

# Session on Careers in Psychology

## AIBAS, AUMP Hosts Insightful Session on "Careers in Psychology"

**Amity University Madhya Pradesh, Gwalior - June 7, 2024:** The Amity Institute of Behavioral & Allied Sciences (AIBAS) at Amity University Madhya Pradesh (AUMP) successfully organized an enlightening session on "**Careers in Psychology**" for its students. The event took place under the expert guidance of **NovRattan Sharma, Head of Institution (HOI) of AIBAS**.

The session was graced by **Mr. Atul Kumar, Assistant Professor at AIBAS**, who served as the Resou Person. His extensive knowledge and experience in the field provided the students with valuable insig into the myriad career opportunities available in psychology. The event was meticulously organized by Jangjeet, who ensured its smooth execution. Student coordinators, Vidushi Sankhla and Nikhil Sharma a played pivotal roles in managing the event and engaging the student body.

The session saw participation from students of all semesters, including those enrolled in Rehabilitat Council of India (RCI) accredited courses. Mr. Atul Kumar highlighted various career paths within psycholc such as becoming a Psychologist, Counselor, Clinical Psychologist, Organizational Psychologist, and mc He discussed the skills and qualifications required for each role, emphasizing the importance of pract experience and continuous learning in this dynamic field.

The event not only broadened the students' understanding of their future career prospects but also inspi them to explore the diverse avenues within psychology. The interactive nature of the session allow students to ask questions and seek personalized advice, making it a highly engaging and informat experience.

Overall, the "Careers in Psychology" session at AIBAS was a resounding success, reflecting the institut commitment to providing comprehensive career guidance and support to its students.
