Amity University is a research driven University which offers higher education in diverse field from Engineering, Management, Life Sciences, Applied Science and the like. Amity University provides quality platform for research in field of Academics. The campus is organizing International Conference on Innovative Practices in Technology and Management on 23rd – 25th February 2022.

This Conference includes many topics which were deeply deliberated and which brewed new ideas. Thus, giving rise to new avenues for researcher. We aim to take those concepts further to derive fresh hypothesis and arrive at the logical deductions. The participation of scientist from across the globe was very encouraging in our last conferences organized in India. This time we are anticipating even larger congregation from more diverse domains as we are reaching out too many eminent philosophers, thinkers and academicians from scientist fraternity.

Sub-themes *(but not limited to)*:

- Artificial Intelligence in Health informatics
- AI and IoT in Smart Healthcare System
- AI in Disease Diagnosis and Detection
- AI Technologies in Medicine
- Blockchain Technology in Healthcare System
- Quantum Machine Learning in Healthcare System
- AI in drug target prediction
- Deep learning Models for Cancer Detection
- Machine and Deep learning in Digital Health Record System
- Speech Processing and Speech Technology in Healthcare System
- Cloud computing in healthcare
- Internet of Things in Healthcare
- AI and IoT in pandemic Diseases Diagnosis
- Medical Image Processing
- Machine Learning and Deep Learning in Medical Science
- The Internet of Medical Things (IoMT)
- Telemedicine
- AR/VR/MR in Healthcare
- Cloud and Edge Computing in Healthcare System
- Disease discovery
