Objective of this activity

- To make happy child below poverty line
- To facilitated them to access the things required to fulfil daily demand
- To Improve Living Conditions: Enhance access to basic necessities like food, clean water, shelter, and healthcare for impoverished individuals and families.
- Encourage children to develop empathy and compassion towards those living in poverty

Summary:

Amity Business School, Amity University, Madhya Pradesh organized an outreach activity in the **Vatsalya Seva Sanskar Kendra** on the occasion of International Day for the Eradication of Poverty for the deprived children of slum area of Bara Goan Bohadapur. The Students of **Amity Business School** are doing planning before one week to collect the various resources like the stationary material ,food ,toys ,clothes, to distribute among them . We also organised

the games for the children to make them familiar with us . We give the some valuable lessons to the children .

Outcomes of the activity :

The poverty alleviation activity involves visiting Vatsalaya Seva, an organization dedicated to supporting impoverished communities. During this visit, participants will gain valuable insights into the complex issues of poverty and explore the various initiatives undertaken by Vatsalaya Seva to uplift the underprivileged. The benefits of this activity to aware society and others stakeholders the about the conditions of the deprived children. This activity serves as an opportunity to learn, engage, and make a positive impact on the life of the children who live in the slum area.
