AISHE CODE OF THE UNIVERSITY : U-0964

About Amity Education Group & Amity University Patna

Amity University Patna is one of the latest proud additions to the legacy of the 25 years old Amity education group (under the aegis of Ritnand Balved Education Foundation), a not for profit education trust) wherein 1,75,000 students are pursuing over 400+ programs from nursery to Ph.D. in 12 Universities in different states of India, 28 Pre-schools & Schools, 11 Global Campuses and 150+ institutions, thus offering all the advantages of an established group with rich experience. Amity University has consistently ranked among the top universities across globe.

Amity University has been conferred upon various Awards, Accreditations and Reconitions including the prestigious **“Questel IP Excellence Award 2022”**, for creating incredible Intellectual Property and in recognition of its remarkable achievements and efforts in the field of research and innovation and also the university has been ranked among the top 3% universities globally.

Amity University Patna (AUP) has been established on August 23, 2017 under an Act (At no. 20 of 2013), of Legislature of the State of Bihar and a Bihar gazette notification with regard to its establishment. Sponsoring body of Amity University Patna is Ritnanad Balved Education Foundation (RBEF), New Delhi, a society registered in 1986 under the Societies Registration Act, 1860. The University is duly recognised and enlisted by UGC under 2(f) and empowered to award degrees under section 22 of the UGC Act 1956.

RBEF is engaged in the field of education for the last 35 years and is running a number of educational institutions under the name of ‘Amity Institutions’ which are imparting quality education in the disciplines like Management, Science, Engineering & Technology, Law, Humanities, Social Science & Arts, etc.

Welcome to the world of Amity University Patna where knowledge, discipline and recreation come together! The center of learning set at the strategic location in Bailey Road Patna, offers its students a campus for their superlative development, the strategic location of the university gives students immense exposure and convenience in terms of academic pursuits, commuting, leisure, security and accessibility. The campus is also close to the airport and other modes of transportation.

With a vision to be a global university and provide value-based contemporary education with a thrust on innovation, research and productivity blended with modernity and tradition, AUP is marching towards the pinnacle of academic excellence and success.

Taking up the challenges of the present global education era, AUP with more than 1600 students pursuing various programmes, holds a mission to prepare future global leaders by providing an environment of excellence in academics, research, Technology driven and field-based learning, cross cultural exposure, holistic development and also enabling them with a commitment to social and environmental responsibility.

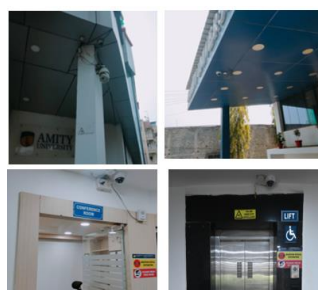

Academic programs at Amity University Patna (AUP) cover a wide range of disciplines. The University offers postgraduate and undergraduate degrees in over 18 programs ranging from traditional courses in Engineering, Management, Mass Communication, Law, to unique programs in Information Technology in 08 schools/ departments to name a few.

AUP is fortunate to have the best of qualified and dedicated faculty as well as staff members who are domain leaders and also engages about several distinguished visiting members of faculty to provide quality education.

The University is 24x7 Secured Campus with trained and profesional security Guards and IP enabled cameras covering the entire campus and a dedicated camera monitoring personell of the University . The intellectually stimualting environment of the universirty is combined with a a barrier free cum assistance ready environment for specially abled/divyangjan.

(Security Guards)

(IP enabled CCTV Camera & 24x7 Monitoring)

Amity University Patna has **state-of-the-art labs and Moot Court**, where students experiment and apply the theoretical principles they have learnt in the classroom. Along with **advanced labs for Engineering**, there are also new age Learning Studios for Mass Communication, Arts and Lanaguage Labs.

The **Library has over ten thousand volumes on diverse topics**; the library is also enriched with thousands of online research journals and a unique digital version of the library, which can be accessed by the students. The Students can access various electronic information resources from online database journals, case studies, and reference and research materials.

In order to ensure the seamless interaction and communication beyond classrooms, the students and the faculty members are also provided with easy access to our one of the **most hi-tech and advanced intranet portal "AMIZONE"**.

The campus offers seminar hall, conference rooms and modern digital classrooms. The facilities within the campus have been specially designed to enable live telecasting. They are fully-equipped with all necessary infrastructure including high-tech A/V equipment, capable of handling large audiences and complex simultaneous programme schedules.

- The **state of Art infrastructure** of the campus is accompanied by various advanced facilities, for enhancing the experiential learning and holistic growth of the students.
- The **Moot court** is one of the most exciting activities for law students. The proceedings in a moot court mirror real-life court proceedings.
- The **Legal Aid Clinic** is crucial to the training of future lawyers. It gives the budding lawyers a platform to students to learn and comprehend the law thereby benefitting the society.
- The **Language Lab** provides with digital English Laboratory tools designed exclusively according to the needs of students.
- The **Amity Innovation and Incubation Centre(AIIC) at AUP** is the perfect breeding and nurturing ground of new age entrepreneurs and innovators matched with perfect

mentorship to support them in conceptualising and operationalising their ideas and innovations, particularly in the field of Science & Technology, Artificial Intelligence and Software Development. It has been approved by the Department of Industries, Government of Bihar for Startups and innovations.

- Various **student clubs** at the university are an instrument to develop student skills other than academic abilities in different areas.
- The **cafeteria** of the university has been designed keeping in mind the vibrant and innovative cultural ethos of the campus.

RESEARCH AND DEVELOPMENT ACTIVITIES

Right from its inception, Amity University Patna has given greater thrust to Research & Innovation in order to be in the forefront of the National vision of developed India.

The University Patna has emerged as a dynamic platform for scientists, researchers, and academicians to transform their ideas into success, and to fully-develop their potential. Bringing together this vast community of scholars for cutting-edge research, Amity University has further reinforced its commitment to positively impact India's development and strengthen our nation's global image. The campus is home to some of the best research minds who are continuously working on Government funded projects and consultancy including Indian Council of Historical Research (ICHR), Govt of Bihar and many other national and international bodies.

The curriculum as well as the entire academic and experiential ecosystem, has been designed to promote research amongst students and encourage research as a career option. Amity University Patna is also deeply committed to faculty improvement and development, and puts great emphasis on faculty development programmes, international and national conferences, seminars and workshops. Amity University Patna also has a special Evaluation Board, which reviews the performance of faculty members in terms of class performance, research projects and publications with a special focus on SCOPUS and ELSEVIER indexed publications.

ACTIVITIES UNDERTAKEN BY CENTERS OF EXCELLENCE.

Amity Innovation & Incubation Centre (AiiC) have undertaken following events:

Amispradha 2.0 (A Techno-Science Festival): The participants were given a real time problem faced by the society and they have to propose the solution for those. The Novelty and the feasibility was few characteristics on which those project were evaluated.

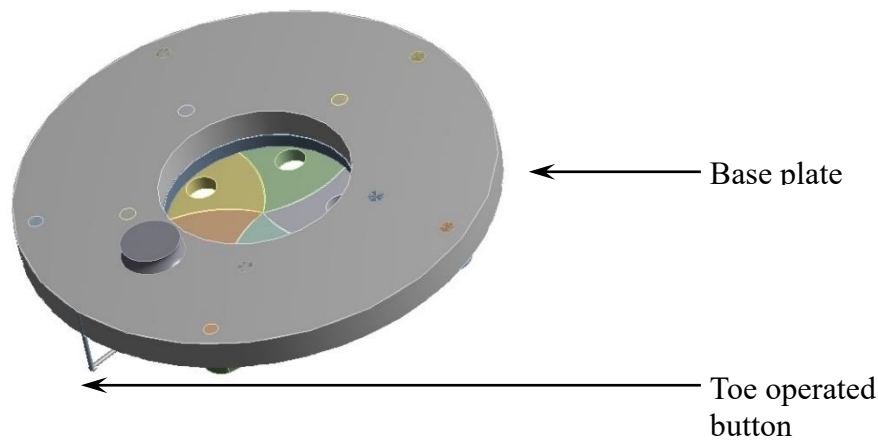

Workshop on Drones: This activity was especially designed for the students at Amity University Patna. The focus of this training was to give students a hands-on experience on Drone construction and flying that are used in industries involved in Drones, Augmented Reality and Virtual Reality.

RESEARCH HIGHLIGHTS

I. Project Title: Semi-Automatic toe/heel operated water discharge system

In terms of discharge, the out-flow of grey water from the bathroom or washroom while in use that spills over the floor is a major concern. The '*water drain grating*' that are available in the market, are perforated in nature. And the area of the cut-out is constant for any '*water drain grating*'. If any garbage/dirt is collected on the '*water drain grating*' while in the bathroom or washroom, it becomes difficult for the grey water to pass through these gratings. And in such a case, the dirt must be removed by hand, foot, or tool; once the dirt is removed, only proper graywater flow is possible. To overcome the problems associated with the existing '*water drain grating*', a new device titled "Semi-Automatic toe/heel operated water drain grating with variable discharge" is proposed by having an adjustable area of the cut out in the '*water drain grating*' and being completely toe/heel of foot operated.

II. Project Title: Helping Hand

This project aims to improve the facilities that provide care for road accidents. In today's fast-paced world, we are in a hurry to get somewhere, and as a result, many accidents occur, often resulting in instant death. If an injury occurs, crowds gather to see what happens, but no one comes to help them. As a result, we devised a solution to create software in which anyone passing by that road can take a picture or video and upload it to our site, from which we can trace that location and send immediate help from the nearest help, as well as a SOS to the nearest police station.

List of Holidays 2022 & 2023

HOLIDAY LIST - 2022

Amity University Patna

List of Holiday: 01st January 2022-31st December 2022

RESEARCH CENTERS OF EXCELLENCE

Following Centers of Excellence are existing and functional in the University with the aim to concentrate on thrust areas and to encourage the research-oriented faculty to undertake subject related initiatives.

- Amity Research centre
- Amity Innovation and Inuation Centre
(Approved by Department of Industries, Govt. of Bihar)

LABORATORIES & RESEARCH FACILITIES

Amity offers lab facilities in Engineering, Cmputer Science, Language learning and Mass communication among many others. Students work with state-of-the-art machines under expert guidance of experienced and trained Faculty. Amity has well equipped laboratories/studios/ moot court to enable the students to conduct experiments for better understanding and application of theory.

Sports and Extra Curricular Activities
A way of Life at Amity

10

SPORTS AND MUSIC – A WAY OF LIFE AT AMITY

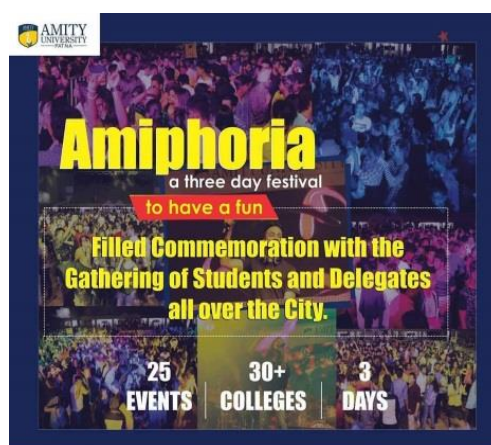

At Amity, sports form one of the important aspects of a student's development. From increasing concentration levels and working as a team to inculcating a winning spirit; sports help students build a strong character and a well rounded personality.

The real goal of education is to make a student must excel in all the skills necessary for developing his/her own self as well as the development of the nation. To achieve that a student must be physically fit and mentally strong, must be a team player and must be driven by values and Snaskars. To achieve this, Amity University Patna organises various sports events and encourages the student community to participate in sports activities outside the institution as well.

AMIPHORIA is the Annual mega youth fest of Amity celebrated by Amitians across the globe, on the occasion of birthday of our beloved Founder President Sir, Dr. Ashok K Chauhan in which students participate in Various Sports and cultural activities.

AMPHORIA includes Sports Activities, Cultural activities and literary activities. The Sports competitions include, Cricket, Volleyball, Badminton, Football, Basketball, carrom, chess etc, the cultural activities include fashion shows, group dance, singing competitions, Battle of Bands, poster making, face painting competitions etc, while the literary competitions include competitions like calligraphy, debate, logo designing, quiz bowl and wordsworth.

Students of Amity University Patna had participated and won several sports, singing, music and other competitions at various levels.

The Students Music Band “AmiBand” of Amity University Patna has won the Bronze Medal in the Spectrum Event at NIFT Patna on 25-02-2023

Ms. Kanika (BJMC Student) won the second prize in the solo singing competition at NIFT Patna on 25-02-2023

Amity Scholarships

11

Live your dreams with
Amity Merit
Scholarships

Amity has always been driven by the vision of Dr. Ashok K. Chauhan to develop and groom the next generation of leadership in organisations, communities and society at large. To achieve the vision, the Amity scholarships were instituted to help those who excel in academics and deserve world class education but don't have the means.

At Amity, we believe in rewarding the hard work and excellence achieved by meritorious students in their academic endeavors. Amity Scholarships have been introduced to encourage the talents of such students, thereby strengthening the foundation of our future generation, a small step towards the collective goal of making India the knowledge superpower of the world.

The Regulations on Scholarships, Awards, and Medals & Special awards have been issued under which the following diverse scholarships are offered to the students:

ON ADMISSION MERIT-SCHOLARSHIP

The University provides scholarships while inviting applications for admission from the meritorious candidates to a program after passing 10+2, Graduation or such other qualifying examinations prescribed by the University.

Scholarship Schemes

MERIT-SCHOLARSHIP: DURING A PROGRAM

In order to encourage the students to achieve higher performance during their studies in an academic program, the University offers merit scholarships to students in recognition of their academic achievements in the concerned program of study. These Scholarships are awarded at the end of first year on the declaration of the first-year result and renewed each year thereafter on the basis of academic performance at the end of each academic year.

MERIT-CUM-MEANS SCHOLARSHIP

The University has also instituted the Merit-Cum-Means (MCM) Scholarships for deserving students who are academically good and need financial assistance to pursue their studies at the University. These scholarships are granted for the first year of a program and are reviewed each year.

Initiatives for Teaching – Learning & Academics

COURSE PREPAREDNESS OF FACULTY

University's Quest for Excellence, desire to bring global trends in the curricula and extensive use of IT enabled teaching and learning practices, has resulted in preparing students with well-honed skills compatible with the Global Market.

At Amity, Quality Teaching is fostered with the use of innovative pedagogical techniques to produce learning outcomes for students. It involves several dimensions, like the effective design of curriculum and course content, a variety of learning contexts (including guided independent study, project-based learning, collaborative learning, experimentation, etc.), soliciting and using feedback, and effective assessment of learning outcomes. It also involves well-adapted learning environments and student support services.

Fostering quality teaching is a multi-level endeavor at Amity. Support for quality teaching is practiced and monitored at three interdependent levels:

- Individual level: including initiatives that help teachers achieve their mission, encouraging them to innovate and to support improvements in student learning and adopt a learner-oriented focus.
- Program level: comprising actions to measure and enhance the design, content and delivery of the programs within a department or a school.
- At the Institution level: including projects such as policy design, and support to organisation and internal quality assurance systems.

Amity prepares students for entry to an environment that is characterised by greater uncertainty, speed, risk, complexity and interdisciplinary working and equip them with appropriate skills, knowledge, values and attributes to thrive in it. There is a strong drive to build and create knowledge together with an understanding of working life and reformulate the concept of knowledge in learning situations. Strong connections with working life through different academic projects provide authentic opportunities to learn both generic and professional competencies as well as to build networks and pathways for employment after graduation.

The salient points of the pedagogy are:

1. Detailed Course Delivery Plan
 - a. Learning objectives of the course.
 - b. Continuous assessment scheme, i.e. components, schedule and feedback.
 - c. Common thread through the course objectives, syllabus, pedagogy and the assessment scheme.
 - d. Listing topic wise allocation of sessions.
 - e. List of text and references (numbers and quality).
2. Power Point Presentations for all the sessions (1 credit course requires 10-12 hours of teaching and for one-hour teaching, ideally 6-8 slides).

3. Other Teaching Material
 - a. Teaching notes and material in addition to the prescribed text.
 - b. Guidelines on short projects.
 - c. Write-up on term paper.
 - d. Relevant articles and papers.
 - e. Tutorial sheets, as defined in the program structure.
 - f. Experiments to be carried out in labs, their objectives and methodology.
 - g. Use of videos/ films, including the objective to be achieved.
4. Making the Course Practice Oriented
 - a. Field/industry visits, their planning, objectives and summary report leading to evaluation.
 - b. Projects.
 - c. Case studies and other exercises.
 - d. Guest lectures/panel discussions.
5. General guidelines for students regarding attendance, punctuality, meeting the deadlines, chamber consultation hours, prior self-study to be undertaken etc.
6. Finally, the efforts are made to judge how much rigor the course has created for the students. In a professional program, normally the mandate is that a student has to put in 2-3 hours of self-study for each hour of classroom teaching.

SYSTEM OF EDUCATION

Semester System

Amity University follows a semester system, which is in conformity with the global practices and standards. The Course curriculum of one year is taught in two semesters, i.e. 17-18 weeks each. The Semester system promotes greater interaction between faculty members and students and permits more meaningful term paper and research assignments.

Grade System

The level of students' academic performance is the aggregate of continuous evaluation & the end term examination and is reflected by letter grades on a Ten Point Scale. Letter grades (A+, A, A-, B+, B, B-, C+, C, F) have points associated with them in quantified hierarchy and have qualitative meaning. Semester Grade Point Average (SGPA) & Cumulative Grade Point Average (CGPA) are calculated based on the students' performance in Semester(s) & overall performance, respectively.

Amity University follows Absolute Grading as well as Relative Grading depending upon the strength of students in a particular program & batch. Students are required to maintain minimum SGPA & CGPA to pass a semester and promotion to the next semester and qualify for Degree/Diploma.

100% Attendance

Every student in Amity University is required to achieve 100% attendance in all the Lectures, Tutorials and Practicals and Seminars arranged for the respective course during the semester. However, a relaxation up to a maximum of 25% is granted in case of contingencies. A minimum of 75% attendance is required to appear in the examinations. 100% attendance criteria ensure academic excellence, disciplinary approach and growth of the student.

INTERNAL EVALUATION SYSTEM

The scheme of examinations & evaluation is one of the most important components of judging the academic performance and development of the students. Therefore, in Amity, the students are assessed at regular intervals. 30% weightage is given to continuous/internal assessment in a semester wherein 3-4 evaluation components with weightages are defined. It covers Class Test, Viva, Quiz, Case Discussion /Presentation /Analysis, Home Assignment, Project, Seminar, Term Paper, Attendance etc.

CURRICULA & SYLLABI

The detailed course curriculum of all the programs in Amity University is reviewed at regular intervals as per the industry requirements. For this, many points are considered such as feedback reports on the placements, employability of the passed-out students, latest developments in the technology, statutory compliances of various bodies, etc. The course syllabus is first examined and evaluated by an expert committee which is then reviewed by the Board of Studies of the institution for recommendations to the Academic Council for approval.

The Program Structure is prepared for each Program that includes a semester-wise course (core and electives) to be taught, any internship to be undergone, project/dissertation as per requirement of the program curricula. Each course contains details of the course code, classroom hours, practical/lab classes, tutorials, self-study hours and credit units.

The credit units attached to each course are defined in terms of contact hours, i.e. Lectures (L), Tutorials (T) and Practicals (P). Towards earning credits in terms of contact hours, 1 lecture and 1 tutorial per week are rated as 1 credit each and 2 practical hours per week are rated as 1 credit. In a full-time degree Program, a student is required to earn on an average 25-30 credit units per semester. The credit units attached to Summer Internship/Training (8-10 weeks), fieldwork etc. are included in this total.

As a mandatory requirement, 'Boards of Studies' are constituted for each Institution after approval of the President for the structuring of Academic Programs, viz. framing of Curricula, Syllabi, and Scheme of Evaluation, etc. The Various Boards of Studies hold their meetings and after rigorous scrutiny, the course structure and curricula of the Academic Programs offered are implemented with the approval of the Academic Council.

CHOICE BASED CREDIT SYSTEM

In accordance with the guidelines of the University Grants Commission, Amity University has implemented the Choice Based Credit System (CBCS) Programme in which the students

have a choice to choose from the prescribed courses, across the courses being offered by the University, which are referred as core, elective or minor and they can learn at their own pace and the entire assessment is graded-based on a credit system.

The basic idea is to look into the needs of the students with the aim to keep themselves up-to-date with development of higher education in India and abroad. CBCS aims to redefine the curriculum keeping pace with the liberalisation and globalisation in education. CBCS allows students an easy mode of mobility to various educational institutions spread across the world along with the facility of transfer of credits earned by students.

MONTHLY STRUCTURED MEETINGS

With an aim to build a sense of community and engage all stakeholders in decision making, as well as to improve the governance of various facts of academics & administration, structured meetings are being organized every month with stakeholders as below:

- I. Meeting with Teaching HOIs- Every first Thursday of Month- To discuss/resolve the issues and strengthening of the Academics Matters.
- II. Meeting with Non-Teaching HODs- Every second Thursday of Month- To discuss/resolve the issues related to general administration and other non-academics issues.
- III. Meeting with Students Representatives- Every third Thursday of Month- To discuss/resolve the issues of students related to academics and infrastructure facilities including mess, sports, extra curriculum activities etc.

BEST PRACTICES

AUP has implemented many best practices to transform and empower students from a variety of backgrounds. Practices such as learning through experience, Talks by Experts, Mentoring and Counselling, Internal Quality Assurance Cell activities, Value Added Courses and Outcome-Based Education, to name a few.

AUP has setup department-wise Industry Advisory Council with an objective to establish interface between industry and academia to assure very strong industry engagement. Amity Innovation Incubator has also been established and is fully operational to develop innovation and entrepreneurship.

Aside from these, AUP also instills environmental awareness and responsibility in students.

Domain experts of the department have gone through on-going programmes and redesign their Programme Outcomes and Course Outcomes in line with university vision and mission. Departments have inculcated outcome-based education, attainment of courses among its faculty members where each course is explained in detail including teaching pedagogy, assessment design and required rubrics.

UNIQUE INITIATIVES

- Mentor-Mentee Programme
- Each One Teach one (Student Coaching)
- Fully equipped English language lab.
- One foreign language paper compulsory in all courses.
- Plagiarism Check
- Amity research Centre – Publication of case studies
- Industry Academia Dialogue –CRC/Placement & Alumni Committee
- Pre Placement Sessions on CV's, Video resumes, group discussions, Interviews.
- SIP beyond curriculum
- Emphasis for students to express their talents and creativity.
- Open job fair for non-Amity students
- Fun Friday for all teaching and non-teaching members
- WICS-Weekly Intellectual Capital sharing sessions by departments

10)	Mr. Ashutosh Kumar	Manager, Placements

Amity has always enjoyed special preference of Indian as well as foreign recruiters on account of its students' excellent performance sustained over a long period of time and its strong brand image. To remain competitive in today's world, being adept in one area will not suffice. One has to be familiar with other domains too. Amity's has a multi-faceted association with over 100 TOP Companies/organisations and is constantly involved in bringing reforms in regular course curriculum updating to meet the requirements of the environment. Notwithstanding these steps, industry participation has been made an integral part of the Board of Studies. Inviting Guest Lectures to polish their soft skills, organise summer internships and projects makes us different and unique from others.

At present there is a great demand for knowledgeable, talented and devoted people in the market. The Corporate Resource Centre (CRC) at AUP is in place with the aim of guiding and helping the students to get deserving placements in the required field. CRC provides placement assistance to the students of technical programs of all Amity Institutions. The Corporate Resource Center is a unique concept and one of its kind in India in bringing the Industry and Academia close to each other and provides need-based education and organization support. It has the task to organize in-campus interviews for student placement and training.

CRC organizes corporate guests lectures and industry interaction. The CRC's goal is to make every student of Amity a success story by helping them become ethical leaders who can manage and lead change across diverse organizations. It works with the students to make them Industry fit and Industry relevant. The CRC is manned by professionals from the corporate world who bring with them rich Industry experience. This helps them understand Industry requirements in terms of skill sets and attributes.

The ability of Amity students to think out of the box solutions for uncommon problems makes them ideal for such industries. Over the years, the market for the Institute's students has remained bullish, as freshly placed recruits continue to deliver on their promises and satisfy their employers.

Amity University, Jaipur has a very strong Corporate Resource Centre, which works round the year for:

AMITY UNIVERSITY PATNA

AMITIANS' SUCCESS STORIES

AMAN KUMAR
B. Tech - CSE | Placement in **JP Morgan** | CTC: 18 LPA

The 4 years of my undergraduate degree at Amity School of Engineering & Technology, Patna, helped me gain the finesse and confidence to excel in my academic journey. The practical skills that I acquired during my course enabled me to apply those skills thoughtfully, through a quantitative approach. These are the same set of skills that helped me excel in the corporate world.

AMITY UNIVERSITY PATNA

AMITIANS' SUCCESS STORIES

RAMANDEEP
MBA | Placement in **Prism Johnson** | CTC: 5.45 LPA

It indeed feels great to share with you all the news that I got placed at Prism Cement, through the campus placement drive, conducted at Amity University, Patna. Throughout the duration of my MBA program, Amity Patna provided me with all the facilities and the platform, required to excel in life. Also, the positive learning environment was instrumental in bringing about this transformation.

AMITY UNIVERSITY PATNA

AMITIANS' SUCCESS STORIES

RICHA SINGH
MBA | Placement in **Amazon** | CTC: 4.50 LPA

We all are aware of the quality of education that Amity provides. The credit goes to the seasoned faculties, who have been extremely supportive throughout the duration of my program. The seminars, guest lectures, internships, and guidance, helped me crack the interview at Amazon. I cannot thank Amity enough, for everything they did to shape up my career.

My colleges life is most memorable years . I have made good friends, and even we have worked on our leadership skills during our college years. As the word itself Amity means friend and here we were treated as friends more than student .I am placed in Jaro education and Tata consultancy service and credit for this goes to My Amity University Patna.

Shreya Singh | BBA | TCS & Jaro | 6.60 LPA

I am very grateful to Amity University, Patna for providing me the opportunity to showcase my skills in the technical field which helped me get selected in two esteemed companies. Without having a technical background, it would really not have been possible without constant effort and guidance of my respected teachers and mentors.

Vartika | MCA | Intellect & Byjus | 6 LPA

It was my immense luck and fortune to be the part of Amity University where I can grow. "My experience at Amity University is great and memorable". My three years at Amity have been a wonderful experience of learning with prolific exposure to outside. Huge respect, love and devotion for entire faculty members and department.

Rishav Chandra | BCA | CSS Corp. | 3 LPA

It was a great experience studying at Amity University Patna, a memory to cherish for lifetime as it gives great opportunity as well as helped me to improve my academic and interpersonal skills, through out the course get support from faculties and placement officer.

Sapna | MBA | IndusInd Bank | 4.5 LPA

Chapter

Our Alumni – Our Pride

14

OUR ALUMNI – OUR PRIDE (AMITY ALUMNI ASSOCIATION)

The Amity Alumni Association is dedicated to serving the University, Alumni, and Students, of the Amity family for the welfare of society. Its mission is to develop and strengthen the bond between Alumni and University and Alumni to Alumni through Connect, Involve, Engage, Evolve, and Leverage the relationships to enhance the university's reputation at the national and international level for the benefit of all stakeholders and for the nation.

AMITY UNIVERSITY PATNA organised ***Ami-Samagam***; the first alumni meet of MBA students. It was organised with a purpose to create an emotional connect with the alumni and also to develop a strong mutually beneficial network of alumni and present students.

Social And Environmental Responsibility & Community Connect

ACTIVITIES CONDUCTED BY AMITY UNIVERSITY PATNA - 2022

Amity University Patna since its inception has been actively working towards fulfill its social and environmental responsibilities through various initiatives, which has been appreciated and awarded by various prestigious bodies including Government of Bihar for actively participating in Van Mahotsav and efforts towards environmental protection. Be it extending help to the needy during the Patna floods, the Kerala disaster, extending help during Covid 19 pandemic or helping the underprivileged section of the society to bring smile on their faces, Amity University Patna has always been on the forefront. The Amicare club of Amity University Patna takes the leads in taking such noble initiatives.

The various departments/schools of Amity university Patna has been actively undertaking such activities for example, the Amity School of Communication (ASCO) organized a CSR event “Spreading Smiles” under AmiCare Club in December 2022, organised a Film Festival on in May, 2022 on the themes of Bihar and Women Healthcare and Dignity, Amity Law School Conducted training and awareness programme on environment in collaboration with TARUMITRA in April, 2022, students and faculty members from Amity Business School visited "Sahara Old age Home" in Gulzar Bagh, Patna in March, 2021 and organized a social event "Day of Belongingness" at “Apna Ghar”, in April, 2022. Amity School of Engineering & Technology (ASET) celebrated Earth Day on 22nd April 2022 and organised “Best out of Waste” in January 2023 to name a few.

In March 2022, Amity School of Communication, Amity University Patna, organized a CSR Activity in the slum area in Patna, the students educated the women residing, about the importance and need of good practices of personal and menstrual hygiene.

As a part of this CSR activity, the women were also educated about the importance of education and the role that educated women can play. At the end, sanitary napkins were distributed to the women and young girls present. The children present were given biscuits and orange drink.

In March 2022, as part of environmental awareness programme students of Amity Law School, Amity University Patna, visited the office of additional municipal commissioner, who interacted with our students and encouraged them for eco-friendly environment campaign.

The students of Amity Law School, Amity University Patna, as part of environmental awareness programme, visited “State Pollution Control Board” Office, where the students presented a presentation on eco-friendly approach to save environment and how we can get rid of air pollution. Students also presented Power Point Presentation on environmental pollution and approach of environmental legislation to deal with environmental pollution in district of Patna

Amity School of Business organized a *Cluster Visit* in collaboration with *Jeevika (Bihar Govt.)* for BBA - MBA Intg. Batches, Students visited *Bochaha Block ,Muzaffarpur* to witness how the famous bangles of Bihar *"Lahthi"* are made and designed. The students interacted with the Lahti makers to understand the manufacturing process, the market conditions, their challenges.

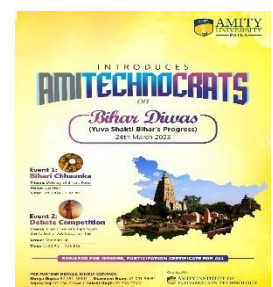

CREATING LEGAL AWARENESS THROUGH VARIOUS EVENTS.

Amity Law School, Amity University Patna is always working towards promoting and disseminating the legal awareness to the society, along with that it has conducted various quality event including a webinar in Collaboration with National Commission For Women , organized a Webinar on “UN day to commemorate United Nations day” – In Collaboration Bihar State Legal Service Authority Patna, organized legal awareness cum- sensitization program by Bihar State Legal service Authority in collaboration with Amity Law School, Patna in Nov. 2022. Conducted training and awareness programme on environment in collaboration with TARUMITRA in April, 2022, Organized and participated in the National Seminar & Training Programme by Bar council of India in association with the Bihar State Bar Council in Sep. 2022.
