INSTRUCTIONS TO e-POSTER FLASH PRESENTATION

1. All e-Poster presentees are kindly requested to prepare and present a Poster flash presentation talk.
2. Poster flash presentation talks are meant to be a VERY SHORT (2 – 5 minutes MAX, ONLY 1 slide) presentation of posters. After five minutes, the speaker will not be allowed to say another word.
3. The size of the e-Poster can be anywhere from simple standard on-screen show (4:3) to 40 x 40 inch slide.
4. Presentations should be prepared in Microsoft PowerPoint format (.ppt or .pptx), in a Windows compatible format, only.
5. The presentees should focus only on the main aim of the research and mention their findings, after introducing themselves or group.
6. Animations are strictly forbidden!
7. Excessive use of organization logos / advertisements is not allowed.
8. During your flash presentation, there will be no time for discussion or interruption.
9. Judges may or may not ask questions.
10. Make sure you will be well available before you turn during e-Poster Session.
11. If somehow, due to technical issues, you are not able to present, you will get one more chance after the last presenter of the particular e-Poster Flash Presentation Session.
12. Presentees are requested to submit their respective e-Poster to conference email ID (iwresd2021@amity.edu), well before **7th January 2021**.
13. The copyright of e-Poster presentation slides will remain to the respective authors, only. The organization will not use for their only research work.
14. The sequence of the e-Poster presentees will be communicated and uploaded on conference website by **10th January 2021**.

Prizes:

1. The Organizing committee finds pleasure in announcing the 'BEST POSTER PRESENTATIONS' award.
2. Three best e-Poster will be selected from the entire presentations across each session through Judges reviewing process.
3. The winner of 1st, 2nd, & 3rd best e-Posters will receive e-Certificate of best posters, accordingly.
