General Introduction of the Event:

Mental Health Awareness Programme, 11th August, 2023

Amity Institute of Clinical Psychology (AICP), Amity University Haryana, Gurgaon in collaboration with Civil Hospital organized one day Mental Health Awareness programme on 11th August, 2023 at Poly Clinic, sector 31 Gurugram. Dr. Mehfooz Ahmed, Ms Shirley Raj, Ms Aarti Shukla, Mr Sachin, M. Phil Clinical Psychology trainees, PDCP trainees and patients participated in the program. Dr. Mehfooz Ahmed was the coordinator of the program. The basic concepts of stress, depression and schizophrenia were discussed. The trainees performed two skits based upon alcohol addiction and Panic Disorder. The participants were insisted to disseminate acquired information in the community they belong to. The emphasis was on developing the attitude to spread awareness in the community. There is strong need to remove the stigma in the community. Moreover, If the patient has adequate social support, financial support, positive attitude and the proper treatment then the recovery from the illness is not impossible. The prevention strategies like sensitization, psychoeducation were discussed. The programme emphasized the role of practical and service oriented aspects in community.

1. Objectives of the Event

1. To identify the psychological issues among patients and the family members,
2. Strategies to prevent mental illness in the community.

1. General Introduction of the Event

Day 1: A health camp was organised on 4th September 2023 to celebrate National Nutrition Week by Dr. Luxita Sharma, Associate Professor & Head, in collaboration. The camp started around 11:30 am in Room no. 313, A-Block 3rd Floor Nutrition Lab. The student of B.Sc. Dietetics and Applied Nutrition Vth semester had face-to-face interaction with students of other institutions and provided counselling and personalized diet plans to them. The key features of the event were free nutritional assessment by using anthropometric measures, personalized diet plan and diet counselling. The event was successfully conducted.

Day 2: On 5th September 2023, Nutrition quiz and poster competition was organized by Department of Dietetics & Applied Nutrition to celebrate Nation Nutrition Week (1st-7th September 2023). The students of the Department, actively participated in both the events. The venue of the event was D-417. The Poster competition was organized from 11AM-1PM and 7 students from different batches of Department of Dietetics & Applied Nutrition participate in the same. The Theme of the event was "Nutrition for All". Each student painted their thoughts in the canvas and made a masterpiece out of it. The whole event was a success in the supervision of faculties of the department. Dr. Luxita Sharma evaluated each poster critically and 3 winners were selected from all posters. first prize was given to Mr. D. Karthik, MDAN 1st Semester for his thoughtful poster presentation. 2nd prize was awarded to Ms. Riya Yadav, BDAN 3rd Semester and 3rd prize was received by Ms. Lyna, BDAN 1st Semester. Nutrition quiz was celebrated at 2:30 PM-3:30 PM in room no. D-417. 8 group of students participated in the event. Each group has 2 members in it. The first prize of nutrition quiz was secured by Mr. Siddhartha and Mr. H. David. 2nd prize was secured by Ms. Khushboo and Ms. Ayushi. 3rd prize of the contest was given to Ms. Tanya and Ms. Satakshi. The whole event was successful and there was active participation of the students.

Day 3: A recipe competition was organized on 6th September 2023 as a part of National Nutrition Week Celebration in the department of Dietetics and Applied Nutrition. In total 12 teams with 24 students participated with full zeal and enthusiasm in the Recipe Competition. The students were directed to use super foods and prepare healthy recipes. The first winners were Mr. Dhananjay and Ms. Kajal Dhama, Ph. D Students and 2nd position was grabbed by

students of M. Sc Ist semester Ms. Anishka and Ms. Versha and 3rd Position was secured by Mr. Sidhartha and Ms. Tanya Malhotra.

2.1 General Introduction of the Event : A speech and hearing camp was organized at Govt Primary School, Gwalior, Panchagon. This camp is typically organized by BASLP and MSC SLP students under the supervision of faculties with a focus on promoting communication and hearing health. The camp began with screening and assessment sessions. Students evaluated participants to identify speech and hearing disorders. And provided follow-up resources and recommendations for continued therapy or support after the camp ends. A total of 57 children were screened, 42 for hearing and 15 for speech-language assessment.

2.2 Inspiration & Objectives of the Event: Speech and hearing screening camps play a vital role in improving the quality of life for children with speech and hearing challenges. The camps offer a supportive and focused environment for addressing these issues and can be especially beneficial for early identification and intervention.

3.1.General Introduction of the Event :

In a world marked by the complexities of the 21st century, where global challenges seem to multiply and borders blur with the click of a button, the celebration of Peace Day takes on a profound significance. This day, observed annually on September 21st, serves as a beacon of hope, reminding us all that amidst the turmoil and discord that sometimes dominate our headlines, there is a fundamental human desire for peace, unity, and understanding.

3.2.Inspiration & Objectives of the Event :

Raising awareness about the UN International Day of Peace and its significance in fostering global peace and unity. Encouraging unity and solidarity among university students and faculty by bringing them together for a common cause. Promoting the values of peace, tolerance, and conflict resolution within the campus community. Attracting participation from students, faculty and staff members, to broaden the impact.

3.3.Brief about the address/talk of speakers : NA

3.4.‘Take Homes’ for the Guest and Attendees :

The celebration of Peace Day holds immense significance in the global community. At universities, it is an opportunity to inspire, educate, and empower the next generation of leaders and change-makers to become ambassadors of peace. Our vision for university students celebrating Peace Day is to create a dynamic and inclusive environment where students not only recognize the importance of peace but actively engage in promoting it within their campuses and beyond.

The 9 th anniversary of Ek awaaz, dramatic society of Amity university Haryana was celebrated with giving back to nature and planting trees.				

3. Event Report along with glimpses of the event(Photographs)

3.1 General Introduction of the Event : Team Ek Awaaz celebrated its 9th year anniversary on 24th September 2023. Underneath the azure sky, we embarked on a journey of celebration intertwined with nature's finest gift - trees. They not only represent growth but also how we stand still even after facing storms and thrive. We initiated with the calling and later planted 9 saplings in the campus representing our 9 years of passion, dedication and hard work. It was graced by Dr. Ranjana Kothari and other esteemed guests.

Report:

The Haryana Police, recognizing the importance of women's safety and has taken a proactive step by developing a dedicated safety app. In a collaborative effort to ensure the safety and well-being of women, representatives from the Haryana Police visited Amity University Haryana on 28 Sep 2023 to enlightening and empowering female students about the significance of the safety app-112 India

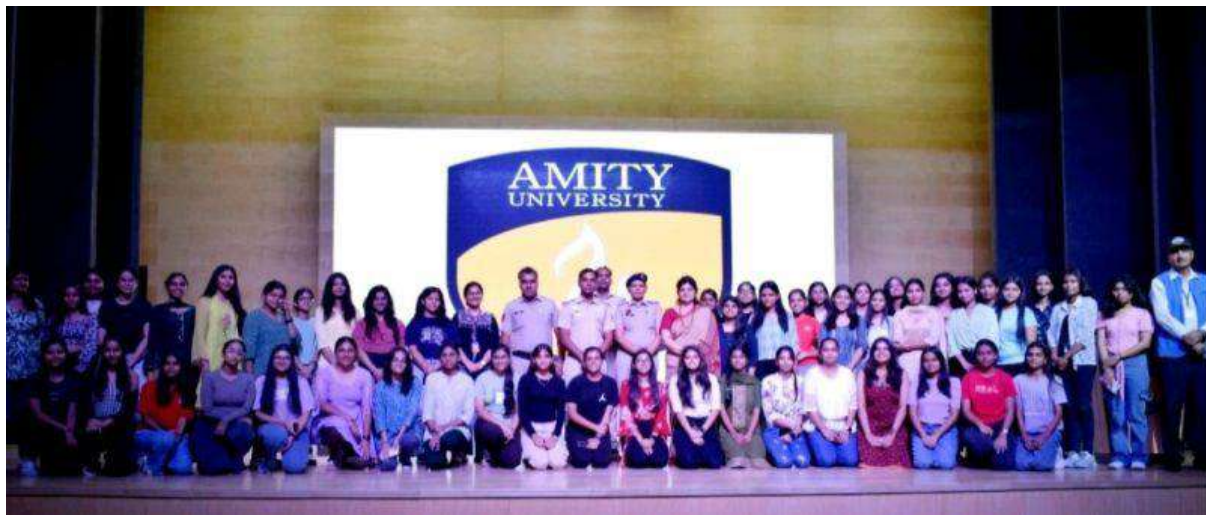

During the session, the Haryana Police team provided comprehensive guidance on the '112 India' app, which boasts eight essential features and functionalities. They emphasized the app's role as a valuable tool for enhancing the personal safety of female students. Additionally, the team offered hands-on assistance to install the app on the students' mobile devices, ensuring they were well-equipped with this resource.

The '112 India' app offers a diverse range of features, including:

- **Emergency Call:** Quick access to dial the emergency number 112 for immediate assistance.
- **Location Services:** Sharing the user's location with emergency services for faster response.
- **Text Messaging:** Sending text messages to emergency services during distress calls.
- **Safety Tips:** Providing valuable safety tips and guidance.
- **SOS Button:** Immediate alert capability when the SOS button is pressed.
- **Community Alerts:** Receiving alerts and notifications about emergencies in the area.
- **Language Support:** Multilingual support to cater to various users.
- **Contact Sharing:** Sharing emergency contacts and medical information with responders.

This proactive engagement between the Haryana Police and the students of Amity University Haryana reflects a shared commitment to creating a safer and more secure environment for women. It highlights the importance of collaborative efforts in ensuring the well-being of all members of society."

Dy DSW, Prof Sanjna Vij at the end summarized by explaining to the female students the immense benefits of having this safety app on their mobile devices. Dr Vij's mentoring provided a meaningful perspective on how this resource contributes to the safety and well-being of our students. She Thanked to Maj Gen Dhull for this initiative.

1. General Introduction of the Event

The main motive of session was also to guide children about good health , hygiene and nutritious food ,good eating habits .To make the sessions more interactive, students of the Dietetics & Applied Nutrition encouraged children to participate in the conversation, discussed their eating habits and their favorite food items .Then according to their answers students were guided for adapting good eating habits .To explain them in elaborative way, the session was made interactive by discussing about the model on malnutrition. Students explained about malnutrition, protein energy malnutrition (Kwashiorkor, Marasmus), their causes, symptoms, and consequences, importance of nutritious food to prevent such kinds of prevailing problems in children.

Students of M.Sc. DAN prepared posters on breastfeeding mother, pregnant women. They conducted a series of health education lectures, focusing on the importance of nutrition, hygiene, and proper care during pregnancy and infancy. The topics covered included balanced nutrition, breastfeeding, and the importance of regular health check-ups, food to be eaten and avoid at the time of pregnancy as well as lactating, also discussed about milk producing food item. The interactive discussions on the benefits of breastfeeding, and practical demonstrations through posters about the nutritious diet and milk producing food items. The discussion was also done about the advantages of Breastfeeding to child and mother, many more key points about breastfeeding were discussed through the prepared poster. Students of MPH had explained the immunization schedule and their importance to children and their mothers. We also explained through poster about the food to be excepted as well as avoided food at the time of pregnancy. All the misconceptions related to myth about pregnancy and lactating diet habits were explained to the mothers.

The students of Dietetics and Applied Nutrition also prepared healthy snacks containing bajra millet in Nutrition lab and distributed among children, pregnant and lactating women. The

initiative successfully raised awareness about maternal and child health care and provided valuable guidance to the local community. The impact of such efforts extends beyond the immediate outreach event and contributes to the betterment of society.

2. Inspiration & Objectives of the Event:

The primary objective of this outreach program was:

1. To raise awareness about maternal and child health care practices,
2. Provide guidance, and deliver informative sessions to the parents, guardians, and caregivers of children in the community
3. To young children to eat healthy food
4. Promote good health of breastfeeding in lactating women.

3.1. General Introduction of the Event :

The vision of conducting an Animal Welfare Day awareness camp on our university campus, accompanied by the installation of bird feeders throughout the premises, embodies our commitment to fostering a harmonious coexistence between humans and the animal kingdom. This initiative seeks to inspire and educate our campus community about the importance of compassion and responsible stewardship toward our fellow creatures.

3.2. Inspiration & Objectives of the Event :

By organizing this event, we aim to raise awareness about the various challenges animals face in today's world and empower individuals to make positive contributions to their welfare. The bird feeders symbolize our dedication to providing sustenance and support to our avian friends, contributing to the enrichment of our local ecosystem. Together, through education and practical action, we can create a campus environment that exemplifies our dedication to the well-being of all living beings, setting an inspiring example for the broader community.

3.1 General Introduction of the Event : This event was conducted by the students and the students did this during Diwali which is a Festival of Lights but also the festival of giving to others, to mark the celebrations early for this particular festival the Yuva club did an important drive in which they distributed sweets to the needy to embark on the journey of giving to others, celebrating with others and being empathetic with people and making them feel loved, blessed and a part of a celebration.

3.2 Inspiration &Objectives of the Event :The inspiration was from Goddess Laxmi as she is the goddess of wealth, if god gives you a lot then you should also give some wealth to those in need in the society, keeping this

basic idea in mind we did a food and goodies drive in which we distributed sweets for the supporting staff of amity university Haryana to celebrate the auspicious festival of Diwali with them. Objectives of this event was to make sure that everyone was kind towards the helpers, the students understood the importance of the event and also that the food which was distributed was given to everyone. During the event we saw that the main the main objective which was to train the juniors under us on how to manage and conduct events was done successfully.

QUIZ REPORT

There is nothing like a little competition to make for perfection. Keeping this in mind the Chem Club of Amity University Haryana organized quiz competition based on topic food adulteration on 6th November 2023. The event was organized in B block auditorium. The purpose of Food Adulteration quiz is to test and assess the knowledge of individuals on the topic of adulterer food. By taking a quiz on this topic, individuals can learn about the different types of adulterer food, the importance of proper testing of food before consuming, and the various methods to test the adulterant. The quiz also helps to raise awareness about the impact of the adulterants on the environment and public health.

There was total 4 teams having 3 students each. The quiz consisted of 4 rounds with one question each for each team per round. The quiz was prepared by Divya Choudhary [M.Sc. Applied Chemistry-1st Sem] and Yashika Verma [B.Sc.(H) Chemistry-5th Sem] under the guidance of Dr Anirban Das and Dr Neeru Dabas. The competition was tough, and the children held their nerves and contested keenly. There question passed by the teams was given to audience. Ultimately, the goal of a food adulteration quiz is to make people aware about the adulterer food they are consuming in their daily life.

PARTICIPANTS LIST

Team A- Drishti, Sandeep, Priyanka

Team B- Aarti, Roshan, Komal

Team C- Bharti, Vishnu, Purushottam

Team D- Khushi, Uday, Anjali

Results

Team D-1st position.

Team A- 2nd position.

Team B- 3rd position.

Team C- 4th position.

Results

Overall, the participants had a good understanding of adulterated food.

Team D won

Conclusion

Overall, the participants demonstrated a good understanding on food adulteration, but there is still room for improvement in certain areas. By educating the public on the importance of proper waste management practices, we can work together to protect our environment and conserve resources.

DOCUMENTARY SCREENING REPORT

To make people aware of the ground reality it is important to show them the reality visually. Hence targeting for this purpose Amity Chem Club had decided to present a documentary based on food adulteration. It was presented on 6th November 2023 in B Block auditorium. There were two documentaries presented on screen. One of the documentaries was “How to check if Food Items in Your Kitchen are adulterated by Crux YouTube channel”. The documentary provides a comprehensive insight into the alarming issue of food adulteration and equips viewers with the knowledge to identify and combat this pervasive problem. Through engaging visuals and expert interviews, the film sheds light on the methods employed by unscrupulous individuals to compromise the quality of our food supply.

The topic of second documentary was “FSSAI-Celebrating 15 years of commitment to Food Safety and Nutrition in India. The documentary takes viewers on a compelling journey through the transformative role of the Food Safety and Standards Authority of India (FSSAI) in ensuring the safety of the nation's food supply. Over the past 15 years, FSSAI has emerged as a pivotal force in combating food adulteration and safeguarding the health of millions across India.

NEED OF EVENT:

This event was organised to spread the awareness regarding adulteration in food. It was to uncover the hidden truths behind what we eat and empowering everyone with knowledge to make informed choices as food adulteration is something that we cannot afford to ignore.

DEMONSTRATIONS:

1. Detection of urea in milk with help of p- dimethyl amino benzaldehyde
2. Detection of starch in milk with help of iodine
3. Detection of chalk powder in turmeric with help of HCl
4. Detection of sucrose (added sugar) in honey by molish reagent and H_2SO_4
5. Detection of lead chromate in turmeric with help of water
6. Detection of papaya seeds in black pepper with help of wate

7. Detection of brick powder in red chilli powder with help of water

Expert Lecture

On 6th November, had the privilege of hosting an enlightening and informative expert lecture on the critical issue of food adulteration. The distinguished speaker for the event was none other than [Prof. (Dr.) S R Pathak], the esteemed Head of [Department of Chemistry, Biochemistry and Forensic Science.] at our university. The lecture aimed to educate students and faculty on the nuances of food adulteration and its far-reaching implications.

Key Highlights:

1. In-depth Understanding of Food Adulteration:

She commenced the lecture by providing a comprehensive overview of food adulteration, outlining its various forms, including mixing, substitution, and contamination. The audience gained a deeper understanding of the deceptive practices employed by unscrupulous elements in the food industry.

2. Historical Context and Evolution of Adulteration:

The lecture delved into the historical context of food adulteration, tracing its evolution and the changing nature of adulterants over the years. She highlighted the socio-economic factors

contributing to the persistence of this issue and emphasized the need for a multifaceted approach to address it effectively.

3. Regulatory Framework and Responsibilities

she elucidated the role of regulatory bodies, both national and international, in combating food adulteration. The speaker emphasized the responsibilities of these bodies in setting and enforcing standards, as well as the importance of collaboration between regulatory agencies and the food industry.

4. Technological Advances in Detection Methods

significant portion of the lecture was dedicated to discussing the technological advancements in food testing methods. She shed light on how cutting-edge technologies are being employed to detect and prevent adulteration, ensuring the safety and integrity of the food supply chain.

3. Event Report along with glimpses of the event(Photographs)

General Introduction of the Event : On the momentous occasion of the Ram Mandir inauguration in Ayodhya, an event was organized at Amity University, Haryana bringing together students, faculty, and esteemed guests to celebrate this historic moment. The event's highlight was a captivating drama, "Gurukul Gaman," presented by Team EK Awaaz. The drama narrated the tale of Ram and Lakshman seeking revenge on Kalkha under the guidance of Vishwa guru. The performance was a masterful blend of direction, execution, and storytelling. The actors' portrayal of their characters was exceptional, with each member of the cast delivering a performance that seemed to embody the essence of Ram and Lakshman. The meticulous direction and execution of the drama added a touch of realism, capturing the attention and imagination of the audience. The audience was thoroughly engrossed in the drama, and the captivating narrative held their attention from start to finish. The impeccable performances by the actors led to a unanimous standing ovation, reflecting the appreciation and enjoyment of the audience. The connection between the actors and the audience was palpable, creating an immersive experience.

6. Event Report along with glimpses of the event(Photographs)

1. General Introduction of the Event

Design Trends 2024 was a convergence of leaders from the building industry, showcasing the latest advancements and design techniques. Organized specifically for students, this event aimed to provide them with a comprehensive understanding of the cutting-edge trends. By offering a firsthand experience with innovative products and methodologies, Design Trends 2024 seeks to empower students to become future entrepreneurs and excel in the dynamic field of design. The event served as a platform for students to interact with industry leaders, fostering a bridge between academia and practical knowledge. Through insightful presentations, participants will gain valuable insights into the evolving landscape of industry, inspiring them to contribute to and shape the industry's future. Design Trends 2024 was a transformative experience designed to ignite the entrepreneurial spirit within the next generation of design professionals.

2. Inspiration & Objectives of the Event

The aim of the "Design Trends 2024" event was to provide a comprehensive platform for creative professionals, designers, and enthusiasts to explore, discuss, and gain insights into the latest trends shaping the world of design. The event aimed to foster a vibrant exchange of ideas, inspiring creativity, and innovation within the design community.

Objectives:

1. Showcase Emerging Trends
2. Knowledge Sharing and Collaboration
3. Networking Opportunities
4. Inspiration and Creativity Boost
5. Exhibition and Showcasing
6. Global Perspective

By achieving these objectives, the "Design Trends 2024" event aimed to contribute to the continuous evolution of the design industry, fostering innovation, collaboration, and excellence within the creative community.

3. Brief about the address/talk of speakers

The "Design Trends 2024" event was graced by a lineup of distinguished industry experts, each contributing a unique perspective and wealth of knowledge to the creative discourse. These eminent industry leaders who are founders, directors and chief design managers from Hettich, Gallant Orbit, BIM Nation, O'Tessere, SochIOT, Blackcat Automation, Sachi designs Pvt Ltd , Armica Laminates and 3K Lights enriched the event with their expertise through presentations and showcasing innovative products, shaping the narrative of design innovation . The speakers from these industry giants collectively contributed to "Design Trends 2024" being a transformative event, offering attendees a panoramic view of the latest trends and innovations that are shaping the future of design across various sectors. Their expertise left an indelible mark, inspiring the audience to push the boundaries of their own creative pursuits. Students and faculties from Amity School of Architecture & Planning and KRM University participated in this event and were awarded for securing different positions in design competition .

4. 'Take Homes' for the Guest and Attendees

1. Enable participants to explore a diverse range of design solutions and products that align with the latest trends.
2. Equip attendees with the tools and knowledge necessary to implement the latest design trends effectively in the field of architecture and interior design.
3. Create a conducive environment for networking, allowing attendees to connect with peers, mentors, and potential collaborators.

- 1. General Introduction of the Event-** World Wetlands Day, celebrated annually on 2 February, aims to raise global awareness about the vital role of wetlands for people and planet. This day also marks the date of the adoption of the Convention on Wetlands on 2 February 1971, in the Iranian city of Ramsar. The event had a movie screening on wetlands and how they are homes of millions of species of Flora and fauna and our ecosystem.
- 2. Inspiration &Objectives of the Event-** the inspiration of the event is to generate awareness about how important wetlands are for the sustainable functioning of our ecosystem.
- 3. Brief about the address/talk of speakers- NA**
‘Take Homes’ for the Guest and Attendees- It is urgent that we raise national and global awareness about wetlands in order to reverse their rapid loss and encourage actions to conserve and restore them. World Wetlands Day is the ideal time to increase people’s understanding of these critically important ecosystems. The students learned how the wetlands save a lot of precious animals and birds and how they control and save the ecosystem.

A social message about atrocities done on men was passed to the audience and a promotion of upcoming Amifest'24 took place.				

3. Event Report along with glimpses of the event (Photographs)

General Introduction of the Event : The concept of the story was based on the atrocities and discrimination faced by men in our society. Through our act we showed some of the very common and severe cruelties faced by men all over the country. Our nukkad natak left a powerful impression on the audience. It sparked

conversation about the often-overlooked difficulties faced by men in our society. Our act was appreciated for the topic we picked and the message we delivered through our act which was “Men Too”.

3.1 General Introduction of the Event : We donated sanitary pads to the women in slum at Amity University Haryana

3.2 Inspiration & Objectives of the Event : The objective of the Sanitary Pad Donation Camp is to promote menstrual hygiene and health among women and girls in underserved communities. By providing access to sanitary pads, we aim to reduce health risks, absenteeism from school and work, and the stigma associated with menstruation. This initiative seeks to empower women and girls by ensuring they have the necessary resources to manage their menstrual cycles with dignity and comfort. It also raises awareness about menstrual health education and advocates for better menstrual health practices in society.

3.3 Brief about the address/talk of speakers :

3.4 ‘Take Homes’ for the Guest and Attendees : a profound sense of fulfillment and purpose from contributing to an essential cause that promotes menstrual hygiene and health. They will gain a deeper understanding and empathy for the challenges women and girls face in underserved communities regarding menstrual management. This experience will also inspire a commitment to advocating for menstrual health and equity, fostering a spirit of community involvement, and encouraging future participation in similar charitable initiatives.

12. Event Report along with glimpses of the event(Photographs)

1. General Introduction of the Event

The State-level Youth Red Cross Training Camp for girls, which took place from February 7th to 12th, 2023, at the prestigious Shri Nangli Bela Ashram Bhupatwala near Sukhi Nadi in Haridwar, was a monumental event in the realm of youth development. There were many competitions such as solo song, group song, solo dance, group dance, lucky star, extempore and speech, debate, quiz, etc. Many talk sessions were given by experts and skilled persons (details mention in 3.3). It provided an enriching platform for young women to immerse themselves in humanitarian aid, community service, and personal growth, leaving an indelible mark on all participants.

2. Inspiration & Objectives of the Event:

The inspiration behind the State-level Youth Red Cross Training Camp for girls was to empower young women and promote humanitarian values. The objectives were to provide education, develop skills, facilitate networking, foster personal growth, and encourage community service

A dark side of the society was revealed by the play striking the conversation about the women suffering in our society. A message of raising voices against wrong was conveyed and a promotion of upcoming annual fest was done.				

3. Event Report along with glimpses of the event(Photographs)

3.1 General Introduction of the Event: Guhaar delved into the myriad wrongs perpetrated against women in India. Through a poignant narrative, the play explored the complexities of gender-based violence, discrimination, and societal expectations that have long plagued women in the country. The play showed different scenarios and stories where women have been wronged. The audience praised the play.

3.2 Inspiration & Objectives of the Event: Through compelling dialogues and evocative scenes, “Guhaar” strived to raise awareness about the injustices faced by women in India, fostering a sense of empathy and understanding among the audience. The play ultimately aimed to inspire conversations on social change and the empowerment of women in the face of adversity.

1. General Introduction of the Event

An outreach activity was organized by ASFDT department on 26th Feb'2024. The students and faculty of ASFDT visited Baghanki Village, Amity Road Haryana, 122105 and sensitized the children about different seasons that take place in a year. They were informed about different clothing as well as accessories according to the seasons and how to dress gracefully. Awareness was given of the importance of dressing according to the season. They were told about how protection can be given from seasonal diseases if they are properly clothed.

2. Inspiration & Objectives of the Event

- To dress up in such a way to protect from diseases during weather change.
- To learn about the different seasons.
- To know about the variety of garment designs.

- To know how to dress up gracefully and attractively.

1. General Introduction of the Event

Community engagement activities refer to initiatives designed to involve and connect community members in various social, cultural, or environmental endeavors. These activities aim to promote active participation, collaboration, and empowerment within communities. Overall, community engagement activities play a vital role in building strong, resilient communities by promoting communication, cooperation, and a sense of belonging among its members.

2. Objectives of the Event

- To build community relationships
- To address community needs, and social responsibility
- To make kids of Primary school aware of health and wellbeing.

3. Brief about the visit

The team members were greeted and introduced to begin with the event. In order to make the children feel at ease and encompassed, the team began with an icebreaker activity. Their daily lives and health-conscious practices served as the basis for the conversation themes. They were instructed on maintaining their personal hygiene, maintaining the cleanliness of the surrounding places, etc. Pupils were urged to submit their personal narratives, insights, and expertise.

33. Event Report along with glimpses of the event(Photographs)

1. General Introduction of the Event: "Thalassemia Screening & Blood Donation Camp" organized by Shakti in collaboration with other clubs namely – Allegories and Dramebaaz expands the youth into self – awareness about thalassemia and contributing blood as a noble cause to the society. The main association partners of the whole event were 'Thalassemia India' and 'Red Cross Society'.

Inspiration & Objectives of the Event: Shakti, being a club that has always encouraged welfare of women and their empowerment, tries to look for new and innovative ways to increase awareness regarding topics that are often considered taboo. Shakti aims at engaging youth in the destructive unseen sights of the society and keeping that in mind, the Thalassemia Awareness Camp was set up. The aim of this initiative was to raise awareness for healthy living in all sections of the society.

1. General Introduction of the Event

ASFDT organised an event '*Blossoming Futures*' on Navaratri. The event was organized on 16th April'2024 to celebrate the girl child. "Blossoming Futures" symbolized a collective commitment to nurturing the potential of every girl and creating a world where they can thrive, free from discrimination and inequality. The parents were sensitized about the importance of the girl child, that we should not only recognize their inherent value but also reaffirm our responsibility to create inclusive and equitable societies where every girl can fulfil her dreams and aspirations. The students of ASFDT played games with the children and distributed gifts amongst them. It was an enjoyable experience for all the participants & Student coordinators.

Young minds were awaked about the voting system in India and a message of votes being important was conveyed to the audience which encouraged them to spread awareness about the same in their society.

3. Event Report along with glimpses of the event(Photographs)

- 3.1 **General Introduction of the Event:** A nukkad natak was performed depicting the importance of voting to encourage people to vote in upcoming elections. The play vividly illustrates numerous instances where votes are being bought through the distribution of phones, money, alcohol, and other incentives. Each scene is meticulously crafted to depict the underhanded tactics used to influence voters, bringing to light the pervasive issue of electoral corruption. The dialogue throughout the play is simple yet powerful, blending humor with serious commentary to maintain the audience's engagement and provoke thought. The inclusion of captivating choreographed sequences adds to the dynamic nature of the performance, making it both entertaining and thought-provoking. As the play draws to a close, a poignant narration underscores the crucial importance of voting, urging the audience to recognize their power and responsibility in a democratic society. This final message serves as a call to action, encouraging viewers to value their vote and participate actively in the electoral process.
- 3.2 **Inspiration & Objectives of the Event:** Conveying the importance of voting, Encouraging people to vote in upcoming elections, urging individuals to rise above indifference and become agents of change through the simple yet profound act of voting.
- 3.3 **Brief about the address/talk of speakers:** “Ho Rhe Matdaan” is a captivating nukkad natak (street play) that fervently highlight the paramount importance of voting in the Indian context. It serves as a poignant reminder of the power vested in the hands of the electorate and the collective responsibility to safeguard democracy.
- 3.4 **‘Take Homes’ for the Guest and Attendees:** One person represents one vote and each cote counts. Hence, voting is a necessity for an effective democracy.

3.1 General Introduction of the Event : The Health Camp at Amity University Haryana was conducted as a part of Implementation of SEG project titled “Implementation of Community Based Participatory Research Using Interdisciplinary Approach to Provide Healthcare Solution for Women in Rural Haryana” funded by Ministry of Education under the Unnat Bharat Abhiyan 2.0.

3.2 Inspiration & Objectives of the Event: As per the project objective, health record of women residing in nearby villages will be studied and will be analysed to recommend corrective actions. The data is recorded using a mobile App developed by students of B Tech CSE, Mr. Hammad and Mr. Sujan Mali under the guidance of Prof. Satish Sardana, Dr Shweta Sinha, Dr Asim Kr. Mishra and Dr Subhra Das. The students of B Pharma- Mr. Bishal Gupta and Ms. Urja Sharma under the supervision of Prof. Sardana, Dr Dilip Kumar and Dr Asim Kumar collected the healthcare data (BP, Heart rate, SPO2, Height, weight, vision test, skin pigmentation checks) of 34 people comprising of students, women housekeeping staffs and male staffs. Dr Dilip counselled the women & staff members seeing the record for necessary dietary requirements. Prof. Sardana guided the students and faculty members during the health camp and counselled the women and staffs who came for the checkup. The data will be further analysed using a software that the CS students will develop in collaboration with the AIP students.

3. Event Report along with glimpses of the event(Photographs)

General Introduction of the Event: The "Health Rally and Awareness program on Antibiotic Resistance was organised on the occasion of World Red Cross day by the Amity Medical School, Centre of Excellence for Innovation in Education and Dean Student Welfare office . This program was held at the Amity University Haryana campus. Commemorating World Red Cross Day, this outreach event aimed to shed light on the pressing issue of antibiotic resistance. It covered from the Amity university campus to the Fazalwas village of Panchgoan, Haryana, emphasizing the importance of community engagement in addressing healthcare challenges.

The inspiration behind this event likely stemmed from the alarming global rise in antibiotic resistance, which poses a serious threat to healthcare. The objectives were multifaceted: to raise awareness among the public, particularly in rural communities, about the consequences of antibiotic misuse; to educate individuals on proper antibiotic usage as per medical guidance; and to empower communities with knowledge on preventive measures against antibiotic resistance

3.3 Brief about the Address/Talk of Speakers: The event began at 10:30 AM at the Academic D Block foyer with a welcome address by Dr. Luxita Sharma (HOI, AMS), introducing the event and its importance. Dr. Sanjana Vij, Director Academic Staff college delivered a special note on World Red Cross Day, setting the tone for the event. She read the message of Hon'ble Governor of Haryana Shri Bandaru Dattatray and Red Cross society's message. The esteemed guests of honour, including the Honourable Vice-Chancellor Prof. Dr P.B Sharma, and Pro Vice-Chancellor Prof. Dr Vikas Madhukar,

then inaugurated the event and delivered insightful talks on the World Red Cross day and antibiotic resistance awareness to the students of Amity Medical School. Following this, Dr. Girija Kumari and Dr. Manoj Kashyap, along with a team of undergraduate and postgraduate students, led the Health Rally, disseminating important information on antibiotic resistance across the Amity University Haryana campus. Later they spread the awareness to the community members present at Anganwadi, Fazalwas village.
