2.5.3 IT integration and reforms in the examination procedures and processes (continuous internal assessment and end-semester assessment) have brought in considerable improvement in examination management system of the institution

Response:

Amity University (AUMP) Examination Department maintains a pragmatic approach wherein, Progress, in functioning, Updating, Review of Procedures, Automation and Reforms become an ongoing process, thereby continuous efforts are made to bring in improvement in all sectors / spheres of functioning. AMIZONE, AUMP works on internally developed specific software named as AMIZONE. This software provides plethora of facilities, it being paperless assists in green revolution. All data pertaining to courses, Syllabus of all courses, Subjects, Course codes, Credits, Power point presentations, Lesson plans, Question bank, Examination schedules etc. as required is accessible to all students on this platform. It forms as a single point contact site providing a wide variety of facilities. Implementation.

AUMP Exam Dept has successfully implemented Online system for filling of attendance, filling of Examination Forms, issue of Admit Cards, , Identification of Debarred status, Submission of practical /projects/ CIE marks, Preparation &release of ESE result, Issue of official Page 46/143 24-09-2023 11:00:48 Self Study Report of AMITY UNIVERSITY MADHYA PRADESH transcripts, Printing of Mark sheets / Provisional certificates, resolving online students Grievances/Redressal system etc. has made the process transparent and less error prone and streamlined the functioning of Examination Department. COVID -19. During the COVID-19 pandemic AUMP has successfully conducted online examinations as per UGC guidelines inboth Multiple-Choice Questions (MCQ) and Open Book Exam (OBE) mode. University successfully used its own software module on AMIZONE to conduct the online examinations with vide range of facilities for pre and post examination activities. OMR Answer Books. Introduction of OMR based Answer Books has been done to enhance security and bring in automation. After Evaluation of OMR answer books, the marks are scanned and thereafter uploaded on AMIZONE. The bar code number is provided to each answer-book to maintain secrecy. Rechecking. Deputation of separate team of evaluators is done to ensure that no question is left unevaluated and all marks awarded are transferred on OMR and are correct. The system has become so effective that hardly any change in marks is noticed after rechecking. Unique system of two-phase evaluation is done by the faculty. Result Compilation. Centralized evaluation is done under the monitoring of Examination Department and result compilation is done with the help of AMIZONE. Grievances/Redressal. Online process has reduced the student's grievance to minimal, redress of grievances of students is resolved same day or by next day. Calendar of Examination Activities. The Examination Calendar is prepared well before the start of academic session, covering all facets of activities planned and is strictly monitored / followed for implementation of laid down timelines by the University. Examination Schedule:Since courses having common syllabus were integrated under one course code, publishing of on-line centralized examination schedule helps in conduct of common examination. Continuous Internal Evaluation (CIE). Components in respect of CIE (Continuous Internal Evaluation) are mid sem, seminars, assignments etc, the marks are uploaded on AMIZONE, marks of each component are filled by concerned faculty online to maintain transparency in CIE.

AMITY UNIVERSITY
MADHYA PRADESH
(Established by Ritnand Balved Education Foundation)

MANUAL OF AMIZONE (AMITY INTRANET ZONE)

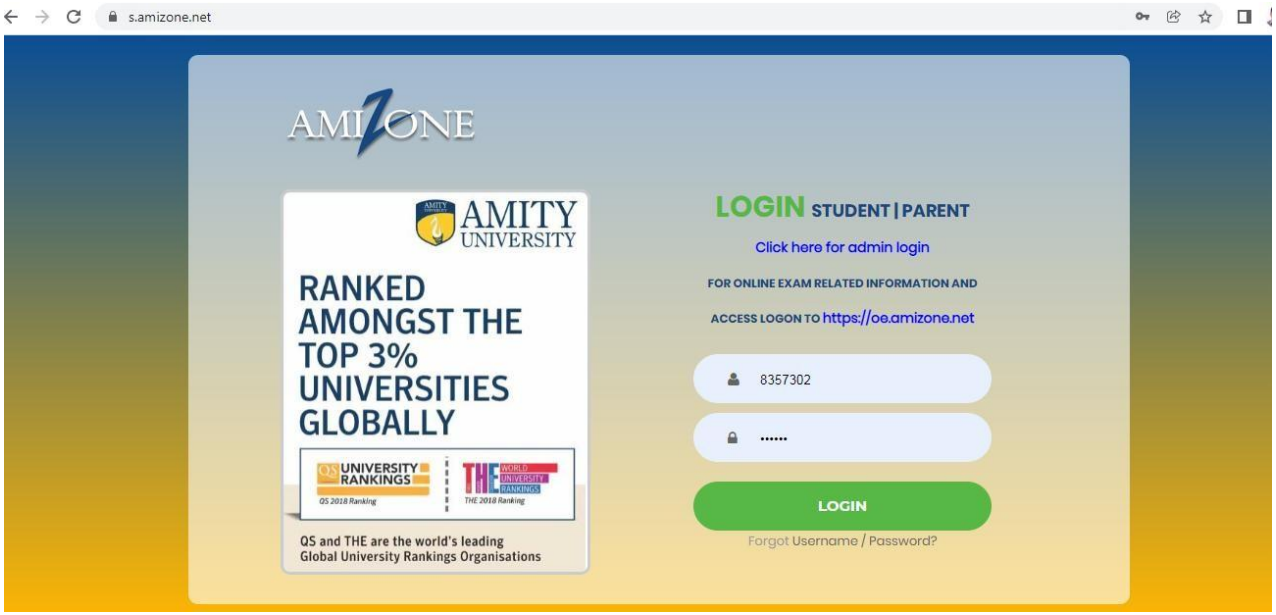
(AMITY Intranet Zone) provides a plethora of facilities for automation in AUMP. The Examination process viz. Enrollment, Course allocation, attendance, exam form filling, uploading of marks and result compilation of its students can all be done on AMIZONE. The automation process involves active participation of all entities Admission Department, Institutes, Examination Department and thus all HoI's / HoD's / Faculty members / Staff / IT Department etc. in a big way and tantamount to paperless functioning, as also saving of manhours. The role / responsibilities to be followed in the process of automation on AMIZONE and as applicable to all Institutes / Departments of AU MP Gwalior are discussed in succeeding paragraphs. The process commences with admissions and terminates with issue of Degree certificates once the student completes the course. AUMP has the following online system for pre and post examination activities.

(a) Availability to Student : Academic Data / Exam Details
(b) Filling of Attendance
(c) Filling of Examination Form & Issue Of Admit Cards
(d) Submission of Practical /Projects/ CIE Marks
(e) Attendance / Debarred Status
(f) Preparation & Release of ESE Result
(g) Issue of Official Transcripts
(h) Printing of Marksheets / Provisional Certificates
(i) Clearance
(j) Alumani Data

Screenshot for various modules of AMIZONE / AMIZONE EXAM SYSTEM are given in succeeding paras.

Amizone (Login) page

Amizone (Amity Intranet Zone) is campus management system covering all academic administration related processes from admissions to alumni which can be accessed by keying in URL address **https://amizone.net.**



At the time of admission student is assigned user name & password on – line to access Amizone (Amity Intranet Zone) once he / she pays fully academic fee. By keying in assigned user name & password Amizone may be accessed.
