Medieval Indian Architecture is a multifaceted discipline that encompasses the design, planning, and construction of buildings and structures. It goes beyond mere construction and involves creating spaces that are not only functional but also aesthetically pleasing, sustainable, and culturally significant. Guest speaker talk provides an overview of architecture, highlighting its key aspects, historical evolution, and contemporary trends in the society.

The session with the guest speaker was insightful for the students at AISS, ASAP and ASCO. The speaker inspired all the young minds with a detailed discussion primarily on Medieval Architecture and specifically on the Agra and Gwalior Fort. The talk also highlighted that the students from History and Architecture should focus on various terms and terminology pertaining to the Architecture. The speaker also characterized by order, symmetry, and proportion - classical architecture that includes Sultanate and Mughal style, which had huge impact on the Art and Architecture in Medieval era in India.

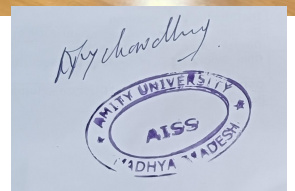

He also motivated our students to never stop following their passion. This session has enhanced the understanding of Medieval art and shared nitty-gritty of Architectural aspects among the young students of AISS, ASCO and ASAP. Hence, the attendees were enriched by the knowledge imparted by the guest speaker.

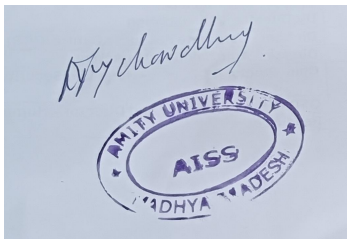

The HOI of AISS, Prof. (Dr.) Iti Roychowdhury, HOI of ASAP, Prof. Lalitesh Kumar Jain, faculty members, and approx. 150 students attended the Guest Lecture.

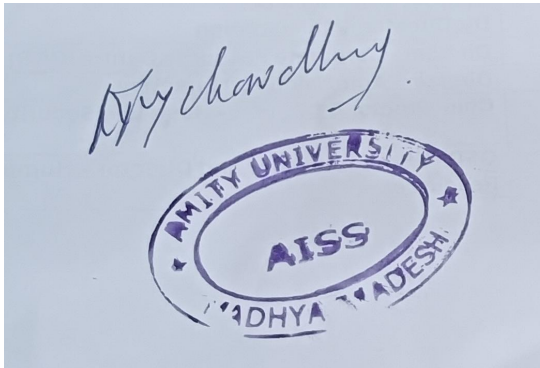

The event concluded with a vote of thanks by Dr. Rizwan Ahmad.

Resource Person:

Mr. Ashish Sharma (Deputy Secretary to the Ministry of Consumer Affairs, Food, and Public Distribution, Government of India)

Every year, lakhs of students attempt the civil service exam in the hope of becoming civil servants. But only a handful make the cut in the end. What makes the few who crack the Civil Services Exam so special, and what drives them to take on an exam considered the toughest in India?

To answer the questions of the students, Amity Institute of Social Sciences has organised a guest lecture by Mr. Ashish Sharma, who is a Deputy Secretary to the Ministry of Consumer Affairs, Food, and Public Distribution (GOI). The qualities and habits that are imbibed in the correct spirit, coupled with your own guided preparation strategy, can give you the UPSC success you dream of.

The session with the guest speaker was insightful for the students at AISS. The speaker inspired all the young minds with a detailed discussion on civil service preparations like preliminary, main, and interview. It is pertinent that you do a SWOT analysis before you begin with your UPSC exam preparation. It will help you identify your strengths and weaknesses, the opportunities that you will be able to tap, and the threats that may exist. It will allow you to know the stakes associated with your preparation.

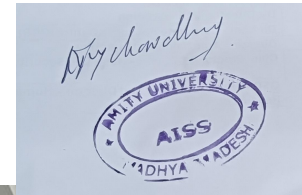

He also emphasised that a career decision is one of the most significant decisions in one's life, and therefore, it must not be taken under parents' compulsion or peer pressure.

He also motivated the students to never stop following their passion. This session created awareness and enriched knowledge among the young civil service aspirants and the young students of AISS. Therefore, attendees were enriched by the knowledge imparted by the guest speaker.

The HOI of AISS, Prof. Dr. Iti Roychowdhury, faculty members, and 110 students attended the programme.

The event concluded with a vote of thanks.

Amity University Madhya Pradesh Celebrated 77th Independence Day on 15th August 2023

Amity University Madhya Pradesh celebrated the 77th Independence Day of the nation with great enthusiasm and patriotic fervour on 15th August 2023 in its serene and picturesque campus to commemorate the nation's liberation from colonial rule, which was achieved through the sacrifices and determination of countless Indian freedom fighters. The day has a deep historical significance, as it was on August 15, 1947, that India's tryst with destiny was realized, granting the nation the long-awaited freedom from British colonial domination.

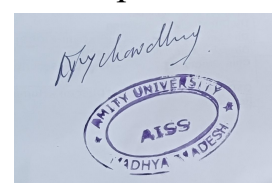

The festivities of this auspicious occasion commenced with unfurling of the Tri-Colour by Hon'ble Pro Chancellor AUMP, Lt. Gen. V.K. Sharma, AVSM (Retd.) The rendition of National Anthem after flag hoisting invoked the feelings of patriotism and the willingness to serve the country in all the students, faculty and staff of AUMP.

Hon'ble Pro Chancellor Lt. Gen. V.K. Sharma, AVSM (Retd) greeted the students, faculty and staff of the University on this historic occasion. He stated that it's a moment of immense pride that today we are celebrating 77th Independence Day remembering the sacrifices of courageous freedom fighters who strived to liberate the country from British oppression.

He further stated that India became 5th largest economy in 2022 and will be third largest global economy soon. Hon'ble Pro Chancellor also threw light on increasing foreign investments, flourishing Indian economy and startups in India. He also talked about Aatmnirbhar Bharat, and underlined that the great challenges of today like terrorism should be combated in a fearless manner.

In his address Hon'ble Pro Chancellor Lt. Gen. V.K. Sharma, AVSM (Retd) opined that to make India "Vishwa Guru", we all must strive hard and share the spiritual legacy of India with the entire world.

The 77th Independence Day also marked the culmination of the 'AzadiKaAmritMahotsav' celebrations, which had commenced in 2021. As a part of the celebrations "Meri MaatiMeraDesh" campaign aims to pay tribute to our beloved 'Motherland' and the courageous 'Veers' who have made the supreme sacrifice for our nation. To commemorate this, "MittikiShapath" and

“PanchPran” pledge was taken by all the dignitaries, faculty, staff and students of the University.

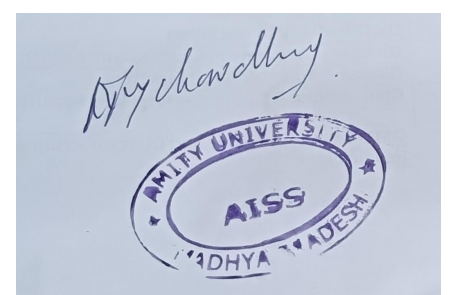

A vibrant cultural programme added flavour of patriotism to the celebrations of this auspicious day. The students from different departments of AUMP presented a cultural programme saluting the freedom fighters who had lit the torch of liberty. Giving a peek into the glorious past of India’s rich historical background, a series of performances showcased the efforts of freedom fighters and political leaders who laid down their lives for our Motherland. The programme was prepared under the guidance of Prof (Dr) Iti Roychowdhury, Director ASCENT, ASL & AISS and coordinated by Dr Shramita Pandey, Asst. Professor, ASL and Dr Keerti Sood, Asst. Professor, AISS. The programme was well appreciated by the audience.

As per the mandate of Ministry of Education, grand celebration of our nation's 75 years of independence through the Azadika Amrit Mahotsav (AKAM) initiative has been adopted by all Universities across the country. As part of this momentous occasion, the plantation drive was carried out in AUMP. 75 saplings were planted in the “Amrut Vatika” under the “Vasudha Ka Vandan” scheme, part of the “Meri Maati Mera Desh” Campaign by the dignitaries, faculty, staff and students behind Block B, Amity University Madhya Pradesh.

The occasion was graced by the presence of Hon’ble Pro Chancellor Pro Chancellor Lt. Gen. V.K. Sharma, AVSM (Retd), Deputy Pro-VC and officiating VC Dr Anil Vashisht, Deputy Pro-VC (Research) Prof (Dr) M. P Kaushik, Registrar Mr Rajesh Jain, Deans, Directors, HoIs, HoDs, faculty, staff members and the students of AUMP.

The celebration of 77th Independence Day encapsulated patriotism, hope, and gratitude for the privileges and rights enjoyed by the Indian citizens because of the sacrifices of the lives of freedom fighters of our country

Photographs of the faculty, staff and students of AUMP were clicked with the dignitaries to cherish the memories forever. Marking the culmination of the Independence Day programme at AUMP, sweets were distributed to all the Amitians on this auspicious occasion.
