remember, the journey of learning does not end here; it is a lifelong pursuit. Stay curious, remain open to new ideas, and never cease to pursue your passions.

To our esteemed faculty and staff members of Amity University Patna, I extend my heartfelt gratitude for your dedication and mentorship. Your guidance has been instrumental in shaping the minds of our graduates and imparting them with "education for life".

To the families and friends who have supported our graduates every step of the way, your love and encouragement have been invaluable. Today, we celebrate not only the accomplishments of our graduates but also the unwavering support of those who have stood by them, particularly the parents.

As you embark on this new chapter of your lives, may you continue to uphold the values and Sanskar and strive for excellence in all your endeavours.

Congratulations once again, and may your futures be filled with success, fulfilment, and boundless opportunities.

My Best Wishes!

**Dr. Vivekanand Pandey**

## AMITY EDUCATION GROUP - TRANSFORMING THE INDIAN EDUCATION LANDSCAPE

The Amity Group, today, has over 2,00,000 students studying across 12 universities in Noida, Gurugram, Greater Noida, Lucknow, Jaipur, Mumbai, Gwalior, Kolkata, Raipur, Ranchi, Patna, Mohali and 28 schools and preschools, offering 400+ programmes. It not only has a national presence spread across 23 Indian states but has established 16 global campuses spanning over London, New York, Singapore, Dubai, Abu Dhabi, Sharjah, San Francisco, Singapore, Mauritius, Amsterdam, Tashkent and South Africa.

Right from its inception, Amity has been focused on raising overall standards at par with the best in the world and by putting greater emphasis on research, innovation, and employability. Its diverse and far reaching endeavors in the field of education, have led to its flagship University, being ranked among the top 3% universities globally by QS and THE (the world's leading university ranking organizations).

The flagship university has also been ranked among the top global universities by Times Higher Education, UK for producing the most employable graduates in a survey conducted among 11,000 employers worldwide – a testimony to Amity's exemplary record of campus placements. Amity has also set a new standard of academic excellence in India by becoming Asia's only not-for-profit university to be awarded US Regional Accreditation as well as India's only university to be accredited by the UK's Quality Assurance Agency for Higher Education. Today, the Amity faculty, comprising leading scientists and researchers have filed more than thousand

patents - by far the highest number of patents filed by any individual Indian institute. In the field of management, the university has developed more than 4,200 case studies in recent years that have been bought in 110 countries by over 2,600 leading institutions and organizations. During the past 30 years in education, the brilliant faculty of the Amity Universe have published over 35,000 research papers and authored over 900 books. Such initiatives have led to Amity being listed as one of the top universities with innovation achievements in India by ARIIA (Atal Ranking of Institutions on Innovation Achievements).

The university has also pioneered the concept of industry-led institutions where leading organizations such as the multinational conglomerate Tata, the UK's Royal Institution of Chartered Surveyors and the Confederation of Indian Industry (CII) have set up institutions in partnership with Amity on campus. Attracting some of the most brilliant students, Amity has instituted India's largest private scholarship programmes, benefitting over 30,000 students. These students are blazing a trail of success, having filed over 673 patents and authored 4,260 Publications and also initiated 185 student start-ups. The University has taken key initiatives such as Employability Skill Building Workshops to raise student employability quotient, Study Abroad Programme to develop a global exposure, on-campus Incubators to hone entrepreneurial skills, and a multi-dimensional exposure to diverse disruptive technologies.

AWARDED AS BEST PRIVATE UNIVERSITY OF BIHAR  
BY  
NATIONAL HUMAN RESOURCES DEVELOPMENT (NHRD)

## THE ACADEMIC LANDSCAPE

Amity benchmarks only against the best universities around the world. Amity's faculty and senior team members travel all over the globe to imbibe the best practices, so that students get the best environment to pursue their dreams.

Amity University Patna has state-of-the-art labs and Moot Court, where students experiment and apply the theoretical principles they have learnt in the classroom. Along with advanced labs for Engineering, there are also new age Learning Studios for Mass Communication, Social Sciences and Fine Arts. The Library has over ten thousand volumes on diverse topics; the library is also enriched with thousands of online research journals, and a unique digital version of the library, which can be accessed by the students. The students can access various electronic information resources from online database journals, case studies, and reference and research materials. The library has two distinct sections, one that fosters collaborations and exchange of ideas among students as well as faculty, and another that facilitates concentrated and undisturbed study. In order to ensure the seamless interaction and communication beyond classrooms, the students and the faculty members are also provided with easy access to our one of the most hi-tech and advanced intranet portal "AMIZONE".

The campus offers an expansive auditorium, seminar halls, conference rooms and modern digital classrooms. The facilities within the campus have been specially designed to enable live telecasting. They are fully-equipped with all necessary infrastructure including high-tech A/V equipment, capable of handling large

audiences and complex simultaneous programme schedules. The cafeteria has been designed keeping in mind the vibrant and innovative cultural ethos of the campus. The cafeteria has carefully curated menus designed by a team of professional dieticians, which ensures that everyone benefits from nutritious and wholesome food, and a well-balanced diet.

The air-conditioned campus is accompanied by various advanced facilities, for enhancing the experiential learning and holistic growth of the students.

Moot court is one of the most exciting activities for law students. The proceedings in a moot court mirror real-life court proceedings.

The Legal Aid Clinic is crucial to the training of future lawyers. It gives the budding lawyers a platform to students to learn and comprehend the law thereby benefitting the society.

The Language Lab provides with digital English Laboratory tools designed exclusively according to the needs of students.

The Amity Innovation and Incubation Centre (AIIC) at AUP is the perfect breeding and nurturing ground of new age entrepreneurs and innovators matched with perfect mentorship to support them in conceptualising and operationalising their ideas and innovations, particularly in the field of Science & Technology, Artificial Intelligence and Software Development.

Various students clubs at the university are an instrument to develop student skills other than academic abilities in different areas.

## THE RESEARCH DIASPORA

Amity University Patna has emerged as a dynamic platform for scientists, researchers, and academicians to transform their ideas into success, and to fully-develop their potential. Bringing together this vast community of scholars for cutting-edge research, Amity University has further reinforced its commitment to positively impact India's development and strengthen our nation's global image. The campus is home to some of the best research minds who are continuously working on Government funded projects and consultancy like SERB-CRG, Indian Council of Historical Research (ICHR), Govt of Bihar and many other national and international bodies.

The curriculum at Amity University Patna as well as the entire academic and experiential ecosystem, has been designed to promote research amongst students and encourage research as a career option. Amity University Patna is also deeply committed to faculty improvement and development, and puts great emphasis on faculty development programmes, international and national conferences, seminars and workshops. Amity University Patna also has a special Evaluation Board, which reviews the performance of faculty members in terms of class performance, research projects and publications with a special focus on SCOPUS and ELSEVIER indexed publications.

## INDUSTRY LINKAGES

The Corporate Relations Centre at Amity University Patna is committed to bringing the industry and academia closer, so that students gain insights from both academic experts and industry leaders. Along with facilitating a more holistic development of students, it encourages them to actively participate in various real-life scenario events, where they get the opportunity to formulate strategies, and interact closely with industry, while creating a stronger platform for their summer internships and final placements.

The Cell also organizes Counselling Sessions for students and helps them to choose a career that is best suited to their aptitude and interests. Amongst various activities and initiatives, the Cell organizes CEO Forums, Alumni forums, Live projects, Industry visits, Pre-placement talks and more. The result is that Amity students have much greater interaction with the industry and the corporate world than other institutions, a key reason why Amity is consistently ranked at the top. The Cell acts as a powerful interface between academia and industry, boosting engagement, interactions, and industry experiences, while gaining a better understanding of industry needs.

An important part of the Amity Patna experience for students is building their confidence, so that they excel in interviews and group discussions. The Industry Interaction Cell covers key aspects such as interview preparation techniques, success dressing, body language, non-verbal communication, dealing with difficult questions, business etiquette, and also how to win group discussions and confidently speak extempore.

**Subject -** Regarding formation of incubation center in your institution to promote innovation and entrepreneurial ecosystem in your institute and surrounding areas.

**Dear Sir/Madam,**

Congrats from Department of Industries, Government of Bihar!

We are delighted to propose the formation of incubation center in your premier institution to boost the innovation and startup ecosystem in your institute as well as in the surrounding areas in a Hub and spoke model.

Bihar Startup Policy - 2022 envisages that incubation centers are crucial for nurturing promising start-ups of the state. Incubation centers provide access to product development support, mentoring network, market network, shared physical infrastructure, etc. to the start-ups.

During the Bihar Startup Fund Trust meeting held on 10.10.2022 chaired by Shri Vinod Kumar, IAS, Development Commissioner, Govt. of Bihar, it was decided that Incubation centers shall be formed in premier educational institutes of Bihar such that they can hand-hold/startups for startups of Bihar for further nurturing and scaling up.

During the Bihar Startup Fund Trust meeting held on 10.10.2022 chaired by Shri Vinod Kumar, IAS, Development Commissioner, Govt. of Bihar, it was decided that Incubation centers shall be formed in premier educational institutes of Bihar such that they can hand-hold/startups for startups of Bihar for further nurturing and scaling up.

Bihar registered startups may choose the incubator as per their requirements and proximity. It was decided that a financial assistance of Rs. 2,00,000/- (Rupees Two Lakhs only) will be given to the incubation center if the incubated startup has received a funding of Rs. 10,00,000/- (Rupees Twenty Lakh only) or above from Angel Investor/VCs as per the guidelines of BSIF.

Department of Industries will also conduct various startup and entrepreneurship related events and activities in collaboration with the incubation center time to time for entrepreneurial promotion and awareness.

Kindly let us know your views and intend to move further in this direction.

## BUSINESS RESEARCH METHODS & REPORT WRITING

8th- 16th Sep. 2022

### STUDENT DEVELOPMENT PROGRAM

**OBJECTIVE**

Research methodology gives research legitimacy and provides scientifically sound findings. A workshop can introduce a new concept, spurring participants to investigate it further on their own, or can demonstrate and encourage the practice of actual methods. It's a great way to teach hands-on skills because it offers participants a chance to try out new methods and stay in a safe situation.

**CHIEF PATRON:**
