**3 Event Report along with glimpses of the event(Photographs)**

**3.1 General Introduction of the Event:**

The delegates from Miami University, Oxford, Ohio USA were invited by OIA-AUH. The delegation was led by Ms. Karla Guinigundo-director of Global Partnerships & Prof. (Dr.) Vaishali Raval- Associate Chair Professor of Psychology-Miami University; for a Meeting to explore collaborations for Internationalization of higher education and to exchange teaching curriculum&pedagogy there was deliberation between faculty of various disciplines. The visit also aimed to embrace cross cultural experiences.

**3.2 Inspiration & Objectives of the Event:**

With NEP 2020, encouraging Internationalization in higher Education, facilitating all educational institutions to have Articulations, Partnershipsfortwinning programs and Dual degree programs.; as well Educationists and leaders of Amity following NEP promoting Internationalization in higher Education inspired Office of International Affairs to invite Miami Delegation led by Ms. Karla Guinigundo -Director of global Partnerships & Prof. (Dr.) Vaishali Raval-Professor of Psychology to have a meeting to explore future collaborations and have immersion of cultural experiences.

**3.3 Brief about the address/talk of speakers:**

The event began with Opening remarks of Prof. (Dr.) Gunjan M Sanjeev-VP (RBEF) & Director-OIA. She talked about some of the strategic internationalization initiatives of high importance at Amity that include setting up of international campuses for Amity Group, fostering international linkages with top tier Universities across the world, creating study abroad opportunities for students, enhancing the learning experience of international students, amongst other initiatives. Further a video on Amity University's achievements and progress in India in a short span was shown to the guests.

Further Prof.( Dr.) Vikas Madhukar welcomed the guests. He addressed the participants and deliberated that “ National Education Policy is more focused on Internationalization and Amity has been following this from 2003. He talked about various international programs : Study Abroad Program, 3 Continent Program, Global Study Program. Internationalization is an important pillar in Amity for the benefit of faculty & student's growth.

Prof. (Dr.) Vaishali Raval expressed her deepest gratitude to Amity. She expressed India for a US govt. funded project - Study to enhance the international exposure of international students. Being aware of the colonial roots in India & ways to incor

  
Registrar  
Amity University Haryana  
Manesar Gurgaon-122413

teaching ways to expand the relationship between Miami University & Amity University. She clearly said that they aim to expand the decisions & discussions to be held in Amity to result into a partnership across cross disciplines in Miami University.

Ms. Karla Guinigundo said “India has become an important part in Internationalization efforts at Miami University”. She talked about the internationalization efforts taken by Miami University, and she spoke about the various possible programs offered for students & faculty. She emphasized that this one-to-one interaction of Miami faculty with respective discipline faculty of AUH shall certainly result into strengthening the bonds between Miami University & Amity University.

After that Break out session was carried out in 4 groups led by: Dr Ila Gupta, Prof.(Dr.) Esha Jainiti, Dr Sanjana Vij , Dr Rajesh Nair & Dr. . M. Jose. All discussions led to a fruitful exercise for both the universities Miami & Amity.

At the conclusion of the program Vote of Thanks was given by Rear Admiral K. K. Pandey. He thanked specifically Prof. (Dr.) Gunjan M Sanjeev for this platform & opportunity for all to participate and have exchange of ideas and discussions to foster collaborations. He thanked esteemed guests, AUH faculty participants, & all members of organizing Committee.

### **3.4 ‘Take Homes’ for the Guest and Attendees:**

The Guests & faculty AUH had a Breakout Session-Discipline-wise interaction of the delegates with respective faculty HOIs. The deliberations resulted to a fruitful exercise as they exchanged their teaching/research interests, the outcome based, and the skill-based nature of programs offered at AUH and Miami University in various disciplines. Possibilities of Faculty exchange & student exchange possibilities, for both, short- and long-term duration. Also, the possibility of doing collaborative projects were also briefly discussed.

### **3.4 Future plan for utilizing the contacts developed with the Invited Guests:**

Utilizing the contacts exchanged during Breakout Session, the AUH faculty & Miami delegates will be in touch and collaborate in future for faculty exchange /student exchange. They shall also see the research areas of their interests and collaborative research project could be the futuristic plans of development.

<b>4. <u>Any other</u></b>				

### 3. Event Report along with glimpses of the event (Photographs)

**3.1 General Introduction of the Event :-** TechnoVision was an creative competition organized by ASET on the prestigious occasion of Innovation Day. TechnoVision, a highly regarded poster making competition, brings together the worlds of art and technology. Participants create visually captivating posters centered around the theme of technology, competing for recognition and prizes. This event celebrates the fusion of innovation and artistic expression while fostering networking opportunities among participants. It's an enriching experience that highlights the impact of technology on our lives.

**3.2 Objectives of the Event :-** TechnoVision event aims to achieve several key objectives. Promoting creativity by challenging participants to express their artistic talents through poster design. Seeks to increase awareness about the societal implications of technology. The event fosters collaboration among students for potential funded projects in the technology domain. TechnoVision contributes to participants' personal growth by providing a platform for skill development and creative expression.

**Report:**

The Haryana Police, recognizing the importance of women's safety and has taken a proactive step by developing a dedicated safety app. In a collaborative effort to ensure the safety and well-being of women, representatives from the Haryana Police visited Amity University Haryana on 28 Sep 2023 to enlightening and empowering female students about the significance of the safety app-112 India

During the session, the Haryana Police team provided comprehensive guidance on the '112 India' app, which boasts eight essential features and functionalities. They emphasized the app's role as a val

Registrar  
 Amity University Haryana  
 Manesar Gurgaon-122413

personal safety of female students. Additionally, the team offered hands-on assistance to install the app on the students' mobile devices, ensuring they were well-equipped with this resource.

The '112 India' app offers a diverse range of features, including:

- Emergency Call: Quick access to dial the emergency number 112 for immediate assistance.
- Location Services: Sharing the user's location with emergency services for faster response.
- Text Messaging: Sending text messages to emergency services during distress calls.
- Safety Tips: Providing valuable safety tips and guidance.
- SOS Button: Immediate alert capability when the SOS button is pressed.
- Community Alerts: Receiving alerts and notifications about emergencies in the area.
- Language Support: Multilingual support to cater to various users.
- Contact Sharing: Sharing emergency contacts and medical information with responders.

This proactive engagement between the Haryana Police and the students of Amity University Haryana reflects a shared commitment to creating a safer and more secure environment for women. It highlights the importance of collaborative efforts in ensuring the well-being of all members of society."

Dy DSW, Prof Sanjna Vij at the end summarized by explaining to the female students the immense benefits of having this safety app on their mobile devices. Dr Vij's mentoring provided a meaningful perspective on how this resource contributes to the safety and well-being of our students. She Thanked to Maj Gen Dhull for this initiative.

b) Benefit to society in terms of Education				The International workshop was organized to provide practical aspects of tools and technologies in the field of nutrition, health and wellbeing. Use of these applications and technical advancements could be used to face the challenges generated by ever-increasing disease prevalence
<b>4. Outcome related to Students Learning &amp;Grooming</b>				
				Use of these applications and technical advancements in medical will ensure the practical approached learning and will enable the students to face the challenges generated in real life situation.
<b>5. <u>Any other</u></b>				

**3. Event Report along with glimpses of the event(Photographs)**

**3.1 General Introduction of the Event:** Nutrition promotes vitality and an overall sense of health and well-being by providing the body with energy and nutrients that fuel growth, healing, and all body systems and functions. Optimum nutrition also helps to ward off the development of various chronic diseases. With the increasing consumers awareness about the various facts of nutrition and its impact on overall wellbeing of an individual, it is a need of time to provide a platform for leaders in the academia’s, food processing sectors, nutritionist, scientist, industries, civil society, and NGOs to discuss and share their experience with the people around and to answer their curiosity related to a particular field. This workshop aims to assist beneficiaries in understanding various aspects of Nutrition, health and wellbeing and the opportunities and challenges faced in ensuring food and nutrition security worldwide. which would greatly assist them in understanding various indispensable aspects of food science and nutrition in the best possible way.

- 3.2 Inspiration & Objectives of the Event:** To provide an understanding of basics of nutrition and its relation to overall health and wellbeing of an individual.
- To foster conceptual learning in the field of food science and nutrition emphasizing on carbs, fat, protein, vitamin, and minerals and how they impact your overall health and wellness.
  - Debunking the media myths and marketing confusion around what is actually healthy.
  - To promote healthy eating practices in order to maximize optimum intake of nutrients on daily basis.
  - To recognize the importance of exercise and how it effects the various biochemical parameters in body, helps to reduce medication dependence, reduces the risk of various chronic diseases and how regular physical activity can make living with degenerative diseases manageable.
  - Overall, the workshop will equip participants to get thorough knowledge on various factors affecting health and fitness of a person and aids them in adapting holistic approaches for healthy and happy living.

**3.3 Brief about the address/talk of speakers**

Amity Medical School with Amity Academic Staff College in Collaboration , Delhi chapter organized a Two-day International workshop on “Nutrition, Health October 2023 at Amity University Haryana. The main objective behind the population's the role of nutrition in health and well-being.

1<sup>st</sup> day of the event was started with the name of Almighty God to enlighten the path of knowledge by Saraswati Vandana and lamp lightening. The opening address was given by Prof. Sanjana Vij, Deputy Director, Amity Academic Staff College Head, Amity University Haryana. Prof. Vij has given a brief introduction to the topic and summarized the need for nutrition in health and well-being.

Dr. Luxita Sharma, Director, Amity Medical School & HOD, Department of Dietetics & Applied Nutrition, welcomes all the dignitaries and participants. She also briefed the topic of the Workshop and shared some of her life experiences in the field of clinical nutrition and spoke about how proper and good nutrition is linked with good health and well-being.

Then the keynote address was given by Prof. (Dr.) P.B. Sharma, Hon'ble Vice Chancellor, Amity University Haryana, Amity University Haryana. He has also highlighted his points of view on the role of nutrition in health and well-being. Sir has also congratulated the organizers of the workshop and motivated them to continue with such informative and unprecedented topics for the future.

The session was continued by Guest of Honor-Prof. (Dr.) N. R. Dash, President, IAPEN India-Delhi Chapter, Department of G.I. Surgery, AIIMS, New Delhi. He has also covered how nutrition is linked with health and well-being by focusing on a few topics such as today's world nutrition, the history of nutrition, personalized nutrition, family nutrition, community nutrition, gap of DBM is narrowing, and how overnutrition is rising.

Then a vote of Thanks was delivered by Dr. Gaurav Kumar Bhardwaj, HOD, Department of Optometry, AMS, AUH.

### **Plenary session-1**

The first plenary session was started by Ms. Shilpa Chadha Thakur, General Secretary, IAPEN India-Delhi Chapter, Senior Consultant Dietetics, Asian Hospital, Faridabad. She delivered her talk on "obesity and fad diet", and she explained very well how the fad diet is one of the important factors for the current scenario of obesity.

Thereafter, the session was continued by Ms. Anita Jatana, Vice President, IAPEN India, Delhi Chapter, Consultant Dietetics, Apollo Hospital, New Delhi. She has covered how Diet is important in the Holistic Approach to Good Health Immunity. Deepti Khatuja, Chief Dietician, Fortis Memorial Research Institute, Gurugram. She has covered on the topic Immunity and Diet.

After Small break for lunch, we continued our session by Mr Nikesh Kumar Jain from NSR NutriEdu Tech Solutions Pvt. Ltd. He has conducted the Workshop on "Nutrition Digitalization using NSRNutriCal". Then the lecture was continued by Ms. Pooja Singh Workshop on innovation in contact lenses. Ms Tanima Chakraborty & and Aashish Bhatnagar from Essilor in A-block auditorium, AUH. The students benefited from their talk.

Then the Poster/Model Presentation and Quiz contest was conducted by the organizer.

### **Plenary session-2**

2<sup>nd</sup> day of the plenary session was started by Dr. Joydeep Dutta Professor, Department of Chemistry, AUH. He has given a very well presentation and talk on the topic "Manuscript Writing".

Thereafter, the session was started by Arun Kumar Agarwal President - Sound Hearing 2030. He has given a wonderful talk on Young India- Unsafe listening and discussed how the young generation day by day facing hearing loss and by 2050 over 6 billion of the younger might lose their hearing.

The session was continued by Mr. Suneel Kumar Dixit on the topic Optometry Clinical Practice by Tele (included - All about tele - Project proposal - Case Based Discussion). Then continued by Mr. Kushal Mehra on the topic "Custom made Artificial Eye - Why every Optoms should be aware". The session was started by Mr Kushal Mehra & team.

Workshop on Scleral contact lens workshop from Purecon was given by Mr. Gagan Sahani and Ms. Achint Kaur.

Then the session was online and delivered by our international speaker Dr. Ang Yeow Nyin UKM, Malaysia, and covered the topic of Nutrition and Health.

Thereafter one more session was delivered online by our international speaker Dr Meshach Aiwerioghene Senior Lecturer, Healthcare Management, Faculty of Medicine, Health and Social Care, Swansea University, United Kingdom. He delivered his speech on “Understanding Stress and How it Affects Your Health and Wellbeing”.

Thereafter, the session was continued by Dr. Suparna Jerath Program Head, Nutrition at The George Institute for Global Health, India. She has delivered her speech on The Nutrition Transition.

After the lunch break, we returned to our enthusiastic session. The Workshop on “Ayurveda Technology in Nutrition” was conducted by Ms. Shreya Agarwal from P-NUT.

The Workshop was continued by Phoenix Solanki and her team from Cochlear Ltd. on “Cochlear Implant Fitting”.

Then the most important part of the session was now come to announce the name of the winner who participated in the Poster/Model Presentation and Quiz contest. After that Valedictory Programme and vote of Thanks were delivered by Dr Luxita Sharma, Director, Amity Medical School, HOD, Department of Dietetics & Applied Nutrition.

The entire program was coordinated with the support of the Vice-chancellor, Academic Staff College, faculty, Ph.D research scholars, and students of Amity Medical School.

### 3. Event Report along with glimpses of the event (Photographs)

**3.1 General Introduction of the Event** - Amity School of Hospitality (ASH) organized “BURNT Movie Show” under “AUH 24x7 Initiative” on 05/10/2023 at Class Room No. 1, ASH. The faculty coordinators were Mr. Subir Kumar Malakar – Associate Professor & Mr. Akshay Nain – Assistant Professor. The objective to conduct this event was to make ASH students gain a lot of information regarding how to attain perfection in cooking profession & how to overcome tension, pressure & urgency in hotel/restaurant kitchens. A total of 14 BHM & BTTM Students of ASH participated in this event. BURNT is a 2015 American Drama Film directed by John Wells and written by Steven Knight, from a story by Michael Kalesniko. The film stars an ensemble cast including Bradley Cooper, Sienna Miller, Omar Sy, Daniel Brühl, Matthew Rhys, Riccardo Scamarcio, Alicia Vikander, Uma Thurman and Emma Thompson. The film was released on October 30, 2015, by The Weinstein Company. Director John Wells does a good job of showing the tension, pressure and urgency in a high-end kitchen, where even the garnish must be placed on just the right angle. Adam Jones (Bradley Cooper) is depicted as an artist obsessed with his creations. Perfection, the film tells us, may be impossible, but that doesn't stop Adam Jones from trying, again and again, to achieve it. The film's message is this: what's important is how you seek perfection in your profession.

**3.2 Inspiration & Objectives of the Event** – The inspiration & objective of the event was to organize “BURNT Movie Show” under “AUH 24x7 Initiative” to educate students about how to attain perfection in cooking profession & how to overcome tension, pressure & urgency in hotel/restaurant kitchens.

**3.3 Brief about the address/talk of speakers** – N/A

**3.4 ‘Take Homes’ for the Guest and Attendees** – The ‘Take Homes’ for the Attendees was that they gained information about how to attain perfection in cooking profession & how to overcome tension, pressure & urgency in hotel/restaurant kitchens.

**3.5 Future plan for utilizing the contacts developed with the Invited Guests** – N/A

**3.6 Budget of the Event (Budget Sanctioned, Total Expenditure & Revenue Generated)** – N/A

### 3. Outcome of the Event with Time Lines (Proposed/Achieved)

Envisaged Outcome	Tangible/Intangible	Achieved/Proposed	Target date & responsibilities (if proposed)	Details of outcome
<b>1. Outcome related to Academia Connect</b>				
a) Collaborations for Research Papers/Conference Papers/ Book Chapter etc.				
b) Collaborations & MOU for Research Guidance [PhD, PG & UG (summer training, Dissertation)] & Projects/Use of Instruments etc.		The IARI faculty explained the opportunities that Economic students do get, which has benefitted ASE/AU H students too		<b>Research Skills:</b> Students had the opportunity to understand the research activities at IARI. Conducting surveys, analyzing data, and understanding research methodologies are valuable skills that can be honed during such visits. These skills are essential for future economists.
c) Collaboration for Funded Projects				
<b>2. Outcome related to Industry Connect</b>				
a) Placement				<b>Career Insights:</b> Exposure to the v agric agric

  
 Registrar  
 Amity University Haryana  
 Manesar Gurgaon-122413

				analysts, or researchers, can help students make informed decisions about their future careers. They can identify areas of interest and potential career paths within the field of economics.
b) Collaborations for Research Papers				
c) Collaborations & MOU for Research Guidance [PhD, PG & UG (summer training, Dissertation)] & Projects/Use of Instruments				<b>Teamwork and Collaboration:</b> Group visits promote teamwork and collaboration among students. They learn to work together, share responsibilities, and solve problems collectively, skills essential for their future academic and professional endeavors
d) Collaboration for Funded Projects				

### 3. Outcome related to Society Outreach

a) Benefit to society in terms of Health & Hygiene				
b) Benefit to society in terms of Education				<i>The students will be in the future serving the farming community</i>

### 4. Outcome related to Students Learning & Grooming

A study visit to the Indian Agricultural Research Institute (IARI) can have several positive outcomes related to students' learning and grooming in the field of economics.	<i>The ASE Students could learn many things about the food that we eat, its economics.</i>	<b>Enhanced Knowledge:</b> Students gained in-depth knowledge about agricultural economics, sustainable farming practices, and the agricultural industry. They also learned about the economic aspects of agriculture, including production costs, market trends, and government policies		<b>Practical Exposure:</b> Visiting IARI allowed students to see theoretical concepts in action. They observed agricultural experiments, innovative farming techniques, and interacted with experts in the field. This practical exposure enhances their understanding and provides real-world context to their learning. <b>Networking:</b> Interacting with researchers, scientists, and professionals at IARI helped students build valuable networks. These connections can be beneficial for their academic and professional growth, providing mentorship opportunities and potential collaborations. <b>Critical Thinking:</b> Encounters with real-world agricultural challenges can stimulate critical thinking. Students can analyze complex issues, evaluate different solutions, and develop a deeper understanding of the economic implications of agricultural decisions and policies. <b>Communication Skills:</b> Engaging with experts and peers during the visit can enhance students' communication skills. They

 Manesar Gurgaon-122413

		affecting the agricultural sector.	improving their ability to articulate economic concepts effectively. <b>Inspiration and Motivation:</b> Meeting successful professionals and witnessing innovative agricultural practices can inspire students. It can motivate them to pursue further studies or research in economics, agriculture, or related fields, driving their passion for learning.
--	--	------------------------------------	---

**5. Any other**

**Cultural Exposure:** The visit to Indian **Agricultural Science Museum** helped the students to gain insights into the socio-economic aspects of rural life. Understanding the history of diverse cultures and agrarian economic challenges broadens their perspective and empathy, essential qualities for well-rounded economists.

In summary, a study visit to the Indian Agricultural Research Institute can significantly contribute to students' learning and grooming by enhancing their knowledge, providing practical exposure, developing essential skills, fostering networks, and inspiring them to excel in the field of economics.

The students reflections on the study visit are Given below:

**A50018222004 Mr VADDE NAGARAJU:BA (H) Economics Sester -III**

Firstly, I want to express my gratitude to Amity University and the Economics Department for providing me with the wonderful opportunity to visit the Indian Research Agriculture Institute and gain practical knowledge about agriculture in both Indian and global contexts."

My learning points are

- i. While observing, I noticed that the institute's employees utilize a **multidisciplinary approach, integrating** various fields of science, economics, and technology to address complex agricultural challenges.
- ii. When we visited farms and nurseries, I noticed that the IRAI was conducting research on various crops, emphasizing the need **to diversify for better resilience to climate change** as This has broader implications for regional economics.

  
 Registrar  
 Amity University Haryana  
 Manesar Gurgaon-122413

- iii. learning **about sustainable farming techniques emphasizing importance** of environmentally friendly methods for long term economic viability.
- iv. Recognizing the institute use of **data analytics and technology for informed decision making** reinforced the role data optimizing resources allocation and investment in agriculture.
- v. Finally, I understand the **importance of knowledge transfer to farmers**, ensuring they have access to the latest information and best practices.

### **Sasikant MA Economics -1**

- i. Indian Agricultural Research institute is also a world class agricultural research centre .We the Students had great opportunity to learn about Agriculture. IARI is helpful to make research and projects regarding Agriculture.
- ii. Day-by-Day world is upgrading and also technology was also improving from that IARI is also changing and upgrading the Research techniques and also using different technology like Machinery, Marketing techniques.
- iii. 3)IARI is helping the farmers to aware about New Farming techniques. These Farming techniques are helpful to farmers to learn New kind of farming techniques.
- iv. IARI is also Maintaining international relations through Marketing. it helpful to maintain and growth in India's GDP. Through this it will helps India to maintain Friendly relation with neighboring and other counties.
- v. There are so many Scientists are there in the IARI. They gave us inspiration to make india No1. Like M.S. Swaminathan he is one of the great scientists also known as father of green revolution.

### **A50018222014 Ms LAKSHITA YADAV BA (H) Economics III**

We learnt about : The campus of Indian Agricultural 1.Research Institute is in 500 hectare and how the utilize it in for testing their various agro experiments.

- i. We came to know that only 25% of their research is available to common farmers due to scalability issue.
- ii. The role of krishi Mela organised by them for selling genetically modified saplings for better results to farmers.
- iii. The poly house- how it's controlled environment help in growing some specific crops .The Israil technology of plantation.
- iv. The future of education in field of Agricultural economics.
- v. Ancient farming techniques being displayed in the agricultural museum.

### **A50018222013 Mr SHUBHAM BA (H) Economics-III**

We learnt about:

- i. The history and significance of the PUSA farm why it was made in 1907
- ii. The father of Green revolution MS Swaminathan
- iii. The cross breeding of the plants mainly tomato.Poly house technology of tomato and cucumber.
- iv. The mixture named Soilide being used which contains vermicular composts.
- v. The Israil plantation techniques and the green house farming
- vi. The integrated farming ecosystem of pond fishery , ducks , hens and the surrounding fields
- vii. Drip irrigation and fertilizer controlling
- viii. The future of Agricultural economics, MSP and Subsidies
- ix. We also say the fossils or remains of some old agricultural crops like horsegram , gram , chickpeas in the museum.

### **Aruna MA Economics -I**

- i. I learned IARI came Bihar to Delhi in 29th July 1936

  
 Registrar  
 Amity University Haryana  
 Manesar Gurgaon-122413

- ii. Different type of theme research like Farm management and resources economics, Agriculture and marketing trade
- iii. We learned about cutting-edge research in crop breeding, pest control, and sustainable farming practices.
- iv. In museums we learned our farming village culture many different Many different ways of living
- v. Discover sustainable farming techniques, such as organic farming, integrated pest management, and precision agriculture.

## Directorate of Outcome

### Outcome Report (Event/Activity Organized @ AUH)

#### 1. General Information

**Date:** 05 October 2023  
**Event Type:** Guest Lecture  
**Event Title:** DRDO Arsenic Removal Technology (DART): A Sustainable Solution for Arsenic Remediation from Ground Water  
**Event Theme:** DRDO Arsenic Removal Technology (DART)  
**Venue:** B-Block Auditorium, AUH  
**Organized by:** Department of Chemistry, Biochemistry and Forensic Science.  
**Event Level:** Institutional  
**Student Participation\*:** No. of Students from AUH (Course wise): 50M.Sc. (AC); 4M.Sc (FS); 02B.Sc. (Chem); 42B.Sc. (FS); 01B.Sc. (Biotech)  
**Faculty Participation\*:** No. of Faculty Members from AUH (Deptt. wise): - 11  
**Participation from outside AUH\*:** No. of Students & Faculty Members-NIL  
*(Enclose attendance sheets in given format)*  
**Event Coordinator(s) with designation:** Dr. Dipti Vaya (Associate Professor) and Dr. Mamta (Asst. Prof.-III)

**Details of Expert/Speaker/Resource Person/Judge:** NA

## 2. Event Report along with glimpses of the event (Photographs)

The guest lecture organized by CBFS, delivered the awareness importance of having good quality, contamination free water for the healthy community, which was basically focused on removal of deadly toxins like Arsenic from the ground water.

Guest Lecture – 5<sup>th</sup> October, 2023 by Dr Kshipra Misra-

Importance of having good quality water and the major ground water impurities including the deadly toxin like Arsenic and successive way of removing this toxin from ground water using the method “DART” which is DRDO’s arsenic removal technology.

Future plan for utilizing the contacts developed with the Invited Guests: NA

### 2.1 Budget of the Event (Budget Sanctioned, Total Expenditure & Revenue Generated):

Total Expenditure: Rs. 3000/- [Honorarium: Rs. 2000/- and TA: Rs.1000/-]

## Guest Lecture Report

On October 5<sup>th</sup>, 2023, a guest lecture on **DRDO Arsenic Removal Technology (DART)** was organized by Deptt. of Chemistry, Biochemistry and Forensic Science, Amity University, Haryana . The event was held in the B-block auditorium and the guest speaker was an expert in the field of removal of arsenic from ground water with several years of experience.

### Information of Guest

**Name-** Dr Kshipra Misra, the Former Additional Director, DRDO-Defence Institute of Physiology & Allied Sciences, Delhi and currently she is serving as President, “Save The Environment” - A Society for Research, Awareness & Social Development.

**Education.** Ph.D in Chemistry and Post Doctorate from Harvard School of Public Health, Harvard University, USA.

**Now actively involving in implementing various environmental and societal initiatives and organizing scientific meets on environmental issues.**

### Motivational speaker-

- Successfully completed various projects as Project Director and guided several Ph.D and Masters' students
- Visiting Scientist in the University of Quebec, Canada.
- Expert member in various research project evaluation committees of different government organizations and academic institutes.
- Life time member for number of national and international professional societies. She has delivered several invited talks in India as well as abroad.
- Chief Editor of The International Journal of Environment and Health Sciences and is also editorial board member and reviewer in journals of international repute.
- Conferred with several awards and honors, some among them being the prestigious:
  - ✓ Anubhav Award from The Government of India;
  - ✓ WATI, Women and Technological Innovation Award;
  - ✓ DRDO- Spin off Technology Award; Bhartiya Stree Shakti Samman;
  - ✓ Anveshan Award by IIM, Ahmedabad;
  - ✓ Bharat Jyoti Award;
  - ✓ NRDC, Government of India Social Innovation award
  - ✓ NESAI Eminent Scientist honor.

  
Registrar  
Amity University Haryana  
Manesar Gurgaon-122413

- ✓ Her name is also included in Marquis Who's Who in Asia and Reference Asia (Asia's Who's Who of Men & Women of Achievement).
- Renowned for the development of innovative DART filters used for reducing the impact of arsenic poisoning in groundwater.
- Authored more than hundred research papers published in international and national journals. Editor-in-Chief of a book and has contributed many chapters in various books related to Environment Science and Phytochemistry and has many national and international patents to her credit.

### **DRDO Arsenic Removal Technology (DART): A Sustainable Solution for Arsenic Remediation from Ground Water**

Arsenic contamination in groundwater is a significant issue in various parts of India. Arsenic is a naturally occurring element that can be found in rocks and soil. When the groundwater comes into contact with these arsenic-rich geological formations, it can become contaminated with arsenic, posing serious health risks to people who consume the water.

Several states in India, including West Bengal, Bihar, Uttar Pradesh, Jharkhand, and Assam, have reported high levels of arsenic contamination in their groundwater. The World Health Organization (WHO) has set the safe limit for arsenic in drinking water at 10 micrograms per liter ( $\mu\text{g/L}$ ). In many affected areas in India, the arsenic levels far exceed this limit.

Long-term consumption of arsenic-contaminated water can lead to various health problems, including skin lesions, cancer, cardiovascular diseases, and developmental effects. It is crucial for residents in affected areas to have access to safe drinking water sources, and efforts are being made by the government and various organizations to address this issue.

DART, in the context of DRDO (Defence Research and Development Organisation) India, stands for "DRDOs arsenic removal technology." It is an arsenic removal technique developed by the DRDO to address the issue of arsenic contamination in groundwater, particularly in the states of West Bengal and other parts of India where this problem is prevalent. DART utilizes a sorbent material that is capable of adsorbing arsenic from water. The sorbent material may include materials like iron oxide-based compounds or modified activated alumina, which have a high affinity for arsenic. As water containing arsenic passes through a filter or column containing the sorbent material, the arsenic ions are adsorbed onto the surface of the sorbent through chemical interactions. One of the significant features of DRDO's DART technology is the ability to regenerate the sorbent material after it reaches its adsorption capacity. Regeneration techniques may involve desorption processes using chemicals or other methods to remove the adsorbed arsenic from the sorbent, allowing the sorbent to be reused multiple times. Like as a building material.

DRDO's DART technology has been instrumental in providing safe drinking water to communities in arsenic-affected regions, contributing significantly to public health and environmental safety efforts in these areas.

### 3. Event Report along with glimpses of the event(*Photographs*)

#### 3.1 General Introduction of the Event

**World Mental Health Day** to raise awareness about the preventive steps and measures for suicidal ideation. These preventive measures can be implemented by the students to the challenges they face in daily life. On 10th October mental health awareness program is organized in Farkarpur village under Unnat Bharat Abhiyan. Nurses play an important role in teaching and counsel about various aspects of mental health.

#### 3.2 Inspiration & Objectives of the Event

This event was organized with an objective to encourage the student nurses to gain comprehensive knowledge regarding mental health and how physical parameter can affect the mental health status of person by raising awareness among the youth & community.

#### 3.3 Brief about the address/talk of speakers

On 10th October 2023, Amity College of nursing, Amity University, B.Sc Nursing 7th Semester students had organized a health assessment camp and mental health awareness to celebrate “Mental Health Day” in village Farkharpur, Gurugram, Haryana. The health camp was organized in very interesting way to make community people aware about their physical health. The participants expressed that the education was very informative and highly beneficial to them.

#### 3.4 ‘Take Homes’ for the Guest and Attendees

This event motivated the nursing students to develop and gained confidence and motivated audiences to improve awareness of mental health and to enable young people to spread awareness about the mental health and its impact on physical health.

### 3. Outcome related to Society Outreach

a) Benefit to society in terms of Health & Hygiene	The event aimed at sensitizing college goers in normalizing seeking mental health care related services be it psychological first aid or psychotherapy.	Achieved: 1. The event was successful in conducting a mental health quiz for students of disciplines other than psychology as was proposed in the report for <b>Inquisitive</b> competition held for AIBAS students for INNOVATION DAY celebrations this year. 2. The event utilized all modalities of educating youth about mental health awareness – intellectual (quiz), performing art (skit-Ranjish, role-play), intervention (art therapy) and literary art (poetry).		The event was successful as it resonated with the audience. The natural convincing performances of the students through role-play, skit and poetry gave the audience the core message to normalize mental health conversations and prioritize seeking therapy/intervention.  Art therapy session simplified the process of introspection and constructing a more positive self concept using the medium of colours.
b) Benefit to society in terms of Education	It also aimed at generating awareness amongst psychology and non-psychology students about diverse mental health issues faced and managed in India and across the	Proposed:  AIBAS is keen to organize art and creative body movement therapy based workshops with help of its competent faculty and external resource persons for		The event was impactful as it used diverse medium of educating the students community of AUH about the significance of maintenance of mental health.

	world.	further training of AIBAS students.		
<b>4. Outcome related to Students Learning &amp;Grooming</b>				
	The event gave the students of AIBAS the opportunity to explore and apply the 21st century learning skills viz. communication, collaboration, and creative thinking in the organization of this event.			<p>The students and faculty involved in organizing this event, were able to accomplish the following:</p> <p>Application of psychology-based knowledge and information in organizing all the segments of the event – quiz, drama, poetry and therapy.</p> <p>Application of 21<sup>st</sup> century teaching learning skills to explore understanding of psychology beyond usage of conventional classroom pedagogical methods.</p> <p>Application of technology in creating and delivering learning content via platform of live online digital quiz.</p> <p>AIBAS students also learnt personality development skills like team building, leadership, integrity, emotional intelligence, public speaking and management of logistics for an event.</p>

### Group Photo Session

#### 3.1 General Introduction of the Event

The World Mental Health day was celebrated by AIBAS with vigour and enthusiasm.

#### 3.2 Inspiration & Objectives of the Event

The World Mental Health Day is celebrated across the globe and the main objective of the event is to create awareness and also celebrate Mental Health.

#### 3.3 Brief about the address/talk of speakers

The august audience was addressed by respected Dr Priyanka Verma, HOD, AIBAS who highlighted the requirement of psychological first aid and training programs for the same.

She encouraged the students to talk freely about mental health issues and to fight the stigma associated with it.

Dr Nadeem Kirmani, HOD of AICP was cordially invited to the event. He enlightened the students regarding the importance of simplifying the technical jargon around mental health problems and rather to make it easy for clients to express and understand the issues in their own language.

The following were the events that followed:

1. Dance Performance of Saraswati Vandana by Miss. Mayurakshi (BSc Clinical Psy -1<sup>st</sup> Semester)
2. Skit performance “Ranjish” – highlighting the need for social support and understanding of mental health problems. It was directed by Mr. Peetam Neogi, Script By Naman Gaur (BSc Clinical Psy -1<sup>st</sup> Semester)
3. Poetry by Rutba Aijaz
4. Poetry by Miss. Kristi Kaushik
5. Poetry by Mr. Maanvendra Singh
6. MonoActing by Kashika Khurana
7. Quiz for audience organized by Dr Fouzia Shaikh, AIBAS and conducted by students of AIBAS, Rishi Rajgautam and Kashika Khurana
8. Art Therapy session by Dr Fouzia Shaikh, AIBAS
9. Vote of Thanks by Dr Meera Iyer, AIBAS

Compering By- Deepika Agrawal, Pari Parashar, Aadya Tripathi, Duvanshi Khandelwal

Backstage Support- Sharan Agarwal, Arnav, Harishankar, Apoorv Malhotra

#### 3.4 ‘Take Homes’ for the Guest and Attendees

The audience was touched by the skit and its message on providing social support at the time of need. They benefitted from the interesting Quiz competition which helped them to understand many concepts about psychology and mental health. The Art Therapy session was a good takeaway where each individual got insights on the Bliss Spots and Blind Spots which makes them unique.

<p>Students attending a seminar on social entrepreneurship should gain a comprehensive understanding of how businesses can address societal challenges while being financially sustainable. They should learn to identify opportunities for positive impact, develop innovative solutions, and grasp the importance of ethical and sustainable practices in entrepreneurship. Additionally, students should leave with the motivation and skills needed to create and manage enterprises that prioritize both profit and the betterment of society.</p>

### 3. Event Report along with glimpses of the event (Photographs)

#### 3.1 General Introduction of the Event

The seminar on social entrepreneurship is a knowledge-sharing event focused on the intersection of business and social impact. It brings together experts, entrepreneurs, and enthusiasts to explore innovative ways to address societal challenges through sustainable business models. Topics include introduction of an entrepreneur, ethical practices, and real-world success stories, making it a valuable platform for those interested in creating positive change through entrepreneurship.

#### 3.2 Inspiration & Objectives of the Event

The objective of the seminar on social entrepreneurship was to educate, inspire, and empower participants in understanding the principles and practices of social entrepreneurship. This event aims to foster a deeper understanding of how businesses can create positive social and environmental impacts while remaining financially sustainable. Through interactive sessions, case studies, and expert discussions, we equip attendees with the knowledge, tools, and motivation to pursue innovative solutions and drive positive change through entrepreneurial endeavours.

### 3.3 Brief about the guest lecture

The speaker delivered an inspiring talk on social entrepreneurship, highlighting its potential to drive positive change in society. They emphasized the importance of innovative business models that prioritize social and environmental impact alongside profits. The talk encouraged individuals to harness their entrepreneurial spirit to address pressing societal issues and create a more sustainable and equitable future.

### 3.4 'Take Homes' for the Guest and Attendees: N/A

### 3.5 Future plan for utilizing the contacts developed with the Invited Guests

Students have exciting plans for leveraging the contacts they've developed with the guest speaker in the field of social entrepreneurship. They intend to seek mentorship and guidance, collaborate on potential projects, and even volunteering with organization (DoAR). These connections will serve as valuable resources to help them make a meaningful impact in the realm of social entrepreneurship.

### 3. Event Report along with glimpses of the event (Photographs)

#### 3.1 General Introduction of the Event

A workshop on Sustainable accessories was scheduled on 19<sup>th</sup> October'2023 by AMITY SCHOOL OF FASHION DESIGN & TECHNOLOGY. The event was organised to create awareness amongst students about the importance of sustainability for a healthier future. The workshop started with a general discussion on a safe environment and the impact of fast fashion & accessories made of synthetic materials on the Earth. Students were then encouraged to create innovative accessories using sustainable and eco-friendly materials. Many students created the interesting accessories using waste materials. They realised that buying jewellery can be costly, however, making handmade jewellery can be much more economical; specially when they are made of waste and cheap materials like Jute and paper. The workshop also gave an opportunity to the students of V semester for demonstrating the making of jewellery using waste material as available to the students of I & III Semester.

#### 3.2 Inspiration & Objectives of the Event

- To create innovative accessories using sustainable and eco-friendly material.

*M. Sharma*  
 Registrar  
 Amity University Haryana  
 Manesar Gurgaon-122413

- To learn a few basic techniques, to create unique styles of jewellery collections like; necklaces, bracelets, earrings and more using waste jute fabric, paper, newspaper, and other material.
- To make handmade jewellery can be much more economic than buying them.

**3.3 Brief about the address/talk of speakers:** The workshop started with a general discussion on a safe environment and the impact of fast fashion & accessories made of synthetic materials on the Earth.

**3.4 ‘Take Homes’ for the Guest and Attendees:**

- Students realised the importance of eco-friendly & sustainable materials for a healthier future.
- Students used their imagination to create interesting & innovative jewellery.
- They learned different skills and techniques like looping, wire cutting, etc. required for making jewellery.
- Students created the accessories that closely matched their style and tastes at a lower cost using the sustainable & waste materials.

**3.5 Future plan for utilizing the contacts developed with the Invited Guests:** - NA

**3.6 Budget of the Event (Budget Sanctioned, Total Expenditure Revenue Generated):** NIL

**3.7 Details of Awards if Any:** All the students were given a certificate of participation.

### 3. Outcome related to Society Outreach

a) Benefit to society in terms of Health & Hygiene	Nil	Nil	Nil	A session on the importance of reducing waste and recycling in the art-making process. Information on how to dispose of art-related waste responsibly. Participants displayed their finished sculptures for group discussion and critique
b) Benefit to society in terms of Education	Nil	Nil	Nil	The Sustainable Sculpture Workshop achieved the following outcomes: Participants gained knowledge of sustainable materials and techniques for creating sculptures. Enhanced awareness of the environmental impact of art materials and the importance of sustainable art practices.

### 4. Outcome related to Students Learning & Grooming

Students learnt how to use sustainable material as innovative artwork. How these kind sustainable materials transformed in a new identity, new art form.

### 5. Any other

The Sustainable Sculpture Workshop was a success in raising awareness about sustainable art practices and equipping participants with the knowledge and skills to create sculptures with minimal environmental impact. The event fostered a sense of community and collaboration among participants, and we look forward to seeing their continued contributions to the world of sustainable sculpture.

### 3. Event Report along with glimpses of the event (Photographs)

**3.1 General Introduction of the Event:** Art is not just an expression of emotion but also a medium for communicating ideas. It can act as therapeutic relief, a conduit for self-expression, or simply a way to appreciate life's beauty. Through art, we can chronicle history, embody societal values, and comment on political or social events. "Waste to Art" workshop type of art seeks to transform waste such as paper, cardboard, wood, glass, plastics, metals and rubber into works of art. The concept, therefore, goes beyond the conventional recycling of materials by creating objects that exceed the economic, cultural and social value of the original product. A workshop can introduce a new concept, spurring participants to investigate it further on their own, or can demonstrate and encourage the practice of actual methods. It's a great way to teach hands-on skills because it offers participants a chance to try out new methods and fail in a safe situation.

**3.2 Inspiration & Objectives of the Event :** The Sustainable Sculpture Workshop was held on 20th October 2023 at Satyagrah Mandap Gandhi Darshann Rajghat New Delhi . This workshop aimed to introduce participants to the concept of creating sculptures using environmentally friendly and sustainable materials and techniques. The event was organized by Gandhi Smriti and Darshann S attended by 41 participant's students, and individuals interested in sustain

participants with the knowledge and skills to create sculptures with minimal environmental impact. The event fostered a sense of community and collaboration among participants, and we look forward to seeing their continued contributions to the world of sustainable sculpture.

Outcomes:

The Sustainable Sculpture Workshop achieved the following outcomes:

Participants gained knowledge of sustainable materials and techniques for creating sculptures.

Enhanced awareness of the environmental impact of art materials and the importance of sustainable art practices.

The creation of numerous sustainable sculptures by participants, showcasing their creativity and newfound skills.

An increased commitment among participants to incorporate sustainable practices into their future artistic endeavours.

The student of Amity School of Fine Arts worked on their own sculptures using the sustainable materials and techniques learned during the workshop.

Group discussions and feedback sessions to foster creativity and collaboration.

A session on the importance of reducing waste and recycling in the art-making process.

Information on how to dispose of art-related waste responsibly.

Participants displayed their finished sculptures for group discussion and critique.

A roundtable discussion on the challenges and benefits of sustainable sculpture.

### 3. Event Report along with glimpses of the event (Photographs)

#### 3.1 General Introduction of the Event

Through subscription of Institute Français, (IF cinema), the faculties at ASL were able to show students a film that enabled the students familiarize themselves with the language and culture. Based on a true story, the film is about a father, Stéphane, who after his wife's death, moves to the mountains with 8-year-old daughter Vicky, who has stopped talking. One day, while walking in the forest, Vicky discovers a puppy that she decides to keep and names him Mystery.

#### 3.2 Inspiration & Objectives of the Event

The said event will open the horizons for the language students, as it will familiarize the students with French words, sounds and pronunciation as well as the culture. Students will learn new filler words, everyday expressions and the colloquial language that will make language learning easier and interesting.

#### 3.3 Brief about the address/talk of speakers: NA

#### 3.4 'Take Homes' for the Guest and Attendees: NA

#### 3.5 Future plan for utilizing the contacts developed with the Invited Guests

To screen more French language films that showcases the culture and customs of France.

#### 3.6 Budget of the Event (Budget Sanctioned, Total Expenditure & Revenue Generated)

#### 3.7 Details of Awards if Any:

"Advanced Pedagogies: Introduction to Blended Learning with LMS," was organized under the auspices of the Academic and Administrative Development Centre (AADC) in association with the Academic Staff College, AUH.

The workshop had set its sights on exploring the cutting-edge strategies and technologies that educators could employ to craft more engaging and effective learning experiences for their students. It focused on the innovative use of Learning Management Systems (LMS) to enhance pedagogical practices, all while providing hands-on experiences and insights from experts in the field.

During the inaugural session, Guest of Honor, Dr (Mrs.) Pankaj Mittal, In her address, shared her perspectives on the evolving landscape of higher education and the pivotal role played by technology and advanced pedagogies. Dr Mittal emphasized the importance of harnessing the potential of technology to provide a richer and more engaging educational experience. Dr. Mittal highlighted the need for educators to adapt to the demands of the digital age and to equip students with skills that will serve them well in a technology-driven world.

Dr. Mittal's address served as a source of inspiration and motivation for the workshop's participants, reinforcing the significance of their work in reshaping education for the better.

In his address, Hon'ble Vice Chancellor, AUH, Prof PB Sharma focused on the pivotal role that technology plays in reshaping education, particularly in the context of advanced pedagogies and blended learning. Prof Sharma emphasized that modern education is undergoing a remarkable transformation with the integration of Learning Management Systems (LMS) and innovative pedagogical approaches. Prof Sharma discussed the profound impact of technology on education, stating, "The advent of technology has revolutionized the way we learn and teach. Blended learning, when harnessed effectively with LMS, allows educators to create dynamic, interactive, and personalized learning experiences for students."

Prof Madhukar's address centered on the transformative role of technology in the realm of education and its significance in the context of advanced pedagogies and blended learning. He underscored the critical role technology plays in modern education and its potential to revolutionize the teaching and learning process. He emphasized the power of digital tools and Learning Management Systems (LMS) in creating a more interactive and engaging educational environment. He spoke about the need for educators to adapt and innovate their pedagogical approaches to leverage the benefits of blended learning and LMS effectively.

Dr. AmarendraPani, Joint Director & Head of the Research Division, during his address encouraged educators to embrace a research-driven approach to pedagogy, emphasizing the importance of evidence-based teaching methods. He acknowledged the ever-evolving nature of education and the need for educators to adapt and grow through continuous research and learning. His address resonated with the attendees, highlighting the critical role research plays in reshaping the educational landscape.

Prof. (Dr)Sanjna Vij, Deputy Director of Amity Academic Staff College at Amity University Haryana, emphasized in her opening remarks the dynamic nature of higher education and the imperative for faculty members to continually evolve. In this ever-changing landscape, she underscored the significance of training, skill development, reskilling, upskilling, continuous learning, and adaptation as integral elements of every faculty member's professional journey. Dr. Vij stressed the importance of cultivating skills, exploring creative and innovative teaching approaches, and staying abreast of evolving educational models and technologies. She emphasized that these proactive measures are essential in the present context to ensure alignment with global standards in education.

Resource person of technical session for Day1 was Dr. Karamjit Kaur, ICT and LMS Coordinator, AUH. She gave introduction to role of ICT in today's era of digital education. The different pedagogies that may be adopted in making the daily classroom teaching more effective were chalked out and need to emphasize on role of ICT was outlined. A brief introduction to learning management system (LMS) adopted by Amity University Haryana was given and analogy of the system with moodle was presented.

Then the hands on training on LMS began, where the participants were trained about how to access their LMS through Amizone, how to activate the courses allotted to them and enroll the users/students for respective courses. The participants were requested to add Dr. Karamjit Kaur course so that learning outcome of all the sessions may be accessed and discuss common challenges faced by the participants on the last day of workshop. Overv

Amity University Haryana  
Manesar Gurgaon-122413

given, where expectations of the institute in course structuring and display of contents for students, syllabus module wise content upload, requirement of creation of discussion forums were discussed. The participants were then requested to activate the selected course, enroll the students, edit the display information on the course page through suitable settings, prepare different topics on the course page as per the modules of syllabus of the course. Also, they were asked to bring content of different kinds (images, presentations, worksheets, PDFs, embed media, share web links) that may be added in this page in upcoming sessions of FDP.

Resource person for second technical session of live interaction was Dr. Nisha Charaya, Assistant Professor, department of ECE and Dr. Karamjit Kaur. The remarks on the course pages developed by participants were given by Dr. Karamjit Kaur. The common errors were pointed out, challenges faced were discussed. The brief introduction to different activities that may be done was given. Dr. Nisha Charaya discussed the process to add assignments, chat and forums on LMS. For creating assignments, Different file types supported, timeline settings, submission settings for students etc were presented. The basics of designing the chat sessions were presented. The demo chat session was created with all the participants and the various settings and competencies were discussed. Further, creation of discussion forum was presented. Its importance in daily classroom management was emphasized. The process to set up the forum having features like limited work count for each user, tracking and subscriptions, ratings by users etc. were presented. In the end of session of day 2, the participants were requested to create the assignment, chat and discussion forum for their courses.

Third day of the live interaction, the challenges faced by the participants during creating chats and forums were discussed by Dr. Karamjit Kaur. The speaker of the day was Dr. Anil Kumar, Deputy Dean Academics, AUH who presented the process to add quiz on LMS. The different quiz formats that may be used were presented. Setting the timelines for launching and attempting the quiz, grading methodology, setting passing criteria, different layouts of quiz for students, setting restrictions for students e.g. passwords, shuffling questions and choices of answers etc. were presented. The setting up of a quiz using different formats was demonstrated. The participants were requested to add question of each type viz. multiple choice, true false, subjective, etc. Then the process of creating question bank for a course was discussed. Dr. Anil Kumar also presented the process of reuse of the question bank created in previous semesters. He emphasized on importance of import and export of question banks for reuse in future. Then, during hands-on training, the participants were requested to create quiz for their courses and the issues reported were discussed.

On Day 4 of the live interaction of workshop, Dr. Dhiraj Upadhyaya, Director EDA, Amity University was the speaker. Dr. Dhiraj Upadhyaya discussed with the participants the issues faced while uploading the quiz. The brief overviews of the different activities that may be executed on LMS along with quiz, assignments, chats and forum was given. The process of monitoring log files, access of contents by students, the student progress in form of participation in activities, receiving the uploaded contents by students were presented. The method of grading of quiz was presented. The process of embedding urls, power point presentations etc in lms were discussed. Introduction to course metalinks, repository, various plug ins was given. The need to use metalinks for similar courses was emphasized. Dr. Dhiraj Also conducted the demo quiz with participants, evaluated their submissions. Also, the process of giving feedback on each attempt by participants on LMS was given.

On day 5 of live interaction, Mr. Akshat Aggrawal was the speaker of the event. He presented the methodology to create different activities on LMS to make it more interactive, lively and user friendly. The tips and tricks to motivate the students to access the LMS on daily basis and making their involvement hyperactive was presented. Then he discussed the grading and evaluation process for various quiz and assignments. How to evaluate the submissions, how to see the grader reports, feedback regarding the answer given was presented. The role of evaluation on Outcome based education of creating backup from the course and reusing not only question bank but the v

the previous sessions, reusing the contents within the courses of current semester was presented. The issues reported by the participants were discussed.

On the last day, the remarks on the LMS course prepared by the participants were shared personally with the candidates. The general queries were answered. The workshop successfully covered essential aspects of Blended Learning with LMS, offering participants a comprehensive understanding of LMS functionalities and advanced pedagogical strategies. The active participation of attendees and presentations demonstrated a commitment to implementing learned techniques in their respective academic environments.

a) Benefit to society in terms of Health & Hygiene				Nutrition education on child nutrition, breastfeeding, diet during pregnancy and balanced diet was provided to the women and children by the students of Dietetics & Applied Nutrition
b) Benefit to society in terms of Education				The children and women of underprivileged strata were made aware about the health benefits of balanced diet and low cost nutritious food items.
<b>4. Outcome related to Students Learning &amp; Grooming</b>				
				Students got the opportunity to utilize their skills on nutrition education, audio visual aid formulation.
<b>5. Any other</b>				

### 3. Event Report along with glimpses of the event (Photographs)

#### 3.1 General Introduction of the Event

The main motive of session was also to guide children about good health, hygiene and nutritious food, good eating habits. To make the sessions more interactive, students of the Dietetics & Applied Nutrition encouraged children to participate in the conversation, discussed their eating habits and their favorite food items. Then according to their answers students were guided for adapting good eating habits. To explain them in elaborative way, the session was made interactive by discussing about the model on malnutrition. Students explained about malnutrition, protein energy malnutrition (Kwashiorkor, Marasmus), their causes, symptoms, and consequences, importance of nutritious food to prevent such kinds of prevailing problems in children.

Students of M.Sc. DAN prepared posters on breastfeeding mother, pregnant women. They conducted a series of health education lectures, focusing on the importance of nutrition, hygiene, and proper care during pregnancy and infancy. The topics covered included balanced nutrition, breastfeeding, and the importance of regular health check-ups, food to be eaten and avoid at the time of pregnancy as well as lactating, also discussed about milk producing food item. The interactive discussions on the benefits of breastfeeding, and practical demonstrations through posters about the nutritious diet and milk producing food items. The discussion was also done about the advantages of Breastfeeding to child and mother, many more key points about breastfeeding were discussed through the prepared poster. Students of MPH had explained the immunization schedule and their importance to children and their mothers. We also explained through poster about the food to be excepted as well as avoided food at the time of pregnancy. All the misconceptions related to myth about pregnancy and lactating diet habits were explained to the mothers.

The students of Dietetics and Applied Nutrition also prepared healthy snacks containing bajra millet in Nutrition lab and distributed among children, pregnant and lactating women. The initiative successfully raised awareness about maternal and child health care and provided valuable guidance to the local community. The impact of such efforts extends beyond the immediate outreach event and contributes to the betterment of society.

#### 3.2 Inspiration & Objectives of the Event:

The primary objective of this outreach program was:

1. To raise awareness about maternal and child health care practices,
2. Provide guidance, and deliver informative sessions to the parents, guardians, and caregivers of children in the community
3. To young children to eat healthy food
4. Promote good health of breastfeeding in lactating women.

**2. Event Report along with glimpses of the event (Photographs)**

The Amity Chem Club students and organised the weekly series of food adulteration. The events that were organised during this time are as following-

- 1) Online Survey on the topic of Food Adulteration -2<sup>nd</sup>November to 8<sup>th</sup>November2023
- 2) Quiz on the topic of Waste Management – 6<sup>th</sup>November 2023
- 3) Documentary Screening –6<sup>th</sup>November 2023
  - “How to check if Food Items in Your Kitchen are adulterated by Crux YouTube channel”.
  - “FSSAI-Celebrating 15 years of commitment to Food Safety and Nutrition in India by FSSAI YouTube channel.
- 4)Expert Lecture –6<sup>th</sup> November 2023 by Prof. (Dr.) S R Pathak (HOD, CBFS)
- 5)Demonstration – 6<sup>th</sup> November to 7<sup>th</sup> November 2023 by Amity Chem Club at B-block and D-block foyer.

Questions Responses **114** SettTotal points: 100

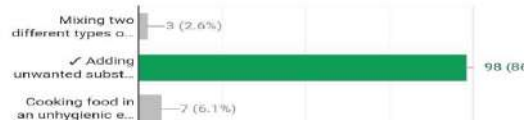

The food adulteration in concentrated whole milk (Khoya/Mawa) is?

74 / 114 correct responses

What is food adulteration?

98 / 114 correct responses

## Question -

1. Have you heard about food adulteration before taking this survey?

- a. Yes
- b. No

  
Registrar  
Amity University Haryana  
Manesar Gurgaon-122413

2. Are you a student/Faculty of Amity University Haryana?  
a. Yes  
b. No
3. How would you rate your level of knowledge about food adulteration?  
a. Knowledgeable  
b. Very knowledgeable
4. How often do you buy packaged or processed food?  
a. Daily  
b. Weekly  
c. Monthly  
d. Rarely
5. What type of food do you commonly purchase?  
a. Fruits and vegetables  
b. Dairy products  
c. Meat and poultry  
d. Cereals and grains  
e. Spices and condiments  
f. Beverages (e.g., juice, soda)
6. Have you ever suspected that the food you purchased or consumed was adulterated?  
a. Yes  
b. No
7. Have you ever reported suspected food adulteration to the relevant authorities or organizations?  
a. Yes  
b. No
8. The food adulteration in concentrated whole milk (Khoya/Mawa) is?  
a. Flour, starch  
b. Detergent  
c. Hydrogenated vegetable oil  
d. None
9. What is food adulteration?  
a. Mixing two different types of food  
b. Adding unwanted substances to food  
c. Cooking food in an unhygienic environment  
d. None of the above
10. Which of the following food items is commonly adulterated with artificial colors and dyes?  
a. Honey  
b. Olive oil  
c. Saffron  
d. Turmeric
11. How can you test the purity of milk at home?  
a. By smelling it  
b. By tasting it

- c. By adding a few drops of iodine to a sample  
d. None of the above
12. What are some health risks associated with consuming adulterated food?  
a. Food poisoning  
b. Allergic reactions  
c. Long-term health problems  
d. All of the above
13. When did the food adulteration act pass?  
a. 1999  
b. 1954  
c. 1965  
d. 2001  
e. Other
14. Which spice is often adulterated with lead chromate, a harmful substance?  
a. Cumin  
b. Turmeric  
c. Coriander  
d. Red chilli powder
15. What can consumers do to protect themselves from food adulteration?  
a. Purchase packaged and branded products from trusted sources  
b. Always buy the cheapest available option  
c. Ignore food labels and expiration dates  
d. Share food products with friends and family
16. Which fruit is often adulterated with calcium carbide to ripen it artificially?  
a. Apples  
b. Bananas  
c. Oranges  
d. Grapes
17. What is the role of food testing laboratories in preventing food adulteration?  
a. They monitor and test food samples for adulteration.  
b. They sell adulteration detection kits to consumers.  
c. They provide cooking classes to educate people on food safety.  
d. They promote the consumption of processed foods.

## QUIZ REPORT

There is nothing like a little competition to make for perfection. Keeping this in mind the Chem Club of Amity University Haryana organized quiz competition based on topic food adulteration on 6<sup>th</sup> November 2023. The event was organized in B block auditorium. The purpose of Food Adulteration quiz is to test and assess the knowledge of individuals on the topic of adulterated food. By taking a quiz on this topic, individuals can learn about the different types of adulterated food, the importance of proper testing of food before consuming, and the various methods to test the adulterant. The quiz also helps to raise awareness about the impact of the adulterants on the environment and public health.

There was total 4 teams having 3 students each. The quiz consisted of 4 rounds with one question each for each team per round. The quiz was prepared by Divy [B.Sc.(H) Chemistry Applied Chemistry-1st Sem] and Yashika Verma [B.Sc.(H) Chemistry

  
Registrar  
Amity University Haryana  
Manesar Gurgaon-122413

guidance of Dr Anirban Das and Dr Neeru Dabas. The competition was tough, and the children held their nerves and contested keenly. Their question passed by the teams was given to audience. Ultimately, the goal of a food adulteration quiz is to make people aware about the adulterated food they are consuming in their daily life.

### **PARTICIPANTS LIST**

Team A- Drishti, Sandeep, Priyanka

Team B- Aarti, Roshan, Komal

Team C- Bharti, Vishnu, Purushottam

Team D- Khushi, Uday, Anjali

### **Results**

Team D- 1<sup>st</sup> position.

Team A- 2<sup>nd</sup> position.

Team B- 3<sup>rd</sup> position.

Team C- 4<sup>th</sup> position.

### **Results**

Overall, the participants had a good understanding of adulterated food.

### **Team D won**

### **Conclusion**

Overall, the participants demonstrated a good understanding on food adulteration, but there is still room for improvement in certain areas. By educating the public on the importance of proper waste management practices, we can work together to protect our environment and conserve resources.

## DOCUMENTARY SCREENING REPORT

To make people aware of the ground reality it is important to show them the reality visually. Hence targeting for this purpose Amity Chem Club had decided to present a documentary based on food adulteration. It was presented on 6<sup>th</sup> November 2023 in B Block auditorium. There were two documentaries presented on screen. One of the documentaries was “How to check if Food Items in Your Kitchen are adulterated by Crux YouTube channel”. The documentary provides a comprehensive insight into the alarming issue of food adulteration and equips viewers with the knowledge to identify and combat this pervasive problem. Through engaging visuals and expert interviews, the film sheds light on the methods employed by unscrupulous individuals who compromise the quality of our food supply.

*M. Manoj*  
 Registrar  
 Amity University Haryana  
 Manesar Gurgaon-122413

The topic of second documentary was “FSSAI-Celebrating 15 years of commitment to Food Safety and Nutrition in India. The documentary takes viewers on a compelling journey through the transformative role of the Food Safety and Standards Authority of India (FSSAI) in ensuring the safety of the nation's food supply. Over the past 15 years, FSSAI has emerged as a pivotal force in combating food adulteration and safeguarding the health of millions across India.

Deepanshu Gupta  
Anjali  
Sanjana Yadav

**NEED OF EVENT:**

This event was organised to spread the awareness regarding adulteration in food. It was to uncover the hidden truths behind what we eat and empowering everyone with knowledge to make informed choices as food adulteration is something that we cannot afford to ignore.

**DEMONSTRATIONS:**

1. Detection of urea in milk with help of p- dimethyl amino benzaldehyde
2. Detection of starch in milk with help of iodine
3. Detection of chalk powder in turmeric with help of HCl
4. Detection of sucrose (added sugar) in honey by molish reagent and  $H_2SO_4$
5. Detection of lead chromate in turmeric with help of water
6. Detection of papaya seeds in black pepper with help of water
7. Detection of brick powder in red chilli powder with help of water

## Expert Lecture

On 6<sup>th</sup> November, had the privilege of hosting an enlightening and informative expert lecture on the critical issue of food adulteration. The distinguished speaker for the event was none other than [Prof. (Dr.) S R Pathak], the esteemed Head of [Department of Chemistry, Biochemistry and Forensic Science.] at our university. The lecture aimed to educate students and faculty on the nuances of food adulteration and its far-reaching implications.

### Key Highlights:

#### **1. In-depth Understanding of Food Adulteration:**

She commenced the lecture by providing a comprehensive overview of food adulteration, outlining its various forms, including mixing, substitution, and contamination. The audience gained a deeper understanding of the deceptive practices employed by unscrupulous elements in the food industry.

#### **2. Historical Context and Evolution of Adulteration:**

The lecture delved into the historical context of food adulteration, tracing its evolution and the changing nature of adulterants over the years. She highlighted the socio-economic factors contributing to the persistence of this issue and emphasized the need for a multifaceted approach to address it effectively.

#### **3. Regulatory Framework and Responsibilities**

she elucidated the role of regulatory bodies, both national and international, in combating food adulteration. The speaker emphasized the responsibilities of these bodies in setting and enforcing standards, as well as the importance of collaboration between regulatory agencies and the food industry.

#### **4. Technological Advances in Detection Methods**

significant portion of the lecture was dedicated to discussing the technological advancements in food testing methods. She shed light on how cutting-edge technologies are being employed to detect and prevent adulteration, ensuring the safety and integrity of the food supply chain.

Prof (Dr) P.B. Sharma, the Hon'ble Vice Chancellor of Amity University Haryana, during his address on "Indian Knowledge System Through Performing Arts" shed light on the profound connections between India's rich knowledge system and the world of performing arts. Prof Sharma address provided a scholarly perspective on how traditional art forms contribute to the cultural and intellectual heritage of the nation. Prof. Sharma's presence set the stage for a culturally and intellectually enriching festival.

Pandit Uday Kumar Mallick, the Founder of Dhrupad Academy in New Delhi, shared profound insights on the topic of "Festival Culture." His experience added a valuable perspective to the cultural event, highlighting the significance of festivals as carriers of tradition and knowledge.

Padma Shree Ustad Wasifuddin Dagar, a distinguished artist in the world of classical music, delivered a captivating address on "Festival Culture." With his rich knowledge and experience, Ustad Wasifuddin Dagar provided a unique perspective on the role of festivals in Indian culture and how they contribute to the preservation and dissemination of traditional knowledge and art forms.

Prof Dr Sanjna Vij, Professor of Liberal Arts, Deputy Director, Academic Staff College & Head, Centre of Excellence for Innovation in Education, Amity University, Haryana, during her opening remarks, emphasized the essence of the event, stating, "This event is all about celebrating our rich culture and serving as a tribute to the arts. Dr Sanjna Vij highlighted the objective of the event is to share and celebrate India's rich cultural history, especially its traditional performing arts that have been a part of our identity for centuries and inspire the audience with amazing performances and help them see the deep links between art, knowledge, and peace.

The event featured performances by internationally acclaimed artists, enriching the cultural experience. Notable artists who graced the stage included:

Padma Shree Ustad Wasifuddin Dagar, Dhrupad, Vocal, International Artists.

Rishi & Mahima Upadhyay, Pakhawaj Player, International Artist.

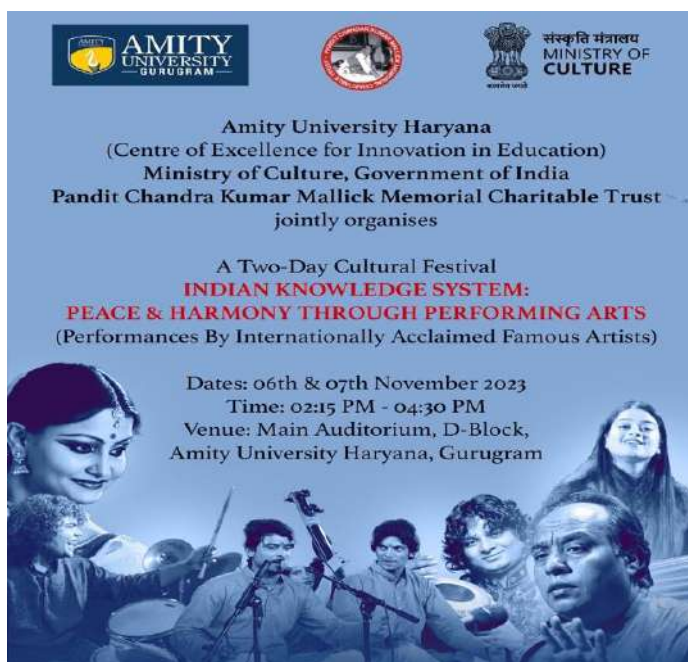

Pranshu Chatur Lal, Instrumental, International Artist.

Kathak Dance By Namrata Rai, International Artist

Mr Nilesh Nikesh Mallick-Vocal Classical

The "Indian Knowledge System: Peace & Harmony through Performing Arts" cultural festival was a resounding success. It not only celebrated India's rich cultural heritage but also emphasized the profound connection between traditional art forms and the promotion of peace and harmony in society. The captivating performances by internationally acclaimed artists added to the event's cultural significance.

This festival was a testament to the commitment of Amity University Haryana and its partners in advancing knowledge and cultural traditions. It provided attendees with a deeper understanding of India's cultural heritage and the wisdom that has been passed down through generations.

## Phuljhari

A Community Engagement Activity

There is an adage that "raising a child takes a whole village'. This emphasises the shared responsibility of parents and communities to provide a safe, nurturing, and inclusive environment for children to flourish. Amity School of Liberal Arts, Amity University Haryana organized a Community Engagement Activity *Phuljhari* to celebrate Diwali and Children's Day with *basti* Kids. Students of ASLA, particularly students of B.A.(H)English III arranged cakes for both the occasions. Along with this, the hampers to celebrate Diwali and Children's Day with these kids. They, along with

**4.1 General Introduction of the Event:**

AUH hosted H.E Mr. Demeke Atnafu Ambulo Ambassador of Ethiopia and Ms. Feven Kassahun 3rd Secretary-Ethiopia Embassy for a Special Session On: “How linkages between ETHIOPIA and India can trigger changes in the higher education landscape in both countries?” The event created a platform for insightful discussions, knowledge exchange, and mutual understanding. With distinguished guests, including the Ambassador from Ethiopia, the event aimed to catalyze positive changes in academia, fostering a dynamic environment for learning, research, and cultural exchange. Through a series of sessions, discussions, and interactions, participants had the opportunity to explore avenues for collaboration and contribute to the global discourse on higher education. The event reflected Amity University Haryana's commitment to internationalization, showcasing the belief that collaborative efforts can bring about transformative changes in the educational landscape. His excellency H.E Mr. Demeke Atnafu Ambulo Ambassador of Ethiopia and Ms. Feven Kassahun 3rd Secretary-Ethiopia Embassy were facilitated by Prof. (Dr.) Vikas Madhukar – Pro Vice Chancellor-AUH and dignitaries of AUH. Further 2 International students named Walid Farah from Djibouti and Zhino Narat from Iraq welcomed the esteemed guests in Ethiopian language and wished them happy Diwali presenting Diwali greeting card on behalf of AUH fraternity.

**Inspiration & Objectives of the Event:**

The event set out to establish a strong foundation for educational cooperation between Ethiopia and India, promoting a reciprocal exchange of knowledge. Its goal was to enable strategic dialogues and projects that could enhance the higher education realms of both countries while fostering collaborative research, innovation, and academic distinction. Through this joint initiative, the event sought to pave the way for enduring partnerships, embracing diversity, and making a meaning worldwide conversation on the far-reaching impact of international collaboration

#### 4.2 Brief about the address/talk of speakers:

Office of International Affairs hosted “H.E Mr. Demeke Atnafu Ambulo”- Ambassador of Ethiopia and Ms. Feven Kassahun 3rd Secretary-Ethiopia Embassy for a Special Session on: “How linkages between ETHIOPIA and India can trigger changes in the higher education landscape in both countries”.

Prof. (Dr.) Vikas Madhukar – Pro Vice Chancellor-AUH welcomed the speaker “H.E Mr. Demeke Atnafu Ambulo” - Ambassador of Ethiopia and Ms. Feven Kassahun 3rd Secretary-Ethiopia Embassy.

Prof. (Dr.) Vikas Madhukar –Pro Vice Chancellor-AUH has been instrumental in shaping this association, drawing on the shared history, cultural ties, and mutual interests between the two nations. He talked about how Amity University, Haryana has achieved many milestones and accredited with “Grade A” by National Assessment and Accreditation Council (NAAC), one of the prestigious councils of University Grant Commission (UGC). The university has been ranked #94 among all Government and Private universities in India and our School of Law, School of Management, School of Engineering have also been ranked at #23, #81 and #99 respectively among top institutions in the country by prestigious NIRF India Ranking 2023. It is the first university of India and second of Asia to receive the LEED Platinum Certificate by US Green Building Council. Amity University, Gurugram, ranked # 32 globally for affordable and clean energy by Times of India ranking “The Impact ranking 2022”. His talk was more focused on the following domains:

1. Amity Business School-for Management programs at UG & PG Level.
2. Amity School of Engineering & Technology (ASET)-for CSE, AI& ML, Data Science, Biomedical Eng, Defense Technology.
3. Amity Medical School (AMS)- Optometry, Nutrition & Dietetics, Molecular Medicine & Stem Cell Technologies, Audiology & Speech Language Pathology.
4. Amity College of Nursing (ACON)-Nursing Main & Post Basic course.
5. Amity Institute of Behavioral Science & Applied Psychology -Applied Psychology & Clinical Psychology.

H.E. Mr. Demeke Atnafu Ambulo, the Ambassador of Ethiopia, provided insightful perspectives during the discussion, focusing on the robust Indian business presence in Ethiopia and the enduring trust in the political relationship between the two nations. Notably, he highlighted the substantial academic collaboration, with 300 PhD students engaged in ongoing programs and a significant presence of 3000 faculty members actively contributing to education in Ethiopia. The Ambassador's discourse underscored the depth of the strategic partnership, extending beyond economic ties to encompass the crucial realm of education and academic exchange. He recently expounded on the multifaceted linkages between Ethiopia and India, emphasizing a 25-year commitment to the Pan Africa Project and highlighting Ethiopia's significance as a BRIC country. In addressing the temporal nuances of Ethiopia, seven years behind the calendar, the discussion touched upon the alignment of AUH's course structures with India's New Education Policy. H.E. Mr. Demeke Atnafu Ambulo, the Ambassador of Ethiopia underscored the importance of multiple linkages, from student exchanges to joint research initiatives, recognizing Ethiopia's role as a founding member of international organizations. Cultural bonds, including Ethiopia's historical connection as the birthplace of coffee, were emphasized, alongside AUH's dedication to establishing a cross cultural connections. The comprehensive approach aims to trigger transformative changes in the higher education landscape of both nations.

“H.E Mr. Demeke Atnafu Ambulo delivered insightful addresses that significantly enriched the discussions on higher education linkages between Ethiopia and India. He provided a nuanced collaborative opportunities, challenges, and potential impacts on the education

  
Registrar

nations. His talks encompassed key themes such as academic exchanges, joint research initiatives, cultural integration, and the role of technology in shaping the future of higher education. The addresses not only shed light on the theoretical aspects of collaboration but also shared practical experiences and success stories, offering a comprehensive perspective to the audience.

Overall, the talks contributed to the event's objective of inspiring a collaborative approach to higher education and fostering a deeper understanding of the transformative potential of international partnerships.

The session was concluded by vote of thanks delivered by Ms. Vanita Verma – Asst. Director of Office of International Affairs.

#### 4.3 'Take Homes' for the Guest and Attendees:

For the guests and attendees of the event at AUH featuring “H.E Mr. Demeke Atnafu Ambulo, and Ms. Feven Kassahun 3rd Secretary-Ethiopia Embassy several key "take-homes" can be highlighted:

1. **Comprehensive Insight:** Deeper understanding of potential collaborative opportunities and challenges in higher education between Ethiopia and India.
2. **Diplomatic Goodwill:** Establishment of diplomatic and academic goodwill, setting the stage for future collaborations.
3. **Cultural Nuances:** Awareness of cultural nuances influencing educational linkages, fostering a more nuanced approach to collaboration.
4. **Broadened Perspective:** Increased awareness of the transformative impact of international collaborations in higher education.
5. **Practical Insights:** Actionable insights from practical experiences shared by speakers, providing guidance for those involved in or aspiring to engage in collaborations.
6. **Diversity as an Asset:** Recognition of diversity as a valuable asset in educational contexts and a catalyst for innovation.
7. **Global Context:** Understanding the broader global context of education and the interconnectedness of higher education landscapes.

These take-homes collectively contribute to a more informed and inspired community, poised to contribute to collaborative initiatives and navigate the complexities of international partnerships in higher education.

#### 4.4 Future plan for utilizing the contacts developed with the Invited Guests:

Proposal has been drafted for Ethiopian Embassy to further collaborate with Ethiopian top tier universities.

#### 4.5 Budget of the Event (Budget Sanctioned, Total Expenditure & Revenue Generated):

### 3. Event Report along with glimpses of the event (Photographs)

**3.1 General Introduction of the Event:** Community Awareness Program and Nutritional education about AIDS on the occasion of World AIDS Day at Gwalior Village Panchgaon, Gurugram.

**3.2 Inspiration & Objectives of the Event:** The main objective of the program was to create awareness HIV transmission, prevention methods, and reducing stigma. Increased awareness can lead to early detection, better support for those affected, and a more compassionate and informed society.

**3.3 Brief about the address/talk of speakers:** The visit has been conducted purposefully to create awareness about AIDS. The students of Masters in Public Health and Dietetics and Applied Nutrition were divided in groups. Each group covered ten houses to create awareness regarding causes, symptoms and nutritional management to prevent AIDS through pamphlets. At the last, this event community awareness program on World AIDS Day was very successful and helpful to reduce stigma, and encourage preventive measures. It also empowers individuals with knowledge about HIV/AIDS, fostering a supportive and informed community.

### 3. Event Report along with glimpses of the event (Photographs)

#### 3.1 General Introduction of the Event:

Tuesday, 23<sup>rd</sup> January (Full Day Event)

#### PROGRAMME SCHEDULE. Day: 23.01.2024

10: 30 AM-11:00 AM	Meet and Greet
11: 00 AM-11:50 AM	Talk by Prof. Pawan K. Dhar
11:50 AM-12:30PM	Discussion and QA session
12:30 PM-1:00 PM	Interaction with Scientists and Young Innovators
1:00 PM- 2:00 PM	Lunch

#### 3.2 Inspiration & Objectives of the Event

**Date:** 23.01.2024

**Location:** A-block Auditorium

**Organizer:** AIB, Amity University Haryana

My Story “Bio-entrepreneurship and Start-ups in Biological Businesses” was a highly educational and interesting expert talk. The talk aimed to address the most recent developments and difficulties in entrepreneurship within the life science industry by sharing the journey of Clear Meat Pvt. Ltd. Students gathered at A-block Auditorium for listening to Prof. Pawan Dhar and his highly motivational journey, enabling them to learn more about innovation and collaboration in the dynamic field of life sciences.

#### 3.3 Brief about the address/talk of speakers

##### Event Overview:

- Student Coordinators Mr Manas and Ms Sejal, gave the opening remarks before the programme got underway.
- A welcome address was delivered by Prof. Rajendra Prasad, Dean Engineering, and Technology, Director - Amity Institute of Integrative

  
Registrar  
Amity University Haryana  
Manesar Gurgaon-122413

Director - Amity Institute of Biotechnology. Prof. Pawan K. Dhar-Head, Synthetic Biology group at school of Biotechnology, JNU, New Delhi was greeted and presented with a souvenir.

- Prof. Pawan K. Dhar, Professor, JNU; Co-Founder and Chief Mentor, Clear Meat Pvt. Ltd and Foresight Biotech Pvt. Ltd. was greeted and introduced. Prof. Dhar gave a captivating and creative presentation, making the subject clear for the audience using visuals.
- Prof Machiavelli Singh, Director DRP delivered vote of appreciation and expressed gratitude to Prof. Dhar and the audience. He acknowledged all coordinators and their contributions to the success of the event.

### **Key Points Discussed: Title – “Bio-entrepreneurship and Start-ups in Biological Businesses”**

The talk by Prof. Dharspoke about inspiring journey of founding his own companies, Clear Meat Pvt. Ltd and Foresight Biotech Pvt. Ltd. and their subsequent journey.He began by speaking about how biotechnological research is currently just confined to papers and emphasized on the gap between biotechnological research in labs and its commercialization.He further talked about differences between intelligence and imagination, creativity and innovation giving examples of prominent Walt Disney, Thomas Adams etc.

He also talked about incremental, Red-ocean, radical and frugal innovations too. Telling students about angel investors and venture capitalists too.

He also spoke about his companies Foresight Biotech Pvt. Ltd. And Clear Meat Pvt. Ltd., talking how he got inspiration to start his own company, how they managed expenses, funding, failures, lessons they learnt and how they tend to go proceed further via presentations and examples.

A question-and-answer period followed the presentation, in which participants asked insightful queries that Prof. Dhar responded to. Participants have the chance to further clear up their questions and go deeper into the issues covered during this interactive portion.

Prof.Dhar used graphics and a well-structured presentation to make his lecture interesting and educational. In order to advance the life science sector, the programme promoted knowledge exchange, teamwork, and the investigation of new opportunities. In his vote of appreciation, Prof. Machiavelli Singh thanked the speaker and the audience for their contributions to the event's success.

#### **3.4 ‘Take Homes’ for the Guest and Attendees**

#### **Highlights from the talk and discussions:**

**3.5** This event not only showcased the inspiring entrepreneurial journey of Prof. Dhar but also provided valuable insights into the world of biotechnological research, innovation, and the challenges and triumphs of founding and running successful companies in the field

**3.6 Future plan for utilizing the contacts developed with the Invited Guests: YES as domain experts.**

### 4. Outcome related to Students Learning & Grooming

This kind Competitions are important to motivate young artists and help them to develop their creative skills by exposing them to the contemporary talent in the field. By observing the work of their peers, students have the opportunity analyze and evaluate their techniques and outcomes vis-à-vis those of other artists.

### 5. Any other

The "Faces of Diversity" Portrait Competition aims to contribute to a more inclusive and interconnected world through the universal language of art, encouraging both artists and viewers to appreciate and celebrate the richness of human diversity.

### 3. Event Report along with glimpses of the event (*Photographs*)

**General Introduction of the Event:** Amity School of Fine Arts organized "Faces of Diversity" - Portrait and Cartoon Competition for the students. Many students participated in various categories like portraits and cartoons. All the participants try to capture the facial expression and character of models in their own style. Students submitted their art works to the ASFA department, and the faculty judged all categories of contest. Some of the artwork was done excellently by the students. The art Contest has been successfully done under supervising the concern faculties.

**Inspiration & Objectives of the Event:** The main objectives of the "Faces of Diversity" Portrait Competition were to celebrate and promote the beauty of diversity within the global human community through the medium of portraiture. Encouraged students to explore and showcase the diverse aspects of humanity, including but not limited to ethnicity, culture, age, gender, and personal stories. Provided a platform for young artists from different backgrounds, skill levels, and ages to participate and share their unique perspectives. Emphasize the importance of inclusivity and representation in the arts. Inspired artists to express their creativity and technical skills in capturing the essence of individuals from various walks of life. This kind competition encouraged students to explore and experiment with various visual art mediums, techniques, and styles in the realm of portraiture.

### 3. Event Report along with glimpses of the event(Photographs)

The poster is for an event at Amity Law School, Amity University Haryana. It features the Amity University Haryana logo at the top. The text reads: 'AMITY LAW SCHOOL Presents A Lecture on: "राष्ट्र निर्माण में युवाओं का योगदान" (Contribution of youth in nation building)'. The event is on Tuesday, 06 February 2024, from 11:00 AM to 12:00 Noon at Moot Court, B Block 2nd Floor. The Faculty Co-ordinator is Dr. Vijay Pal Singh, Associate Professor, Amity Law School, Amity University Haryana. The Guest of the Day is Mr. Brijesh Chauhan, [Renowned Entrepreneur & Social Worker]. A circular portrait of Mr. Brijesh Chauhan is shown on the right side of the poster.

#### Overview:

India is said to have the highest portion of youth in its total population. This makes it even more necessary to assess their roles in the society. Contribution of youth in nation building is an indispensable topic. They are not only the leaders of tomorrow but also shapers of the present. The foundation of a nation depends upon how well the youth is educated. Upliftment of a nation comes from the upliftment of the youth. The young generation is brimming with energy and are willing to bring about a change and they have the ability to transform the nation. In the words of Nelson Mandela, “The youth of today are the leaders of tomorrow.”

With the view of inculcating awareness among today’s youth, Amity Law School, Amity University Haryana conducted the above-mentioned guest lecture on Wednesday, 06<sup>th</sup> February 2024. The lecture began with Aswathi Sudheer, a student of BALLB[H] 6<sup>th</sup> semester, welcoming the gathering and giving a brief introduction of the guest speaker of the day, Mr. Brijesh Chauhan. The lecture was attended by about 200 students and all the fac

---

School. As a token of appreciation, Mr. Brijesh was given an Amity University Haryana memento and a Shawl by Dr. Vijay Pal Singh and Dr. Santosh Kumar Tripathi.

The lecture started with a beautiful slogan of “Jai Shree Ram” and continued with a wave of knowledge about the history of our nation and explained “Sanatan Dharma.” Mr. Brijesh preferred to give his lecture mainly in Hindi language as he was more comfortable that way. Firstly, he discussed the differences between a nation and a country. He then proceeded to give a brief overview about his past and childhood days and what led him to become what he has. He even told a few stories and instances about his time in Switzerland when he was there for his MBA at the Swiss Business School in Zurich.

He elaborated on how we should be following our own culture and tradition instead of forcefully trying to adopt the western ones, by doing so we neither completely adopt their culture nor fully understand our own. He explained this with a proverb in Hindi, “Kauua chala hans ki chaal aur apni chaal bhool gaya.”

Further, Mr. Brijesh promoted everyone to work not only for themselves but also for the nation. He advised everyone to stay away from bad influences and to focus on their goals in the long term instead of trying to achieve short term pleasures in life.

Mr. Brijesh highlighted a clear difference between being qualified and being educated. He said that being educated is way more important than being qualified as qualification is just a degree or a piece of paper while education will truly help us understand what is going on around us, all the good and the bad and how we as the youth of our country can help to fix the bad and promote the good.

Concluding the lecture, Mr. Brijesh advised everyone to stick to their roots, hold their heads up high and be proud of the nation that they have been born into and help make this nation even better and more prosperous and appreciate the cultural heritage we have all been inherited with.

**Vote of thanks:**

The vote of thanks was proposed by Dr. Vijay Pal Singh, Associate professor, Amity Law School, Amity University Haryana. He gave his valuable insight on the same topic to all the young attendees and then proceeded to call upon Dr. Santosh Kumar Tripathi, Associate professor, Amity Law School, Amity University Haryana, to honor Mr. Brijesh with a shawl and an Amity University Haryana Memento concluding the lecture.

#### Report:

Amity Academic Staff College, in collaboration with the Institute of Innovation Council, organized a successful workshop titled "Nurturing Entrepreneurial Skills, Mindset, and Behavioral Excellence" on February 12, 2024. The program commenced with a Lamp Lighting Ceremony, followed by opening remarks by Prof Dr. Sanjna Vij, Dy Director Amity Academic Staff College, AUH. Prof Sanjna Vij emphasized that Nurturing entrepreneurial skills, mindset, and behavioral excellence is not just a professional development strategy; it's a journey toward creating a culture of innovation, resilience, and success.

The workshop session started by Dr. Savita Sharma from Shri Vishkarma Skill University, Gurugram aimed to provide valuable insights into the key components of entrepreneurial success. Dr. Savita Sharma initiated the session by delving into the concept of mindset. Participants actively engaged in a comprehensive discussion exploring the essence of mindset and its profound influence on one's perspective and approach to various situations. The workshop meticulously examined different sets of mindsets, underscoring their impact on decision-making, problem-solving, and overall personal and professional growth. Dr. Savita Sharma introduced the notion of an entrepreneurial mindset, highlighting its significance in fostering creativity, resilience, and adaptability. Participants gained insights into how an entrepreneurial mindset differs from traditional perspectives. The session emphasized the crucial role an entrepreneurial mindset plays in navigating the challenges of the business world. Discussions revolved around how this mindset fosters innovation, risk-taking, and a proactive approach. Practical strategies for developing and nurturing an entrepreneurial mindset were explored. Dr. Savita Sharma shared actionable steps and exercises to cultivate this mindset among participants.

The workshop transitioned into identifying and nurturing entrepreneurial skills. Discussions included personalized strategies for recognizing and honing these skills in individuals.

Participants actively engaged in exercises to identify and refine their specific entrepreneurial skills. The focus was on promoting self-awareness and leveraging individual strengths.

Overall the workshop proved to be an insightful and enriching experience for around 150 participants. Dr. Savita Sharma's expertise and interactive approach ensured that the objectives of nurturing entrepreneurial skills, mindset, and behavioral excellence were met.

### **Group Photograph with Guests, Faculty and Students' Organizers of AIBAS**

#### **3.1 General Introduction of the Event**

The interactive session Relationship Management through the art of mastering self was organized by AIBAS on 5<sup>th</sup> March 2024 as part of the department's observance and celebration of Women's Day, this year.

#### **3.2 Inspiration & Objectives of the Event**

The workshop was organized with primary aim to sensitize students and faculty members on the importance of building health relationships through various self-mastering techniques. In times when people across all age groups are struggling with mental health problems on account of disturbed interpersonal relationships, the present session holds relevance as it emphasized on looking inward and finding deeper connection with self, significant others and also our environment.

#### **3.3 Brief about the address/talk of speakers**

The session started with an insightful speech by Registrar, AUH Mr. Ravi Manuja in which he urged all members in the audience to understand the significance of the topic of this session. He emphasized on the need to invest quality time to foster healthy relationships in family for a healthy personal as well as professional life. The Head of the Department Dr Priyanka Verma also gave a warm welcome to the guest resource person, dignitaries, faculty, and students present for the session. The interactive session further proceeded with a very engaging interactive presentation on the topic by the resource person Dr Suman Behmani. Dr Behmani explained how important it is to mend relationships by working on relationship with self and even with tangible and intangible experiences in the environment. By receiving live queries and responses from the audience, she managed to highlight how healthy relationships through understanding *our why* behind pursuing a relationship, bring out the best in us in all aspects of life and also enable us to be more productive in work and career. The session was concluded by a brief address from the accompanying guest speaker Dr Jeetendra Kumar- eminent scientist in field of brain studies. Dr Kumar enthralled the audience by introducing it to the concept of mastering our brain through brain lateralization activities. Both the guests were facilitated by Registrar and Deputy DSW, HOD & faculties of AIBAS. The event was compered by Bsc 2<sup>nd</sup> Semester student Ms Vaishnavi Dikshit. Vote of Thanks was delivered by Event Coordinator Dr Fouzia .A. Shaikh

#### **3.4 'Take Homes' for the Guest and Attendees**

- The attendees learnt the recipe of mastering self through experiencing self awareness.

  
Registrar  
Amity University Haryana  
Manesar Gurgaon-122413

- The participants learnt to identify triggers that become barriers in their relationships.
- The psychology students were familiarized with case studies and counselling tips for helping clients manage disturbed relationships.

### 3.5 Future plan for utilizing the contacts developed with the Invited Guests:

AIBAS looks forward to inviting Dr Suman Behmani again so that department can effectively utilize her rich counselling expertise in training AIBAS students in psychological and psychotherapy techniques for relationship management. AIBAS plans to host a hands-on workshop with Dr Jeetendra Kumar in helping psychology students explore new domains in psychology like Third Eye Activation, NLP, etc.

<b>3. Outcome related to Society Outreach</b>				
a) Benefit to society in terms of Health & Hygiene		NA		
b) Benefit to society in terms of Education		Through the students the society will be benefitted by increased awareness, gender equality & positive societal changes.		
<b>4. Outcome related to Students Learning &amp; Grooming</b>				
The main aim of the cultural event was to celebrate Women's Day at ABS and honor women's achievements, contributions and progress. It also aimed to raise awareness about gender equality, empower women and foster a more inclusive and supportive community.	<p><b>Tangible outcomes:</b></p> <p>Increased Attendance of students at the event.</p> <p><b>Intangible outcomes:</b></p> <p>A positive shift in attitudes towards gender equality. Participants felt inspired and empowered, leading to increased confidence.</p>	<p>The event achieved significant outcomes for students, promoting increased awareness of gender issues, fostering skill development, and providing a platform for cultural appreciation. Female students gained empowerment and inspiration by sharing experiences, while networking sessions and mentorship opportunities contributed to students' grooming and career development. The event served as a multifaceted educational experience, nurturing a more informed, empathetic, and inclusive college community.</p>		<p>An intangible outcome is the cultivation of a more inclusive mindset among attendees. Through interactive discussions and exposure to diverse perspectives, students develop a heightened awareness of gender-related issues, fostering a nuanced understanding of equality. This intangible outcome contributes to the learning experience by encouraging students to challenge stereotypes and biases, ultimately grooming them as open-minded individuals capable of promoting inclusivity in various aspects of their lives.</p>

## 2. Event Report along with glimpses of the event (*Photographs*)

### a) General Introduction of the Event

Amity Business School organised a Cultural Event on Women's Day.

### b) Objectives of the Event

1. Empower women through active participation.
2. Challenge stereotypes with discussions and performances.
3. Cultivate a positive and celebratory atmosphere.
4. Foster inclusivity by showcasing diverse talents.
5. Encourage participation irrespective of gender norms.

### **Brief about the event:**

The Women's Day cultural event at our college started with an engaging introduction speech that set the tone for a day of celebration and reflection. The speech highlighted the historical significance of Women's Day and underscored the importance of acknowledging and honouring the achievements of women across various fields. This served as a foundation for the event's overarching theme: celebrating diversity and empowering women.

Following the introduction, the stage came alive with dynamic dancing performances that exuded energy and enthusiasm. The choreography was a vibrant blend of traditional and contemporary styles, celebrating the strength, resilience, and cultural richness of women. The dance performances captivated the audience, creating an uplifting atmosphere that resonated with the spirit of Women's Day.

The cultural extravaganza continued with soul-stirring singing performances, featuring a range of genres that conveyed powerful narratives and emotions related to the female experience. The musical acts provided a melodic and thought-provoking interlude, offering a different dimension to the celebration. Subsequently, students took centre stage to share their thoughts on their ideal women, fostering a meaningful dialogue on diverse perceptions of femininity and inspiration.

A highlight of the event was a dazzling fashion show that celebrated individuality and style, emphasizing that there is no singular definition of beauty or elegance. The runway showcased a fusion of cultural and contemporary fashion, reflecting the diverse tastes and expressions of women. Moreover, teachers, breaking away from their conventional roles, stepped into the spotlight to showcase their talents, adding a delightful surprise to the event and reinforcing the sense of community and shared celebration.

The Women's Day cultural event concluded with a heartfelt vote of thanks expressing gratitude to Pro Vice Chancellor Sir, all the faculty, staff, participants, organizers, and attendees for their collective efforts in making the event a resounding success. The inclusive nature of the celebration, the diversity of talents showcased, and the meaningful discussions generated throughout the day made it clear that the event had achieved its objectives. Indeed, it was a memorable and successful occasion that left a lasting impact, fostering a sense of unity and empowerment within the college community.

### **Students review for the Event are as follows:**

- Good evening, I Rishita kalucha from BBA (Banking and Finance) 2nd year, reviewed the event which was for women's day celebration and that event went to my heart. There were amazing dances and a cool fashion show. People talked about the event and its significance.

who've done awesome things. It felt like everyone was together, cheering each other on. I got to see how different and strong women can be. I especially liked when they talked about everyday heroines and had powerful speeches. It was a really fun and inspiring time that made me feel proud to be a woman.

### 3. Event Report along with glimpses of the event (*Photographs*)

#### 3.1 General Introduction of the Event

ASFDT organised an event '*Blossoming Futures*' on Navaratri. The event was organized on 16<sup>th</sup> April'2024 to celebrate the girl child. "Blossoming Futures" symbolized a collective commitment to nurturing the potential of every girl and creating a world where they can thrive, free from discrimination and inequality. The parents were sensitized about the importance of the girl child, that we should not only recognize their inherent value but also reaffirm our responsibility to create inclusive and equitable societies where every girl can fulfil her dreams and aspirations. The students of ASFDT played games with the children and distributed gifts amongst them. It was an enjoyable experience for all the participants & Student coordinators.

## नुककड़ नाटक प्रस्तुत कर अधिक से अधिक मतदान करने के लिए किया प्रेरित

ह्यूमन इंडिया/ब्यूरो

गुरुग्राम। लोकसभा चुनाव में अधिक से अधिक मतदान करने के लिए जिला प्रशासन एवं शिक्षा विभाग के निर्देशानुसार स्वीप कार्यक्रम के तहत जिले के गांव बासपदमका स्थित राजकीय वरिष्ठ माध्यमिक विद्यालय में कार्यक्रम का आयोजन किया गया, जिसमें बड़ी संख्या में छात्र, शिक्षक व गणमान्य व्यक्ति शामिल हुए। प्राचार्य राजेश मित्तल ने बताया कि एमिटी विश्वविद्यालय के छात्रों ने नुककड़ नाटक के माध्यम से आगामी लोकसभा चुनाव को ध्यान में रखते हुए मतदाताओं को अधिक से अधिक मतदान करने के लिए प्रेरित किया। उन्होंने बताया कि 18 वर्ष या इससे अधिक आयु के मतदाता मतदान अवश्य करें, ताकि देश में स्थायी सरकार बन सके। मतदान हर नागरिक का अधिकार है। अपने मत का सही प्रयोग करें। किसी भी लुभावने वायदे में न आएं। नुककड़ नाटक में शामिल छात्रों को पुरस्कृत भी किया गया। कार्यक्रम में शामिल वेदपाल यादव, पुष्पा, अशोक, निर्मला, जयपाल सिंह, सरिता, प्रभा, अंशु, अनिल कुमार सहित ग्रामीण शामिल रहे और उन्होंने इस प्रकार के आयोजनों की सराहना की।

अन्या कभी भी कोई बड़ी दुष्प्रथा धरित हो सकती है।

**3.1 General Introduction of the Event :** The Spanish Department of ASL hosted a vibrant Spanish Language Day on April 23, 2024, in tribute to the esteemed literary figure, Miguel De Cervantes de Saavedra, renowned for his profound contributions to the Spanish language

**Inspiration & Objectives of the Event :** The objective of the event was to honor the legacy of renowned literary figure and to promote awareness and appreciation of Spanish speaking cultures, traditions, and heritage among students. The event showcased an array of cultural festivities celebrating Spanish heritage and language. Students enthusiastically engaged in diverse activities, including singing, poetry recitation, dance performances, and a captivating fashion show. Adding a flavourful touch to the occasion, students delighted attendees with a culinary journey through Spanish cuisine, preparing traditional dishes that tantalized the senses and highlighted the rich gastronomic heritage of Spain. The event not only fostered appreciation for the linguistic and cultural legacy of Spain but also provided students with a platform to showcase their talents and immerse themselves in the vibrancy of Spanish arts and traditions. Event was brought to a conclusion with a vote of thanks. Overall, the Spanish Language Day served as a joyous celebration of language, culture, and community within the ASL campus.

**3.2 Brief about the address/talk of speakers :**

**3.3 'Take Homes' for the Guest and Attendees :** Spanish Language Day celebration provided valuable opportunities for student to practice and refine their language abilities. The gastronomic experiences allowed participants to explore the diverse flavours and culinary traditions of Spanish- speaking countries.

This kind Community engagement activity gives more information and perspectives, which can help students develop their concepts for artworks.				

### 3. Event Report along with glimpses of the event (Photographs)

**3.1 General Introduction of the Event:** Amity School of Fine Arts organized “**Bag with little hands** - An initiative for skill enhancement” (a community engagement activity), at BLG 09B, B-Block basement, AUH on 3<sup>rd</sup> May 2024. The event was conducted by students of ASFA, AUH under the guidance of the faculty coordinator, Dr. Animesh Mahata, and Mr. Vinod Chachere. The team consisted of 20 student volunteers who conducted various activities to engage with the kids. Student volunteers demonstrated slum children how to make bag in paper. After that they made design and coloured on bags. All children and students enjoyed this event very well.

**3.2 Inspiration & Objectives of the Event:** Main objectives of this community engagement activity was to build relationship, develop communication and interaction with the slum children and make them aware of the endless opportunities that the world has for them. By engaging with the community, students can become more aware of social- economic factors of society and collect feedback for their artworks.
