Advertisement for Junior Research Fellow Position

Dated: 29.04.2026

Applications are invited for a Junior Research Fellow (JRF) position in an ANRF-funded project entitled "*Exploring Modulation of Keratinocyte Endo-Lysosomes for Skin Regeneration in Diabetic Wound Models*" in the **Skin Cell Biology Laboratory** at the Department of AIB, Amity University, Haryana.

The selected candidate will be appointed initially for six months, which may be extended to the validity of the project, based on an assessment of the candidate's performance.

The details are as below-

1. **Position:** Junior Research Fellow
2. **Essential Qualifications & Experience:** Master's degree in any branch of Life Sciences with a first-class degree and high motivation for research work.
3. **Preference:** NET/GATE-qualified candidates will be given preference.
4. **Salary:** As per ANRF guidelines (₹37,000 + 20% HRA).
5. **Faculty Contact:** Dr. Sarmistha Mahanty

Application Process: Interested candidates are requested to send an email to smahanty@ggn.amity.edu with: a) A detailed CV including current position, previous affiliations, and names of two referees b) An expression of motivation for research (200 words).

Deadline: 30th May, 2026

A suitable interview date (in person) will be announced to shortlisted candidates.

Note:

1. Only shortlisted candidates will be communicated via email to appear for an in-person interview at Amity University Haryana and no other communications in this regard will be entertained.
2. No TA/DA will be paid for appearing in interview
