

International Conference on Semiconductor Technologies – Materials to Chips

ICST 2024, 18-20 Sept. Hybrid Mode

Jointly organized by

Amity Institute for Advanced Research and Studies (Materials & Devices) &

Amity Institute of Nanotechnology

Amity University Uttar Pradesh, Noida, India

in association with

Society of Semiconductor Devices (SSD) & Semiconductor Society (India)

The International Conference on Semiconductor Technologies – Materials to Chips, September 18-20, 2024, is being organized by Amity Institute for Advanced Research and Studies (Materials & Devices) & Amity Institute of Nanotechnology at Amity University Uttar Pradesh, Noida, India in association with Society of Semiconductor Devices (SSD) & Semiconductor Society (India). You are cordially invited to participate. This conference will generate an international forum for exchange of innovative ideas, research, and recent trends in the state-of-art in semiconductor technologies from materials to chip designing, and to explore avenues to collaborate with top experts from various Institutions & Industries. Eminent Scientists, Professors, Students, Industrialists and Technocrats from academia, research organizations, and industries from various parts of the World are going to participate in this event.

We request you for having your active participation in this conference. It is our pleasure to cordially invite you to the conference and share your research, innovations and ideas....

Thrust Area covered in the Conference are :

- Materials Science,
- Display Manufacturing
- IC Designing and Manufacturing
- VLSI & ULSI Technology
- Optoelectronics
- MEMS & Sensors
- Renewable Energy
- Energy Storage
- Quantum Technologies
- High Frequency & Power Devices
- Telecommunications
- Medical Instrumentation
- Aerospace and Defense Applications
- IT, IoT & AI based Technologies
- Equipment Manufacturing
- Modelling and Simulation
- Nanomaterials & Nanotechnology,
- New Frontiers & Emerging Technologies

The shortlisted manuscripts will be published in peer reviewed *Scopus indexed Book Volume / SCI Journal*

ORGANIZING COMMITTEE

Chief Patron

Dr. Ashok K. Chauhan
Founder President,
Amity Universities

Patron

Dr. Atul Chauhan
President, RBEF &
Chancellor, AUUP

Co-Patron

Dr. Balvinder Shukla
Vice Chancellor,
AUUP

Chairman

Prof. (Dr.) V. K. Jain,
Distinguished Scientist &
Professor, AIARS(M&D), AUUP

Co-Chairman

Prof. O. P. Sinha,
Acting Director &
Head, AINT, AUUP

Joint - Conveners

Dr. Abhishek Verma
Professor
AIARS(M&D), AUUP

Dr. Monika Joshi
Professor
AINT, AUUP

Joint - Secretaries

Dr. Robin Kumar
Associate Professor
AINT, AUUP

Dr. Avshish Kumar
Assistant Professor III
AIARS(M&D), AUUP

Joint - Treasurers

Dr. Prashant Shukla
Associate Professor
AIARS(M&D), AUUP

Dr. Ramesh Namdeo Pudake
Assistant Professor III
AINT, AUUP
