

**AMITY**  
UNIVERSITY  
— GURUGRAM —

## REPORT ON SUSTAINABLE DEVELOPMENT GOAL

**SDG 8:**  
**Year 2022-23**

## PREAMBLE

Amity University Haryana (AUH) is committed to UN Sustainable Development Goal 8 (SDG 8), promoting decent work and economic growth. The university ensures gender equality in the workplace through equitable policies and initiatives. To foster innovation and entrepreneurship, AUH invests in technological advancements, capacity building, and best practices. Faculty members contribute to economic growth and a positive work environment through research and recommendations. This commitment is evident in various achievements, policies, and initiatives highlighted in this document.

## TEACHING & LEARNING

Amity University empowers students to become future leaders in business and economics through courses in Economics, Management, Commerce, and Entrepreneurship. These programs align with UN SDG 8, promoting decent work and economic growth.

Amity University Haryana (AUH) is dedicated to fostering innovation, entrepreneurship, and economic growth. By supporting startups and collaborating with the local community, AUH contributes to job creation and economic development. The university engages in national, international, and local collaborations to advance economic growth. By prioritizing social well-being and community development, AUH's student clubs and faculty work with local entrepreneurs to create a positive impact.

### ENTREPRENEURSHIP AND STARTUP SUPPORT

Amity Innovation Incubator supports students and external entrepreneurs by offering:

- Mentoring and Advisory Services
- Financial Advisory and Support
- Infrastructure and Support

In 2021, the incubator provided INR 19,80,000 in financial assistance to students for product prototyping and successfully launched four university spin-offs.

### ENTREPRENEURSHIP CELL (E-CELL)

The E-Cell cultivates a culture of innovation and entrepreneurship by offering a range of programs, such as:

- Entrepreneurship Awareness Camps
- "Real Entrepreneurs, Real Story" Lecture Series
- Idea and Design Thinking Workshops
- Business Plan Competitions
- Hackathons
- Entrepreneurship Boot Camps
- Brainstorming Sessions

By partnering with Amity Incubation Centre, the E-Cell provides students with the support and resources needed to transform their ideas into reality.

**Institute Innovation Council Under Ministry of Human Resource Development, Government of India**  
<https://www.amity.edu/gurugram/iic.aspx>

The Amity University Haryana Institution Innovation Council is committed to nurturing the next generation of entrepreneurs. By providing resources, mentorship, and a supportive environment, we help students develop the skills and knowledge needed to achieve their entrepreneurial goals.

Our mission is to cultivate a culture of entrepreneurship among young Amitians and community members. By providing opportunities for self-employment and innovation, we inspire students to pursue their entrepreneurial dreams and contribute to economic growth.

Amity University Haryana has a clear philosophy to encourage and incubate technology based new enterprises with innovative products and services with a mandate to strengthen collaboration between industry & academia and turn ideas into visible businesses have to encourage the students and faculty for entrepreneurship. The Ideas further nurtured to prototype stage and next to startup, highlights of some of the work done by faculty and students.

### **RURAL INNOVATION AND SOCIAL ENTREPRENEURSHIP (RISE)**

The Amity Rural Innovation Incubator (RII) is driving innovation and sustainability in rural India. By partnering with an execution partner and providing seed funding through Amity Venture Fund, the RII supports rural entrepreneurs and innovators. The RII focuses on developing low-cost, eco-friendly, and socially relevant technologies. Students have successfully implemented a solar technology project in Langra village, demonstrating the positive impact of RII initiatives on rural communities.

### **AMITY INNOVATION INCUBATOR**

The Amity Innovation Incubator ([https://amity.edu/amity\\_innovation\\_incubator.aspx](https://amity.edu/amity_innovation_incubator.aspx)), located within the campus, is first of its kind in India that is aimed at empowering Amity students and entrepreneurs to realize their biggest business ideas. It provides experiential learning and world class entrepreneurship frameworks for the entire start-up lifecycle and is counted amongst the top business incubators in India today with a growing nationwide network of 17 virtual incubation centres. It has successfully nurtured over 200 business ventures across diverse industries and has also been widely recognized on multiple platforms that include - 'The Power of ideas', Red Herring Global winner, Tata NEN and NASSCOM Innovation Awards winner. It is closely supported by Amity Capital Ventures – an independent proprietary fund that financially supports start-ups and entrepreneurs via seed investments, and by DST, Ministry of Science & Technology, Government of India.

### Amity Innovation Incubator – Through Number

- 100 Companies Incubated (physical & virtual) all showing significant financial & operating growth
- Employment generated for more than 2500 people
- Over 200 patents filed for entrepreneurs and 30 technologies commercialized
- More than 25 funding rounds completed
- Network of more than 100 mentors countrywide
- 30 start-ups established by Faculties & Students of Amity University
- Risk Capital raised for 4 Incubatee Companies under SIDBI-SAS Scheme
- Over US\$40 million invested in Incubatee companies through Mergers & Acquisitions and Angel Investments
- Groundbreaking technologies being commercialised and utilised by groups.

### University Spin Offs

The Amity Innovation Incubator and E-Cell have supported countless student entrepreneurs, helping them turn their ideas into reality. Over 23 student ventures have been launched, with several achieving remarkable success. Some of the graduated ventures include:

- **Plabs Solutions Private Limited** is a cutting-edge technology company that has developed PreDoc, an AI-powered audio-visual platform for patient diagnosis. With the support of Meity funding, PreDoc is poised to transform the healthcare industry.
- **Legal Bites** : Mr. Mayank Shekhar, an Amity Law School alumnus, founded Legal Bites, a cutting-edge Ed-tech platform that caters to the needs of legal professionals. The platform offers a range of resources, including high-quality legal content and opportunities for professional development.
- **Elnio Fitment Pvt. Ltd.:** Mr. Ayush Awasthi, an engineering graduate, combined his technical skills with his passion for fashion to launch his own venture. The venture offers a stylish collection of casual and formal wear for both genders.
- **Samzan Pvt. Ltd.:** Amity Business School graduates, Faizan and Samiya, combined their entrepreneurial spirit with their business knowledge to establish Samzan Pvt Ltd, a leading manufacturer and supplier of innovative cookware, household products, and food items.

**The following is a list of start-ups :**

<b>Name of the start up</b>	<b>Thrust Area</b>	<b>Nature of start-up</b>

AIGROEDGE Technologies Private Limited		
AMN Tech LLP (CancerX)	Healthcare	Online health related consultation
Mimblu	Healthcare	Online health related consultation
DAL Waste Solution Pvt.Ltd	Waste	

## EMPLOYABILITY

The University's Corporate Resource Centre (CRC) [ <https://www.amity.edu/gurugram/about-placement>] is a dedicated office established to facilitate internship and final placement opportunities for students. The CRC is committed to achieving a 100% placement rate for all interested students. To provide comprehensive support, the University has implemented a Mentor-Mentee System, offering guidance and counselling on both professional and personal matters. Further details regarding employability and placement services can be found on the University website. More than 95% students placed in 2022- 2023.

The screenshot shows the Amity University Gurugram website. The header includes the university logo and navigation links: ABOUT CAMPUS, ACADEMICS, PROGRAMMES, INSTITUTES, INFRASTRUCTURE, HAPPENINGS, CONTACT US, and ADMISSIONS 2024 (UG-PC, PG, PHD). The main content is divided into two columns: 'Placement Testimonials' and 'Recruiters Speak'.

**Placement Testimonials**

 I was in the first year of my Bachelor's program when the COVID-19 pandemic emerged. I vividly remember the anxiety we all felt about how it might impact our academics. Despite these concerns, our Amity University ensured that the curriculum was completed efficiently, and exams were conducted on time.

Amity's CRC department, along with the faculty members, worked tirelessly to ensure that every student had placement opportunities, even during such challenging times. Looking back, joining Amity University Gurugram stands out as one of the best decisions I have ever made.

**Mr. Gourav Jain**  
Amity Institute of Information Technology  
BCA - Computer Applications  
Batch - 2017-2020  
Placement - Wipro

**Recruiters Speak**

 I am honored to share my heartfelt testimonial about the transformative experience I had during my time at this esteemed institution (Amity University Gurugram).

From the moment I stepped onto the campus, I was greeted with warmth and enthusiasm. The sense of community at Amity is unparalleled, and it immediately made me feel like I belonged. The supportive environment fostered an atmosphere of collaboration, where students are encouraged to pursue their passions and strive for excellence.

It's an excellent experience to do Campus Hiring for MBA students with the Amity University team. I am glad that we have been able to hire some bright students in the areas of Marketing from Amity for our Protiviti Knowledge & Innovation Centre. They have been successful in imparting the desired attitude to their students.

The bottom of the screenshot shows a Windows taskbar with a search bar, task icons, and system tray information including 'Near record', '21:06', and '09-11-2024'.

 Abbott Abbot India Ltd.				
				
				
				
				
				
				
				
				
				

## RESEARCH & PUBLICATIONS

During the preceding year, the University successfully secured research and consultancy grants totalling Rs. 53.59 Crore from a diverse range of government and non-government agencies, including prominent organizations such as DST, UGC, RFBR, SERB, ICMR, FIST, MNRE, and DBT, as well as industry collaborators, both domestic and international (<https://amity.edu/astif/ongoing-projects.aspx>). This funding has enabled the University to undertake 142 significant research initiatives. In addition, the University's faculty and students have demonstrated exceptional research productivity, publishing 133 patents, 522 books & book chapters, and 3902 research papers in reputable national and international journals. A total of 5715 number of publications has been made in different journals, conference, patents, articles and Books/Book Chapters. To facilitate the intellectual property protection process, the University has established a Patent Facilitation Centre to provide comprehensive support to faculty members in patent filing.

## WORKPLACE ENVIRONMENT

- AUH adheres to international labor standards by providing sufficient remuneration to all employees, thereby promoting decent work and contributing to economic growth, as outlined in SDG 8.
- HR Manual highlights the rules & regulations and the benefits for faculty & staff (chrome-extension://efaidnbmninnibpcajpcglclefindmkaj/https://www.amity.edu/gwalior/pdf/hr-manual.pdf)
- AUH adheres to principles of non-discrimination and equal opportunity. The University employs individuals from various religious backgrounds and has implemented a policy to address and prevent the harassment of female employees.
- AUH is committed to gender equality and women's empowerment. We have a policy in place to ensure a diverse and inclusive community, providing a safe and supportive environment for all.
- AUH promotes open communication and transparency. Faculty and staff members are encouraged to approach senior management directly to address any grievances. Additionally, the University has a well-defined grievance redressal mechanism to ensure timely and fair resolution of issues.

## ANTI DISCRIMINATION POLICIES

- Regulations Governing the Prevention of Sexual Harassment.
- Policy on Women's Applications and Admissions.
- Policy on Non-Discrimination Against Women.
- Policy for the Protection of Individuals Reporting Discrimination.
- AUH Fosters Young Entrepreneurship

Throughout the year, AUH has been a hive of activity, hosting over 336 events and programs designed to inspire and empower the next generation of entrepreneurs and scientists. That's roughly one event every day, offering a diverse range of learning opportunities.

These events included:

- Faculty Development Programs (FDPs) and Professional Development Programs (PDPs)
- Seminars and webinars
- Engaging talks from industry experts and guest lecturers
- Skill-building training programs

A comprehensive list of some of these events, along with details, is provided below. Notably, these programs featured interactions with several prominent figures from the industry and academic world, enriching the experience for students, faculty, and staff alike.
